The Origins of Television News in America Mike Conway, 2009 This is the first in depth look at the development of the television newscast the most popular source of news for over forty five years During the 1940s most journalists ignored or dismissed television leaving the challenge to a small group of people working above New York City's Grand Central Terminal Without the pressures of ratings sponsors company oversight or many viewers the group refused to recreate newspapers radio or newsreels on the new medium They experimented argued tested and eventually settled on a format to exploit television's strengths This book documents that process challenging common myths including the importance of a popular anchor and television's inability to communicate non visual stories and crediting those whose work was critical in the formation of television as a news format and illustrating the pressures and professional roadblocks facing those who dare question journalistic traditions of any era Publisher

One Night on TV Is Worth Weeks at the Paramount Murray Forman, 2012-07-04 Musical performance has been a part of television since the introduction of the medium The styles and production requirements of music and of television have long influenced the other Murray Forman gives the history of this interaction going back to the early years of television before the broadcast networks up through the late fifties He explores the full range of popular music from show tunes to Latin in a wide variety of television programs and shows how the standards of presentation and performance developed

Television Program Master Index Charles V. Dintrone, 2014-02-01 This work indexes books dissertations and journal articles that mention television shows Memoirs autobiographies biographies and some popular works meant for fans are also indexed The major focus is on service to researchers in the history of television Listings are keyed to an annotated bibliography Appendices include a list of websites an index of groups or classes of people on television and a list of programs by genre Changes from the second edition include more than 300 new shows airing on a wider variety of networks 2000 plus references more than double the second edition and a large increase in scholarly articles The book provides access to materials on almost 2300 shows including

groundbreaking ones like All in the Family almost 200 entries cult favorites like Buffy The Vampire Slayer 200 plus entries and a classic franchise Star Trek more than 400 entries for all the shows The shows covered range from the late 1940s to 2010 The Walking Dead References range from 1956 to 2013 **The Third Coast** Thomas L. Dyja, 2014-03-25 Winner of the Chicago Tribune's 2013 Heartland Prize A critically acclaimed history of Chicago at mid century featuring many of the incredible personalities that shaped American culture Before air travel overtook trains nearly every coast to coast journey included a stop in Chicago and this flow of people and commodities made it the crucible for American culture and innovation In luminous prose Chicago native Thomas Dyja re creates the story of the city in its postwar prime and explains its profound impact on modern America from Chess Records to Playboy McDonald's to the University of Chicago Populated with an incredible cast of characters including Mahalia Jackson Muddy Waters Howlin' Wolf Chuck Berry Sun Ra Simone de Beauvoir Nelson Algren Gwendolyn Brooks Studs Turkel and Mayor Richard J Daley The Third Coast recalls the prominence of the Windy City in all its grandeur Shaping the American Interior Paula Lupkin, Penny Sparke, 2018-05-11 Bringing together 12 original essays Shaping the American Interior maps out for the first time the development and definition of the field of interiors in the United States in the period from 1870 until 1960 Its interdisciplinary approach encompasses a broad range of people contexts and practices revealing the design of the interior as a collaborative modern enterprise comprising art design manufacture commerce and identity construction Rooted in the expansion of mass production and consumption in the last years of the nineteenth century new and diverse structures came to define the field and provide formal and informal contexts for design work Intertwined with but distinct from architecture and merchandising interiors encompassed a diffuse range of individuals institutions and organizations engaged in the definition of identity the development of expertise and the promotion of consumption This volume investigates the fluid pre history of the American profession of interior design charting attempts to commoditize taste shape modern conceptions of gender and professionalism define expertise and authority through principles and standards marry art with industry and commerce and shape mass culture in the United States *The Joy of Sets* Chris Horrocks, 2017-12-22 It is a modern activity one of the primary ways we consume information and entertainment something we'll do over dinner at a bar or even standing on the street peering into a store window watch TV Many of us spend countless hours in front of the tube and even those of us who have proudly eliminated it from our lives can probably still rattle off the names of today's most popular shows But for as crucial as television viewing is in modern culture the television set itself as a ubiquitous object in our environment rarely captures our attention turn one off and it seems to all but disappear In this book Chris Horrocks tells the story of the television set exploring its contradictory presence in our lives as both a material object and a conveyor of illusory images Horrocks begins in the nineteenth century and television's prehistory as a fantastic futuristic concept He follows the television's journey from its strange roots in spiritualism imperialism and Victorian experiments in electro magnetism to the contested accounts of its actual invention

