Masks of Conquest Gauri Viswanathan, 2014-12-16 A classic work in postcolonial studies Masks of Conquest describes the introduction of English studies in India under British rule and its function as an effective form of political control abetting voluntary cultural assimilation Gauri Viswanathan demonstrates how the literary text functioned as a mirror of the ideal Englishman and became a mask of exploitation that camouflaged the material activities of the colonizing British government In her new preface she argues that the curricular study of English

can no longer be understood innocently or inattentively to the deeper contexts of imperialism transnationalism and globalization in which the discipline first articulated its mission *Masks of Conquest* illuminates the transcontinental movements and derivations of English studies revealing the discipline's origins are as diffuse as its future shape **Views and Comments of the States [on Water Resources and Problems]** United States.
