But the biggest change comes when Jez and Jay turn eleven, and their uncle Doc tells them he's going to train them in rootwork. Jez and Jay have always been fascinated by the African American folk magic that has been the legacy of their family for generations, especially the curious potions and powders Doc and Gran would make for the people on their island. Because when evil, both natural and supernatural, comes to show itself in town, it's going to take every bit of the magic she has inside her to see her through.
