Magic From The Ground:

Earth Power Scott Cunningham,1983 The ways of magic are revealed in nature The secrets are written in meandering streams and drifting clouds whispered by the roaring ocean and cooling breeze echoed through caves and rocks and forests When you draw a heart in the sand call on the four winds for assistance or ask the rain to wash away a bad habit you are practicing earth magic By working in harmony with nature we can transform ourselves our lives and our world This tried and true guide offers more than one hundred spells rites and simple rituals you can perform using the powerful energy of the earth Scott Cunningham was a greatly respected teacher and one of the most influential members of the modern Craft movement A practitioner of elemental magic for twenty years he wrote more than fifty books including the seminal *Wicca A Guide for the Solitary Practitioner* *Magic from the Ground* Margaret Greaves,1990 *Magic from the Ground* Margaret Greaves,1990-01-01 **The Scent of Magic** Cliff McNish,Geoff Taylor,2001 All over the world children are discovering they have magical powers as Rachel did when she was abducted by the Witch Dragwena in *The Doomspell* But the reason is that the evil Witches of the planet Ool are determined to avenge Dragwena s death by manipulating an army of children and fighting the good Wizards Rachel s own powers and the ability of her younger brother Eric to unmake magic are tested to the full in a thrilling story in which she has to confront another child as strong as she is herself Every bit as exciting and inventive as *The Doomspell* Cliff McNish s new book has the same page turning quality that has made it so popular with young readers *Magic Earth* Marilyn Daugherty,2016-09-14 Taylor Jones is the mayor of Animal Forks Colorado in the year 2049 The town was nestled in a beautiful valley between two mountains Living in Animal Forks was a hunters paradise with plenty of game and fishing with lakes and rivers as well as forest with hiking trails But Animal Forks offered so much more than hunting and fishing Generations before Taylor Jones and others came to Animal Forks it was known as Magic Earth Those who lived in the valley experienced powers beyond their belief telepathic communication telekinesis and mind reading were just a few of the gifts that the town folks displayed Those who lived in Magic Earth had found the fountain of youth and had to guard their secret from the rest of the world or their valley would be totally destroyed by others desperate to live forever Taylor and the town council were vigilant in keeping their treasure hidden away in the valley but there were residents who were determined to cash in on the riches contained there When secrets began to trickle from the valley about the supernatural resources available the powers that be were eager to take advantage of the gullible Mayor Jones The most powerful man in the world El Bail sets up a station in Magic Earth determined to find how to obtain the power for himself alone The forest that surrounded Magic Earth held the secret to all the mystery of the beautiful valley but those who found the answers to the incredible gifts of the Forks also risked losing themselves in a time where magic creatures would either enslave them or fight for them The world leader El Bail finds his destiny in the forest of Magic Earth and the world would never be the same Join the people of Magic Earth on their journey to find who is behind the mystery and power of the world
