Magician of the Modern Eugene R. Gaddis, 2011-11-09 The story of Chick Austin is the story in Virgil Thomson's words of a whole cultural movement in one man Becoming director of Hartford's Wadsworth Atheneum at the age of twenty six Austin immediately set about to introduce modern art to America and to transform this conservative insurance capital into a cultural mecca that would become the talk of the art world during the yeasty years between the two world wars The first in the United States to mount a major Picasso retrospective Austin was soon acquiring works by Dal Mondrian Mir Balthus Max Ernst and Alexander Calder In the museum's new theater which he designed he staged the premiere of the revolutionary Gertrude Stein and Virgil Thomson opera *Four Saints in Three Acts* with an all black cast At Lincoln Kirstein's instigation he brought Balanchine to America And he embraced all the new art forms making film photography architecture and contemporary music part of the life of his museum For his own family he built a Palladian villa now a recently restored national historic landmark filling it with the baroque and the Bauhaus and inviting all the locals in to see how it felt to be modern Austin's instinct for quality proved infallible Whether acquiring a matchless Caravaggio or a startling Dal he balanced the old masters with the modern Mounting provocative shows that linked the past to the present he created dramatic installations and he threw himself into everything hanging fabrics creating backdrops stitching up costumes He loved to teach to paint to act to give lavish costume balls and to dazzle audiences of all ages with his performances as a magician the Great Osram Brilliant at using his magician's sleight of hand he could manipulate his conservative trustees to get what he wanted but only up to a point One more purchase of an incomprehensible abstract canvas one outrageous party too many one more shocking theatrical role eventually led to a crisis Never one to be idle for long Austin left Hartford and took on a new challenge to make an artistic triumph of the pink and white palace in Sarasota Florida known as the John and Mable Ringling Museum of Art which housed the circus king's moldering but magnificent collection Here is the colorful life of Chick Austin and as we relish his audacious career the risks he took the successes he enjoyed along with the inevitable setbacks we understand what a far reaching influence he had on the way Americans look at and think about art Not only a brilliant portrait of an extraordinary man this wonderfully American story gives us a fascinating behind the scenes glimpse into the art world as it was then and in many ways still is today

*The Making of Modern Art* Michael Peppiatt, 2020-05-05 A new collection of key texts from a leading critic of modern art The critic Michael Peppiatt has been described by *Art Newspaper* as the best art writer of his generation For more than 50 years he has written trenchant and lively dispatches from the center of the international art world In this new volume of key works Peppiatt gives his unique insight into the making collection display and interpretation of modern art Covering the whole spectrum of modern art from pioneers such as Gustav Klimt and Chaim Soutine to collectors and dealers who played a pivotal role in the modern art world to artists such as Francis Bacon Bill Jacklin and Frank Auerbach with whom he had close relationships Peppiatt interweaves personal anecdote

with critical judgment Each text is accompanied by a new short introduction written in Peppiatt's signature vivid and jargon free style in which he contextualizes his writings and reflects on significant moments in a lifetime of artistic engagement This volume will provide readers with an exhilarating tour of 20th century art      **Visual Shock** Michael Kammen, 2009-04-22 In this lively narrative award winning author Michael Kammen presents a fascinating analysis of cutting edge art and artists and their unique ability to both delight and provoke us He illuminates America's obsession with public memorials and the changing role of art and museums in our society From Thomas Eakins's 1875 masterpiece The Gross Clinic considered too big bold and gory when first exhibited to the bitter disputes about Maya Lin's Vietnam War Memorial this is an eye opening account of American art and the battles and controversies that it has ignited      **Partners in Design** David A. Hanks, 2015-10-27 The 1920s and 1930s saw the birth of modernism in the United States a new aesthetic based on the principles of the Bauhaus in Germany its merging of architecture with fine and applied arts and rational functional design devoid of ornament and without reference to historical styles Alfred H Barr Jr the then 27 year old founding director of the Museum of Modern Art and 23 year old Philip Johnson director of its architecture department were the visionary young proponents of the modern approach Shortly after meeting at Wellesley College where Barr taught art history and as Johnson finished his studies in philosophy at Harvard they set out on a path that would transform the museum world and change the course of design in America The Museum of Modern Art opened just over a week after the stock market crash of 1929 In the depths of the Depression using as their laboratories both MoMA and their own apartments in New York City Barr and Johnson experimented with new ideas in museum ideology extending the scope beyond painting and sculpture to include architecture photography graphic design furniture industrial design and film with exhibitions of ordinary machine made objects including ball bearings and kitchenware elevated to art by their elegant design and with installations in dramatically lit galleries with smooth white walls Partners in Design which accompanies an exhibition opening at the Montreal Museum of Fine Arts in April 2016 chronicles their collaboration placing it in the larger context of the avant garde in New York 1930s salons where they mingled with Julien Levy the gallerist who brought Surrealism to the United States and Lincoln Kirstein co founder of the New York City Ballet their work to help Bauhaus artists like Josef and Anni Albers escape Nazi Germany and the dissemination of their ideas across the United States through MoMA's traveling exhibition program Plentifully illustrated with icons of modernist design MoMA installation views and previously unpublished images of the Barr and Johnson apartments domestic laboratories for modernism and in Johnson's case designed and furnished by Ludwig Mies van der Rohe this fascinating study sheds new light on the introduction and success in North America of a new kind of modernism thanks to the combined efforts of two uniquely discerning and influential individuals      *Balanchine and Kirstein's American Enterprise* James Steichen, 2019 Challenging the mythologies surrounding the early years of the Balanchine Kirstein enterprise this book weaves a new and definitive account of a crucial period in dance history      Tremaine Houses Volker M.

