Bikey the Skicycle John Kendrick Bangs,1902 Jimmieboy s father had bought him a bicycle and inasmuch as it was provided with a bag of tools and a nickel plated bell the small youth was very much pleased with the gift It s got rheumatic tires too he said when describing it to one of his little friends What s that asked the boy Big pieces of hose pipe said Jimmieboy They run all around the outside of the wheel and when you fill em up with wind and screw em up tight so s the wind can t get out papa says you can go over anything easy as a bird I s pose said the little friend it s sort of like sailing maybe The wind keeps blowing inside o those pipes and that makes

the wheels go round I guess that's it returned Jimmieboy But I don't see why they call em rheumatic said the other boy Nor I don't either said Jimmieboy unless it's because they move a little stiff at first It was not long however before Jimmieboy discovered that his father had made a mistake when he said that the pneumatic tire would enable a bicycle to ride over anything for about a week later Jimmieboy tried to ride over the shaft of a lawn mower with his wheel with disastrous results The boy took a header and while he himself was not hurt beyond a scratch or two and a slight shaking up which took away his appetite the wonderful rubber tire was badly battered What was worse the experience made Jimmieboy a little afraid of his new possession and for some time it lay neglected

Transgressive Itineraries Marc Maufort, 2003 The fast growing body of postcolonial drama is progressively gaining its just recognition in the twentieth century canon of English language plays From the vantage point of various samplings along the Trans Pacific axis linking English Canada Australia and New Zealand this monograph seeks to document the significance of this emerging postcolonial theater More specifically it examines the myriad ways in which over the last two decades representative mainstream ethnic and First Nations playwrights have dramatized Europe's Other in its multiple guises In their efforts to match new content with innovative form these artists have followed transgressive itineraries redrawing the boundaries of conventional Western stage realism Their new aesthetics often

The present study offers detailed analyses of the modes of hybridization through which Judith Thompson, Louis Nowra, Tomson Highway, Jack Davis, Hone Kouka, and other prominent writers have articulated subtle forms of psychic grotesque and mythic magic realism. Their legacy will undoubtedly affect the postcolonial dramaturgies of the twenty-first century.
