## **Maine Massacre:**

*Massacre Pond* Paul Doiron, 2013-07-16 *Massacre Pond* is Edgar finalist Paul Doiron's superb new novel featuring Game Warden Mike Bowditch and a beautiful enigmatic woman whose mission to save the Maine wilderness may have incited a murder. On an unseasonably hot October morning Bowditch is called to the scene of a bizarre crime: the corpses of seven moose have been found senselessly butchered on the estate of Elizabeth Morse, a wealthy animal rights activist who is buying up huge parcels of timberland to create a new national park. What at first seems like mindless slaughter (retribution by locals for the job losses Morse's plan is already causing in the region) becomes far more sinister when a shocking murder is discovered and Mike's investigation becomes a hunt to find a ruthless killer. In order to solve the controversial case Bowditch risks losing everything he holds dear: his best friends, his career as a law enforcement officer, and the love of his life. The beauty and magnificence of the Maine woods is the setting for a story of suspense and violence when one powerful woman's missionary zeal comes face to face with ruthless cruelty.

**Stay Hidden** Paul Doiron, 2018-07-03 A supposed hunting accident becomes a dangerously complicated murder investigation in *Stay Hidden*, the intricately plotted new thriller from Paul Doiron featuring Maine Game Warden Mike Bowditch. A woman has been shot to death by a deer hunter on an island off the coast of Maine. To newly promoted Warden Investigator Mike Bowditch, the case seems open and shut. But as soon as he arrives on remote Maquoit Island, he discovers mysteries piling up one on top of the other. The hunter now claims he didn't fire the fatal shot, and the evidence proves he's telling the truth. Bowditch begins to suspect the secretive community might be covering up the identity of whoever killed the woman known as Ariel Evans. The controversial author was supposedly writing a book about the island's notorious hermit. So why are there no notes in her rented cottage? The biggest blow comes the next day when the weekly ferry arrives and off steps the dead woman herself. Ariel Evans is alive, well, and determined to solve her own murder, even if it upsets Mike Bowditch's investigation and makes them both targets of an elusive killer who will do anything to conceal his crimes.

In the early 1900s, Tulsa, Oklahoma, was home to a thriving African American community. The Greenwood District had its own school system, libraries, churches, restaurants, post office, movie theaters, and more. But all that would change in the course of two terrible, unspeakable days. On May 31 and June 1, 1921, a mob of armed white Tulsans attacked Greenwood. They looted homes and businesses and burned them to the ground as Black families fled. The police did nothing to protect Greenwood, and as many as three hundred African Americans were killed. More than eight thousand were left homeless. News of the Tulsa Race Massacre, one of the worst incidents of racial violence in US history, was largely suppressed, and no official investigation occurred for seventy-five years. Celebrated author Carole Boston Weatherford and acclaimed illustrator Floyd Cooper provide a sensitive
