Vodou Love Magic Kenaz Filan, 2009-01-26 A working guide on how to find love and sexual fulfillment by working with the lwa the spirits of Haitian Vodou The first book on wanga love magic by an actual Vodou initiate Provides spells and spirit work for many different problems associated with affairs of the heart Spells included are detailed and easy to follow Haitian Vodou like other folk traditions is an eminently practical craft Vodou practitioners see their relationship with the lwa the spirits honored in Haitian Vodou as mutually beneficial rather than one sided In return for sincere offerings the lwa are

happy to provide protection and support in dealing with life's problems which more often than not concern love. In Vodou Love Magic Kenaz Filan details the myriad aspects of love and sex governed by the different lwa and explains what services each can provide in attaining fulfilling relationships and who will likely offer the best wisdom for your needs. If you are having trouble meeting people, Legba's Opening the Door spell can resolve this difficulty. If you wish more fire in a relationship, then you should work with the warrior spirit Papa Ogou. Filan presents easy-to-follow instructions for numerous love spells and also reveals how the lwa offer counsel for dealing with ending relationships, toxic behavior patterns like codependency or romantic triangles. Vodou Love Magic does not provide a magic genie who will fulfill every wish, but it does offer access to a team of spirits who can help transform dreams into realities. **The Magic Touch** Gila Manolson, 2005. In this frank eye-opening book, an experienced teacher from the Discovery Seminar offers the Jewish perspective on the subject of touching.

The Magical Path Marc Allen, 2012. At the start of his career, Marc Allen never took a business course; he simply made what he calls a sloppy, disorganized, lazy, and intuitive search through the books of Western magic. There he found the tools that took him from being a poverty case to a multimillionaire and helped him create one of the most successful independent publishers in the country. In *The Magical Path*, he presents these tools effectively, easy to apply, practices including affirmation, visualization, and guided meditation that can change the course of readers' lives in miraculous ways as they did his. Because these tools are so simple and powerful, Allen calls them magic. But far from esoteric, they are tools anyone can use to achieve their dreams and goals. **Witch, Please** Victoria Maxwell, 2022-03-01. The Cult of Tara Stephan Beyer,2023-11-15 The real history of man is the history of religion The truth of the famous dictum of Max Muller the father of the History of Religions is nowhere so obvious as in Tibet Western students have observed that religion and magic pervade not only the forms of Tibetan art politics and society but also every detail of

ordinary human existence And what is the all pervading religion of Tibet The Buddhism of that country has been described to us of course but that does not mean the question has been answered The unique importance of Stephan Beyer s work is that it presents the vital material ignored or slighted by others the living ritual of Tibetan Buddhists The reader is made a witness to cultic proceedings through which the author guides him carefully He does not force one to accept easy explanations nor does he direct one s attention only to aspects that can be counted on to please He leads one step by step without omitting anything through entire rituals and interprets whenever necessary without being unduly obtrusive Oftentimes as in the case of the many hymns to the goddess Tara the superb translations speak directly to the reader and it is indeed as if the reader himself were present at the ritual The real history of man is the history of religion The truth of the famous dictum of Max Muller the father of the History of Religions is nowhere so obvious as in Tibet Western students have observed that religion and magic pervade not only the form
