The Crying Tree and the Magic Rock John Russell, 2024-10-15 My fourth book The Crying Tree and the Magic Rock is a collection of mind blowing true tales of the supernatural My new book examines not just newer experiences but it revisits some of the incredible events that I wrote about in my first two books Riding with Ghosts Angels and the Spirits of the Dead and A Knock in the Attic with relevant updates to those narratives such as the night that my precious and beloved deceased cat Gizmo came back in the flesh to visit me yet once again proving that there is a powerful spiritual continuum in our lives that endures and provides additional truths and reassurances that our souls live on I write about never before told occurrences such as the time when my psychic powers fried a bus the hair raising supernatural event that happened to me when I was just a boy running my paper route on my bicycle in the dark the magic rocks I ve found over the years that changed in apparent weight and size and appearance strange teleportations of objects from one sealed box to another after we had moved an incredible story of the Devil himself dancing with several women in a West Texas nightclub during Cinco de Mayo guidance from the Other Side that enabled me to save the life of a young child and the bizarre story of a snake that saved me and my buddies from a beatdown Sometimes my paranormal experiences are teaching moments that are subtle memorable and occasionally heartrending including life lessons that I ve learned while observing nature animals and people In some of my essays written in a style reminiscent of Robert Fulghum you ll discover the spiritual lessons I learned from watching ducks in the river a moth stuck in dewy grass and a sacred moment I experienced with of all things a taco And then there s those pesky UFOs Read about my own up close and personal encounters with these strange craft and my subsequent observations that have led me to draw distinct conclusions about their behaviors That s just a smattering of the amazing true tales you ll enjoy reading in my newest book The Crying Tree and the Magic Rock The Pearl and the Pumpkin Paul Clarendon West, 1904 Halloween adventures in the pumpkin patch Shadow Magic Jaida Jones, Danielle Bennett, 2010-04-27 Led to victory by its magic fueled Dragon Corps Volstov has sent a delegation to its conquered neighbors to work out the long awaited terms of peace Among those in the party are the decorated war hero General Alcibiades and the formerly exiled magician Caius Greylace But even this mismatched pair can t help but notice that their defeated enemies aren t being very cooperative The hidden truth is that the new emperor is harboring a treacherous secret and once it is revealed Alcibiades and Caius may be powerless to stop it With their only ally an exiled prince now fleeing his brother s assassins the countryside rife with terror and Alcibiades and Caius all but prisoners it will take the most powerful kind of magic to heal the rift between two strife worn lands and unite two peoples against a common enemy shadow magic **Petty Magic** Camille DeAngelis, 2014-09-30 Evelyn Harbinger is a heck of a lot older than she looks At 149 years of age Eve can
