TIMES BESTSELLER From the author of Uprooted and Spinning Silver comes the first book of the Scholomance trilogy the story of an unwilling dark sorceress who is destined to rewrite the rules of magic FINALIST FOR THE LODESTAR AWARD

The dark school of magic I've been waiting for Katherine Arden author of the Winternight Trilogy I decided that Orion Lake needed to die after the second time he saved my life Everyone loves Orion Lake Everyone else that is Far as I'm concerned he can keep his flashy combat magic to himself I'm not joining his pack of adoring fans I don't need help surviving the Scholomance even if they do Forget the hordes of monsters and cursed artifacts I'm probably the most dangerous thing in the place Just give me a chance and I'll level mountains and kill untold millions make myself the dark queen of the world At least that's what the world expects Most of the other students in here would be delighted if Orion killed me like one more evil thing that's crawled out of the drains Sometimes I think they want me to turn into the evil witch they assume I am The school certainly does But the Scholomance isn't getting what it wants from me And neither is Orion Lake I may not be anyone's idea of the shining hero but I'm going to make it out of this place alive and I'm not going to slaughter thousands to do it either Although I'm giving serious consideration to just one

With flawless mastery Naomi Novik creates a school bursting with magic like you've never seen before and a heroine for the ages a character so sharply realized and so richly nuanced that she will live on in hearts and minds for generations to come The magic of the Scholomance trilogy continues in The Last Graduate and The Golden Enclaves The can't miss fantasy of fall 2020 a brutal coming of power story steeped in the aesthetics of dark academia A Deadly Education will cement Naomi Novik's place as one of the greatest and most versatile fantasy writers of our time BookPage starred review A must read Novik puts a refreshingly dark adult spin on the magical boarding school Readers will delight in the push and pull of El and Orion's relationship the fantastically detailed world the clever magic system and the matter of fact diversity of the student body Publishers Weekly starred review