looking at the work of engineering pioneers such as Philo Farnsworth and John Logie Baird Unboxing sets all across the world he details how it arrived as an essential consumer product and began to play an extraordinary role as a bridge between public and private life Horrocks describes how the console and cabinet themselves expressed status and good taste and how their designs drew on cultural phenomena such as the space race and the avant garde He discusses how we have both loved it for what it can provide and reviled it as a sinister object literally controlling our thoughts and he shows how it has figured in other cultural realms such as the work of artists like Wolf Vostell and Nam June Paik Finally Horrock laments the death of the cathode ray tube and the emergence of the flat screen which has reduced the presence of the television as a significant material object Altogether The Joy of Sets brings this most elusive object into crystal clear critical and historical focus

1947 Richard A. Leiby, 2025-01-27 World War II ended in 1945 but its effects were still being felt long after the surrender of Nazi Germany and Imperial Japan Shortages in food energy and industrial production continued to plague much of the world especially Europe where strained economies teetered on the verge of collapse As millions of war weary people across the globe struggled to build a better future the decisions made in 1947 proved crucial in ending the wartime milieu and ushering in a new and more stable age This book explores a wide variety of topics ranging from U S politics and international relations to big band jazz music race relations in sports and television technology to tell the story of a world in transition While focusing on the experiences of less well known individuals who are often excluded from histories of the period the author combines information from interviews with archival and secondary sources to explain why 1947 was a pivotal year in the emergence of the contemporary world

Uncle Cheryl Thompson, 2021-03-02 From martyr to insult how Uncle Tom has influenced two centuries of racial politics Jackie Robinson President Barack Obama Supreme Court Justice Clarence Thomas O J Simpson and Christopher Darden have all been accused of being an Uncle Tom during their careers How why and with what consequences for our society did Uncle Tom morph first into a servile old man and then to a racial epithet hurled at African American men deemed by other Black people to have betrayed their race Uncle Tom the eponymous figure in Harriet Beecher Stowe s sentimental anti slavery novel Uncle Tom s Cabin was a loyal Christian who died a martyr s death But soon after the best selling novel appeared theatre troupes across North America and Europe transformed Stowe s story into minstrel shows featuring white men in blackface In *Uncle* Cheryl Thompson traces Tom s

journey from literary character to racial trope She explores how Uncle Tom came to be and exposes the relentless reworking of Uncle Tom into a nostalgic racial metaphor with the power to shape how we see Black men a distortion visible in everything from Uncle Ben and Rastus The Cream of Wheat chef to Shirley Temple and Bill Bojangles Robinson to Bill Cosby In Donald Trump's post truth America where nostalgia is used as a political tool to rewrite history Uncle makes the case for why understanding the production of racial stereotypes matters more than ever before Probing Popular Culture on and Off the Internet Marshall William Fishwick, 2004 In Probing Popular Culture On and Off the Internet one of the leading authorities in American and popular culture studies presents an eye opening examination of the Information Age's influence on what we do how we live and who we are Dr Marshall Fishwick author of the textbooks Great Awakenings Popular Religion and Popular Culture Popular Culture Cavespace to Cyberspace and Popular Culture in a New Age focuses his penetrating gaze upon the impact of the cultural icons and events that color the fabric of our lives He examines the most recent developments crises and anxieties encountered in our headlong dash down the Information Superhighway and illustrates the reasons behind the media madness Peppered with quotes from influential figures ranging from Plato to P T Barnum this book provides food for thought that will spark smart discussion about every aspect of popular culture from Henry Ford to Y2K the impact on popular culture of the September 11 tragedy and more **The Spectacle of Isolation in Horror Films** Carl Royer, B Lee Cooper, 2013-02-01 Go behind the scenes with an insightful look at horror films and the directors who create them The Spectacle of Isolation in Horror Films Dark Parades examines the work of several of the genre's most influential directors and investigates how traditional themes of isolation alienation death and transformation have helped build the foundation of horror cinema Authors Carl and Diana Royer examine the techniques used by Alfred Hitchcock that place his work squarely in the horror rather than suspense genre discuss avant garde cinema's contributions to mainstream horror explore films that use the apartment setting as the cell of horror and analyze how angels and aliens function as the supernatural Other A unique resource for film students and film buffs alike the book also examines Sam Raimi's Evil Dead trilogy and the fusion of science technology and quasi religious themes in David Cronenberg's films Instead of presenting a general overview of the horror genre or an analysis of a specific sub genre actor or director The Spectacle of Isolation in Horror Films offers an imaginative look at classic and contemporary horror cinema The book examines Surrealist films such as Un Chien Andalou and Freaks the connections among the concepts of voyeurism paranoia and alienation in films like Rear Window Rosemary's Baby Blue Velvet and The Blair Witch Project the use of otherworldly creatures in films such as The Prophecy Dogma and The Day The Earth Stood Still and the films of directors George Romero John Waters and Darren Aronofsky to name just a few This unique book also includes an extensive A to Z filmography and a bibliography of writings on and about horror cinema from filmmakers film critics and film historians The Spectacle of Isolation in Horror Films examines Body Doubles and Severed Handsthe common ancestry of avant garde art films and exploitation horror B movies

