The Magical Costume AQEEL AHMED, 2023-09-19 Summary about this story Tommy was a young boy who was active and creative He lived in the beautiful and quiet town of Pumpkin Hollow which was surrounded by hills and forests that looked beautiful in the fall Pumpkin Hollow was known for its beautiful scenery especially during Halloween when the line between the real world and the magical was thinner and amazing things could happen Tommy has always loved Halloween so he was looking forward to the night when the ordinary becomes extraordinary The people in the town had a great time celebrating Halloween They decorated their homes with scary decorations put happy pumpkins on their doorsteps and baked pumpkin pies that filled the air with their smell As October got closer the joy was clear and Tommy's heart was full of eagerness While looking through his grandparents' attic one sunny afternoon Tommy found an old dusty box hidden among things that had been forgotten He found a ghostly white dress with silvery threads that sparkled in the dim light The dress was made of many layers of fabric and thought When he put it on the fabric seemed to fit him perfectly making him look almost like a ghost Tommy liked how mysterious the outfit made him feel so he kept it for himself He had no idea that this choice would make Halloween night the scariest one of his lives As the sun went down on Halloween night Tommy wore the great outfit and walked into a changed Pumpkin Hollow Children dressed as everything from evil ghouls to friendly witches marched through the streets which were lit up with lanterns and filled with scary music Tommy who was now a real ghost walked around town People were amazed by what they saw and couldn't believe what they were seeing On his way he stopped in the town square where he saw ghostly creatures dancing in the moonlight He joined their airy dance and felt like he had never felt before As word spread about the mystery ghost kids and adults gathered to hear Tommy talk about his trips to the spirit world His words made amazing pictures come to mind taking the listener on a trip to where he had been While it was still early in the night Tommy's spirit friends took him on a thrilling trip through Pumpkin Hollow They went into the scary forest where the bent trees cast strange shadows and ghostly animals hid in the dark The woods seemed full of magic and secrets that were just ready to be found out They found the famous Whispering Willow a tree that people say makes dreams come true on Halloween night Tommy told the tree his most sincere Halloween wish and the tree gave him lots of sweets and treats in return That night they had more adventures like when they found a secret cave full of sparkling crystals met a friendly black cat who led them through pumpkin patches and danced with the spirits Tommy was sad when the clock struck midnight which meant Halloween was over because he knew it was the end of his time as a real ghost With tears in his eyes he went back to his grandparents' attic where the miraculous outfit was carefully kept Tommy was sure it would be there for him the next time he went out for Halloween In the years that followed people loved to tell stories about what Tommy did on Halloween in Pumpkin Hollow He kept wearing the magical shirt which

had become a sign of his connection to the magical world of the town Tommy became known as the Pumpkin Hollow Halloween legend and kids came from all over to hear his stories This kept the magic alive Every year the costume gave him another night of wonder and reminded everyone that Halloween was a time when the world was full of secrets for those with open minds and a spirit of adventure As the years went by Tommy was still a respected figure in Pumpkin Hollow He was a living legend who embodied the spirit of the holiday The town kept having fun on Halloween and Tommy s stories made new generations think that the holiday could be magical So the story of Tommy the boy who once turned into a real ghost on Halloween night shone as brightly as the lights that lined the streets The magic of Halloween and the spirit of the costume lived on making new generations wonder and come up with new ideas Here s how the story starts Once upon a time a young boy named Tommy lived in the beautiful and quiet town of Pumpkin Hollow which was surrounded by red orange and gold colored hills and forests Pumpkin Hollow was a magical place where each season had its own special charm but the town really came to life during Halloween Pumpkin Hollow seemed to have a special connection to the mysterious and supernatural This connection grew stronger as October got closer making the air full of excitement Tommy was a boy who was always interested and full of wonder His family had lived in Pumpkin Hollow for many generations and ever since he could walk he was interested in the stories about Halloweens past Pumpkin carving events hayrides through the woods at night and the famous Pumpkin Hollow Parade have been around for many years Every year he was excited for October to come because he knew it would bring him new activities and the chance to live in a town that was known for its Halloween parties As September turned into October Pumpkin Hollow changed The cold autumn air smelled like dropping leaves apples and a little pumpkin spice Trees that used to be green now wore red and gold robes and the wind made the leaves rustle like whispers Pumpkins of different sizes each turned into a happy jack o lantern with a burning light inside were left on people s doorsteps But Pumpkin Hollow wasn t just different because it changed on the outside It was the atmosphere the feeling that the air itself was magical Tommy could feel it and he and his friends spent their afternoons looking for buried treasures and secrets in the town s nooks and crannies that seemed just out of reach Tommy s family lived in a nice house that was hidden in an old oak wood on the edge of town His bedroom window looked out on a forest that was right next to Pumpkin Hollow He would often spend hours staring out the window and thinking about what was beyond the tree line It was a beautiful place with fireflies that danced at night and owls that hooted at the moon While looking through his grandparents attic one sunny afternoon Tommy found an old dusty trunk hidden under a pile of lost treasures He carefully opened the trunk and showed off a collection of old outfits with a gleam in his eye There were ragged pirate hats beautiful dresses with lace and silk and superhero capes in bright colors In all the layers of fabric and ideas one outfit stood out a ghostly white dress with silvery lines that seemed to shine in the dim attic light Tommy s heart skipped a beat as he reached out to touch it He liked the way the fabric felt and when he put it on it seemed to fit his small frame exactly When he looked in the broken mirror in the attic

he saw himself as a real ghost He was almost clear and had a wispy ghostly look Tommy was curious and confused so he decided to keep the suit for himself It seemed to invite him into a world full of magic and exciting things to do He didn't know that what he did would lead to the scariest Halloween night of his life The Magic Garment Rebecca Cunningham,1994

Official Gazette Philippines, 2004 *Magic Capes, Amazing Powers* Eric Hoffman, 2018-10-16 For as long as there have been heroes and villains in our books, on our TVs and in our everyday lives, children have been imitating them in their play. Superhero play remains a wonderful developmentally appropriate way for children to explore power, experience adventure and investigate big questions about the world. Yet many adults are troubled by the effects media storylines, stereotypes and violence have on children's superhero play. *Magic Capes, Amazing Powers* takes an in depth look at why children are so strongly attracted to superhero and weapons play. It also examines the concerns felt by families and teachers and suggests practical solutions that take into account the needs of both children and their caregivers. It explores how the use of redirection, storytelling, dramatic play materials, anti bias curriculum and clear limit setting can guide superhero play in a positive direction, one that addresses caregiver concerns and allows children to do what they do best.
