## **Maintaining Classroom Discipline Techniques In Establishing Good Order:**

*Teacher Effectiveness Training* Dr. Thomas Gordon, 2003-08-26 For nearly thirty years Teacher Effectiveness Training or the T E T book based on Dr Thomas Gordon s groundbreaking program has taught hundreds of thousands of teachers around the world the skills they need to deal with the inevitable student discipline problems effectively and humanely Now revised and updated T E T can mean the difference between an unproductive disruptive classroom and a cooperative productive environment in which students flourish and teachers feel rewarded You will learn What to do when students give you problems How to talk so that students will listen How to resolve conflicts so no one loses and no one gets hurt How to best help students when they re having a problem How to set classroom rules so that far less enforcement is necessary How to increase teaching and learning time

**Classroom Discipline** Linda Crawford, Christopher Hagedorn, 2009-01-01 *The Classroom Management Book* Harry K. Wong, Rosemary Tripi Wong, Sarah F. Jondahl, Oretha F. Ferguson, 2018 This is a solutions book that shows how to organize and structure a classroom to create a safe and positive environment for student learning and achievement to take place It offers 50 classroom procedures that can be applied changed adapted into classroom routines for any classroom management plan at any grade level Each procedure is presented with a consistent format that breaks it down and tells how to teach it and what the outcome of teaching it will be While all of the work and preparation behind a well managed classroom are rarely observed the dividends are evident in a classroom that is less stressful for all and one that hums with learning The information is supplemented with 40 QR Codes that take the learning beyond the basic text As the companion book to THE First Days of School it takes one of the three characteristics of an effective teacher being an extremely good classroom manager and shows how to put it into practice in the classroom It will show you how to manage your classroom step by step THE Classroom Management Book will help you prevent classroom discipline problems and help you create an atmosphere where everyone knows what to do even when you are not in the classroom 320 page book with Index 50 step by step Procedures 40 QR Codes for extended learning

**The Smart Classroom Management Way** Michael Linsin, 2019-05-03 The Smart Classroom Management Way is a collection of the very best writing from ten years of Smart Classroom Management SCM It isn t however simply a random mix of popular articles It s a comprehensive work that encompasses every principle theme and methodology of the SCM approach The book is laid out across six major areas of classroom management and includes the most pressing issues problems and concerns shared by all teachers The underlying SCM themes of accountability maturity independence personal responsibility and intrinsic motivation are all there and weave their way throughout the entirety of the book Together they form a simple unique and sometimes contrarian approach to classroom management that anyone can do Whether you re an elementary middle or high school teacher The Smart Classroom Management Way will give you the strategies skills and know how to turn any group of students into the motivated well behaved class you love teaching

**Positive Discipline in the Classroom** Jane

Nelsen, Lynn Lott, H. Stephen Glenn, 2000 Nelsen's popular Positive Discipline philosophy is used in hundreds of schools as a foundation for fostering cooperation problem solving skills and mutual respect in children In this latest edition teachers learn how to create and maintain an atmosphere where learning can take place and where students and teachers can work together to solve problems Positive Discipline: A Teacher's A-Z Guide Jane Nelsen, Linda Escobar, Kate Ortolano, Roslyn Ann Duffy, Debbie Owen-Sohocki, 2009-09-30 Take back the classroom and make a positive difference in your students lives Many teachers today are facing problems and discipline issues they never dreamed of when they decided to become teachers Combine violence behavioral disorders and downright defiant attitudes from students with the age old problems of bullying poor attendance and more and the mix is positively lethal However there are effective positive strategies for restoring order and turning the teacher student relationship into one of mutual respect Applicable to all grade levels this comprehensive A to Z guide addresses modern day problems and practical solutions for establishing an effective learning environment Inside you will discover The 17 fundamental tools of positive discipline Real life stories of proven positive discipline strategies Suggestions for establishing and maintaining respectful nurturing relationships with students And much more Overcome obstacles and get back to why you became a teacher in the first place to empower students with confidence self respect and resourcefulness Bill Scott principal Birney Elementary School Marietta Georgia An inspiring information packed book All teachers from those just beginning to those with many years of experience will find the tools of positive discipline easy to use Phillip Harris Ed D director Center for Professional Development and Services Phi Delta Kappa International **Classroom Management and Discipline** Paul R. Burden, 1995 A scholarly synthesis of the research base on classroom management and discipline Classroom Management and Discipline Methods to Facilitate Cooperation and Instruction is remarkably easy to read and apply Comprehensive up to date and authoritative it considers the total classroom environment while offering practical strategies for establishing a classroom management system and maintaining order in K 12 classrooms Appropriate for undergraduate or graduate courses the text is a valuable resource for beginning and experienced teachers *Teaching Discipline & Self-Respect* SiriNam S. Khalsa, 2007-02-15 Used successfully in culturally economically and academically diverse classrooms these strategies and activities focus on developing students self esteem self image and self responsibility **The Knowledge Gap** Natalie Wexler, 2019-08-06 Essential reading for teachers education administrators and policymakers alike STARRED Library Journal The untold story of the root cause of America's education crisis It was only after years within the education reform movement that Natalie Wexler stumbled across a hidden explanation for our country's frustrating lack of progress when it comes to providing every child with a quality education The problem wasn't one of the usual scapegoats lazy teachers shoddy facilities lack of accountability It was something no one was talking about the elementary school curriculum's intense focus on decontextualized reading comprehension skills at the expense of actual knowledge In the tradition of Dale Russakoff's *The Prize* and Dana Goldstein's *The Teacher Wars* Wexler brings together

history research and compelling characters to pull back the curtain on this fundamental flaw in our education system one that fellow reformers journalists and policymakers have long overlooked and of which the general public including many parents remains unaware But The Knowledge Gap isn't just a story of what schools have gotten so wrong it also follows innovative educators who are in the process of shedding their deeply ingrained habits and describes the rewards that have come along students who are not only excited to learn but are also acquiring the knowledge and vocabulary that will enable them to succeed If we truly want to fix our education system and unlock the potential of our neediest children we have no choice but to pay attention
