**Humor That Works** Andrew Tarvin, 2019-04 Humor That Works is a business book on humor No that s not an oxymoron It really is a business book and it really is about getting better results by having more fun Because people who use humor in the workplace are more productive less stressed and happier No joke sources included **How to Tell a Joke** Marcus Tullius Cicero, 2021-03-30 Everyone knows that Marcus Tullius Cicero was one of the great statesmen lawyers and effective orators in the history of Rome But did you also know he was regarded as one of the funniest people in Roman society as well Five hundred years after his death in the twilight of antiquity the writer Macrobius ranks him alongside the comic playwright Plautus as the one of the two greatest wits ever In this book classicist Michael Fontaine proposes to translate selections from Cicero s great rhetorical treatise On the Ideal Orator De Oratore That larger work covered the whole of rhetoric and effective public speaking and debate However contained within it is a long section focused on the effective use of humor in public speaking In it Cicero is concerned not just with various kinds of individual jokes but with jokes that are advantageous in social situations He advises readers on how to make the most effective use of wit to win friends audiences and achieve their overall ambitions Cicero wants to teach his readers how to tell a joke without looking like a buffoon and how to prevent or avoid jokes from backfiring Hence he does give scores of examples of jokes some of which are timeless and translate easily others that involve puns in Latin that challenged the translator s creativity But overall this work brings to the fore a little known but important part of Cicero s classic work **The 30 Rock Book** Mike Roe, 2021-11-30 The hilarious true story of the making of the cult classic hit show 30 Rock It s hard to remember a time when Tina Fey wasn t a star but back in the early 2000s she was an SNL writer who was far from a household name It s even harder to remember when Fey s sitcom 30 Rock was tanking but it was it premiered in the fall of 2006 and by November the New York Times wrote that 30 Rock was perilously close to a flop But despite all expectations including those of some of the cast and crew Tina Fey s eccentric buddy comedy lasted 138 episodes spanning seven seasons It resurrected the career of Alec Baldwin survived an extended absence by Tracy Morgan and permeated the culture its breakneck pacing oddball characters and extremely rich joke writing are deeply beloved by millions of fans Through more than fifty original interviews with cast crew critics and more culture writer Mike Roe brings to life the history of the gloriously goofy show that became an all time classic The 30 Rock Book has everything in it from tales of the amazing music still stuck in our heads to the iconic bit characters that make the show to all the love and drama of the backstage crew and the creative failures and successes along the way So grab your night cheese and muffin tops cuddle up with your slanket against your Japanese body pillow and settle in for the story of one of the funniest shows in television history Strange Academy: Bright Side Skottie Young, 2021-10-19 Doctor Strange created by Stan Lee Steve Ditko Born Standing Up Steve Martin, 2007-11-20 The riveting mega bestselling beloved and highly acclaimed memoir of a man a vocation and an era named one of the ten best nonfiction titles of the year by Time and

Entertainment Weekly In the mid seventies Steve Martin exploded onto the comedy scene By 1978 he was the biggest concert draw in the history of stand up In 1981 he quit forever This book is in his own words the story of why I did stand up and why I walked away Emmy and Grammy Award winner author of the acclaimed New York Times bestsellers Shopgirl and The Pleasure of My Company and a regular contributor to The New Yorker Martin has always been a writer His memoir of his years in stand up is candid spectacularly amusing and beautifully written At age ten Martin started his career at Disneyland selling guidebooks in the newly opened theme park In the decade that followed he worked in the Disney magic shop and the Bird Cage Theatre at Knott s Berry Farm performing his first magic comedy act a dozen times a week The story of these years during which he practiced and honed his craft is moving and revelatory The dedication to excellence and innovation is formed at an astonishingly early age and never wavers or wanes Martin illuminates the sacrifice discipline and originality that made him an icon and informs his work to this day To be this good to perform so frequently was isolating and lonely It took Martin decades to reconnect with his parents and sister and he tells that story with great tenderness Martin also paints a portrait of his times the era of free love and protests against the war in Vietnam the heady irreverence of The Smothers Brothers Comedy Hour in the late sixties and the transformative new voice of Saturday Night Live in the seventies

Throughout the text Martin has placed photographs many never seen before Born Standing Up is a superb testament to the sheer tenacity focus and daring of one of the greatest and most iconoclastic comedians of all time **Creativity and**
