

AUTUMN

A beautiful season, the autumn is full of rich golden colours. The air becomes crisper and cooler as we transition toward winter. It is a time of change, in nature and in our lives as we return from summer holidays, ready for the fun autumn months ahead.

Back to School!

In most countries, the new school year starts in the autumn. It's time for a brand-new pencil case full of goodies and squeaky new shoes. Are you ready to see old friends and make new ones?

Harvest Time!

Lots of yummy ripened crops are ready to be picked. Sweet apples, bright pumpkins, and corn on the cob. Yum! Pumpkin pie and toffee apples, anyone?

WINTER

The coldest and darkest season of the year. The days are shorter and the nights longer. Lots of animals have gone to sleep or migrated to warmer places, the trees are bare, and the bees are snoozing. Time to snuggle up under a blanket with a good book... just like this one!

Snow Way!

The biggest snowman EVER was built in Austria. His name was "Riesi," meaning giant and he was 37 m (122 ft) tall – nearly as tall as the Statue of Liberty in New York City!

Flake-tastic

In 1887, soldiers in Montana saw a huge snowflake fall from the sky. It measured 38 x 20 cm (15 x 8 in) – that's bigger than a dinner plate!
