Life with God Richard J. Foster,2010-05-04 Too often our study of the Bible focuses on searching for specific information or some formula that will solve our pressing needs of the moment But what if we approached the Bible differently and instead of transforming the text to meet our needs allowed it to transform us That s exactly the idea behind *Life with God* Richard J Foster s much anticipated book on the Bible Foster bestselling author of *Celebration of Discipline* and general editor of *The Renovar Spiritual Formation Bible* claims that God has superintended the writing of Scripture so that it serves as the most reliable guide for Christian spiritual formation According to Foster the Bible is all about human life with God As we read Scripture we should consider how exactly God is with us in each story and allow ourselves to be spiritually transformed By opening our whole selves mind body spirit thoughts behavior and will to the page before us we begin to grasp all the Bible has to teach about prayer obedience compassion virtue and grace and apply it to our everyday lives to achieve a deeper relationship with God With a wealth of examples and simple yet crucial insights *Life with God* is an indispensable guide to