Visualizing Nuclear Power in Japan Morris

Low, 2020-05-28 This book explores how Japanese views of nuclear power were influenced not only by Hiroshima and Nagasaki but by government business and media efforts to actively promote how it was a safe and integral part of Japan's future The idea of atoms for peace and the importance of US Japan relations were emphasized in exhibitions and in films Despite the emergence of an anti nuclear movement the dream of civilian nuclear power and the good atom nevertheless prevailed and became more accepted By the late 1950s a school trip to see a reactor was becoming a reality for young Japanese and major events such as the 1964 Tokyo Olympics and 1970 Osaka Expo seemed to reinforce the narrative that the Japanese people were destined for a future led by science and technology that was powered by the atom a dream that was left in disarray after the Fukushima nuclear disaster in 2011

Richard Halliburton and the Voyage of the Sea Dragon

Gerald Max, 2023-08-18 Richard Halliburton 1900-1939 considered the world's first celebrity travel writer swam the length of the Panama Canal recreated Ulysses' voyages in the Mediterranean crossed the Alps on an elephant flew around the world in a biplane and descended into the Mayan Well of Death all the while chronicling his own adventures Several books treat his life and travels yet no book has addressed in detail Halliburton's most ambitious expedition an attempt to sail across the Pacific Ocean in a Chinese junk Set against the backdrop of a China devastated by invading Japanese armies and the storm clouds of world war gathering in Europe Halliburton and a crew of fourteen set out to build and sail the Sea Dragon a junk or ancient sailing ship from Hong Kong to San Francisco for the Golden Gate International Exposition After battling through crew conflicts and frequent delays the Sea Dragon set sail on March 4, 1939 Three weeks after embarking the ship encountered a typhoon and disappeared without a trace Richly enhanced with historic photographs Richard Halliburton and the Voyage of the Sea Dragon follows the dramatic arc of this ill-fated expedition in fine detail Gerry Max artfully unpacks the tensions between Halliburton and his captain John Wenlock Welch owing much to Welch's homophobia and Halliburton's unconcealed homosexuality And while Max naturally explores the trials and tribulations of preparing constructing and finally launching the Sea Dragon he also punctuates the story with the invasion of China by the Japanese as Halliburton and his letters home reveal an excellent wartime reporter Max mines these documents many of which have only recently come to light as well as additional letters from Halliburton and his crew to family and friends photographs films and tape recordings to paint an intricate portrait of Halliburton's final expedition from inception to tragic end

The Media's Role in Defining

the Nation David A. Copeland, David Copeland, 2010 In 1897 William Randolph Hearst said that his newspaper did not simply

cover events that had already happened It doesn't wait for things to turn up Hearst said It turns them up This book traces the close relationship between media and the United States development from the colonial period to the twenty first century It explores how the active voice of citizen journalists and trained media professionals has turned to media to direct the moral compass of the people and to set the agenda for a nation and discusses how changes in technology have altered the way in which participatory journalism is practiced What makes the book powerful is that its assessment of the influence and use of media encompasses many levels it explores the potential of media as an agent for change from within small communities to the national stage

Standing Up, Speaking Out Matthew R. Meier, Casey R. Schmitt, 2016-10-14 In recent decades some of the most celebrated and culturally influential American oratorical performances have come not from political leaders or religious visionaries but from stand up comics Even though comedy and satire have been addressed by rhetorical scholarship in recent decades little attention has been paid to stand up This collection is an attempt to further cultivate the growing conversation about stand up comedy from the perspective of the rhetorical tradition It brings together literatures from rhetorical cultural and humor studies to provide a unique exploration of stand up comedy that both argues on behalf of the form's capacity for social change and attempts to draw attention to a series of otherwise unrecognized rhetors who have made significant contributions to public culture through comedy
