**Postfeminist Film Literary Aesthetics** In Search of the Female Gaze represents a novel and comprehensive study of the aesthetic and affective textual innovations of women in the 21st century from a postfeminist perspective This book both defines and helps shape the contours of four fast growing critically and commercially popular modes millennial film and fiction metamodernism an anti narrative and decorative realm named here as still life and new cli fi in which there is no clear male equivalent or in which women s work can be read as a distinct aesthetic force As the textual constellation of now is being mapped and its key texts being canonised this book contributes to the current recentring of aesthetic taste that is occurring in literature film and surrounding criticism making greater space for the appreciation of female aesthetics and for future inquiries in this field      Legacy of Ash Matthew Ward, 2019-11-05

Legacy of Ash is an unmissable fantasy debut an epic tale of intrigue and revolution soldiers and assassins ancient magic and the eternal clash of empires A shadow has fallen over the Tressian Republic Ruling families once protectors of justice and democracy now plot against one another with sharp words and sharper knives Blinded by ambition they remain heedless of the threat posed by the invading armies of the Hadari Empire Yet as Tressia falls heroes rise Viktor Akadra is the Republic s champion A warrior without equal he hides a secret that would see him burned as a heretic Josiri Trelan is Viktor s sworn enemy A political prisoner he dreams of reigniting his mother s failed rebellion And yet Calenne Trelan Josiri s sister seeks only to break free of their tarnished legacy to escape the expectation and prejudice that haunts the family name As war spreads across the Republic these three must set aside their differences in order to save their home Yet decades of bad blood are not easily set aside And victory if it comes at all will demand a darker price than any of them could have imagined
