Kuang, 2018-05-01 One of Time Magazine's 100 Best Fantasy Books of All Time I have no doubt this will end up being the best fantasy debut of the year I have absolutely no doubt that Kuang's name will be up there with the likes of Robin Hobb and N K Jemisin Booknest From 1 New York Times bestselling author of Babel and Yellowface the brilliantly imaginative debut of R F Kuang an epic historical military fantasy inspired by the bloody history of China's twentieth century and filled with treachery and magic in the tradition of Ken Liu's Grace of Kings and N K Jemisin's Inheritance Trilogy When Rin aced the Keju the Empire wide test to find the most talented youth to learn at the Academies it was a shock to everyone to the test officials who couldn't believe a war orphan from Rooster Province could pass without cheating to Rin's guardians who believed they'd finally be able to marry her off and further their criminal enterprise and to Rin herself who realized she was finally free of the servitude and despair that had made up her daily existence That she got into Sinegard the most elite military school in Nikan was even more surprising But surprises aren't always good Because being a dark skinned peasant girl from the south is not an easy thing at Sinegard Targeted from the outset by rival classmates for her color poverty and gender Rin discovers she possesses a lethal unearthly power an aptitude for the nearly mythical art of shamanism Exploring the depths of her gift with the help of a seemingly insane teacher and psychoactive substances Rin learns that gods long thought dead are very much alive and that mastering control over those powers could mean more than just surviving school For while the Nikara Empire is at peace the Federation of Mugen still lurks across a narrow sea The militarily advanced Federation occupied Nikan for decades after the First Poppy War and only barely lost the continent in the Second And while most of the people are complacent to go about their lives a few are aware that a Third Poppy War is just a spark away Rin's shamanic powers may be the only way to save her people But as she finds out more about the god that has chosen her the vengeful Phoenix she fears that winning the war may cost her humanity and that it may already be too late **The Mindful Path through Shyness** Steve Flowers, 2009-11-01 Shyness often helps protect us from the judgments and resentments of others but once you get in the habit of avoiding social situations you can become stuck in a cycle of avoidance that can be difficult to escape Ready to let go of shyness and make stronger connections with others The Mindful Path Through Shyness shows you how This guide uses techniques from mindfulness based stress reduction and cognitive behavioral therapy to help you cultivate awareness of your own thoughts so that you can act with more wisdom and compassion toward yourself Over time you will be able to free yourself of the old mental habits of self consciousness and self blame and replace them with new habits that foster confidence and joy A heartfelt and practical guide