Welter,2019-11-19 This volume analyzes the extraordinary patronage of modern architecture that the Tremaine family sustained for nearly four decades in the mid twentieth century From the late 1930s to the early 1970s two brothers Burton G Tremaine and Warren D Tremaine and their respective wives Emily Hall Tremaine and Katharine Williams Tremaine commissioned approximately thirty architecture and design projects Richard Neutra and Oscar Niemeyer designed the best known Tremaine houses Philip Johnson and Frank Lloyd Wright also created designs and buildings for the family that achieved iconic status in the modern movement Focusing on the Tremaines houses and other projects such as a visitor center at the meteor crater in Arizona this volume explores the Tremaines architectural patronage in terms of the family s motivations and values exposing patterns in what may appear as an eclectic collection of modern architecture Architectural historian Volker M Welter argues that the Tremaines patronage was not driven by any single factor rather it stemmed from a network of motives comprising the clients practical requirements their private and public lives and their ideas about architecture and art

**Martha Hill and the Making of American Dance** Janet Mansfield Soares,2009-07-21 A lively and intimate portrait of an unsung heroine in American dance Martha Hill 1900 1995 was one of the most influential figures of twentieth century American dance Her vision and leadership helped to establish dance as a serious area of study at the university level and solidify its position as a legitimate art form Setting Hill s story in the context of American postwar culture and women s changing status this riveting biography shows us how Hill led her colleagues in the development of American contemporary dance from the Kellogg School of Physical Education to Bennington College and the American Dance Festival to the Juilliard School at Lincoln Center She created pivotal opportunities for Martha Graham Doris Humphrey Charles Weidman Hanya Holm Jos Lim n Merce Cunningham and many others The book provides an intimate look at the struggles and achievements of a woman dedicated to taking dance out of the college gymnasium and into the theatre drawing on primary sources that were previously unavailable It is lavishly illustrated with period photographs Picasso's War Hugh

Eakin,2023-09-26 A riveting story of how dueling ambitions and the power of prodigy made America the cultural center of the world and Picasso the most famous artist alive in the shadow of World War II Eakin has mastered this material The book soars The New York Times Book Review Editors Choice ONE OF THE BEST BOOKS OF THE YEAR Vanity Fair The New York Times Book Review The New Yorker In January 1939 Pablo Picasso was renowned in Europe but disdained by many in the United States One year later Americans across the country were clamoring to see his art How did the controversial leader of the Paris avant garde break through to the heart of American culture The answer begins a generation earlier when a renegade Irish American lawyer named John Quinn set out to build the greatest collection of Picassos in existence His dream of a museum to house them died with him until it was rediscovered by Alfred H Barr Jr a cultural visionary who at the age of twenty seven became the director of New York s new Museum of Modern Art Barr and Quinn s shared goal would be thwarted in the years to come by popular hostility by the Depression by Parisian intrigues and by Picasso himself It would

take Hitler's campaign against Jews and modern art and Barr's fraught alliance with Paul Rosenberg Picasso's persecuted dealer to get Picasso's most important paintings out of Europe Mounted in the shadow of war the groundbreaking exhibition Picasso Forty Years of His Art would launch Picasso in America define MoMA as we know it and shift the focus of the art world from Paris to New York Picasso's War is the never before told story about how a single exhibition a decade in the making irrevocably changed American taste and in doing so saved dozens of the twentieth century's most enduring artworks from the Nazis Through a deft combination of new scholarship and vivid storytelling Hugh Eakin shows how two men and their obsession with Picasso changed the art world forever **Art Museums Plus** Traute M.
