Magistrates And Assemblies A Study Of Legislative Practice In:

Magistrates and Assemblies Kaj Sandberg, 2001 Ancient Rome Matthew Dillon, Lynda Garland, 2013-10-28 A companion volume to the highly successful and widely used *Ancient Greece* this Sourcebook is a valuable resource for students at all levels studying ancient Rome Lynda Garland and Matthew Dillon present an extensive range of material from the early Republic to the assassination of Julius Caesar Providing a comprehensive coverage of all important documents pertaining to the Roman Republic Ancient Rome includes source material on political developments in the Roman Republic 509 44 BC detailed chapters on social phenomena such as Roman religion slavery and freedmen women and the family and the public face of Rome clear precise translations of documents taken not only from historical sources but also from inscriptions laws and decrees epitaphs graffiti public speeches poetry private letters and drama concise up to date bibliographies and commentaries for each document and chapter a definitive collection of source material on the Roman Republic All students of ancient Rome and classical studies will find this textbook invaluable at all levels of study **A Companion to Livy** Bernard Mineo, 2014-11-17 A Companion to Livy features a collection of essays representing the most up to date international scholarship on the life and works of the Roman historian Livy Features contributions from top Livian scholars from around the world Presents for the first time a new interpretation of Livy's historical philosophy which represents a key to an overall interpretation of Livy's body of work Includes studies of Livy's work from an Indo European comparative aspect Provides the most modern studies on literary archetypes for Livy's narrative of the history of early Rome

On the Way to Statehood Peter Radan, 2017-05-15 The present international order is characterized by the rapid globalization of economic activity by systematic attempts to coordinate state responses to the outbreaks of violence and by unilateral military interventions against sovereign states either by the USA or by one of its regional allies This collection explores the changes that the current international order has brought to the theory and practice of recognition of secessionist claims and to the conditions for secessionist mobilization The volume examines how independence movements achieve legitimacy amongst both their target populations and outside states and how the forces of increasing economic globalization and political interdependence impact on secessionist mobilization It addresses how the outside states recognize the independence of new states and whether the claims to independent statehood can be justified within normative theories of secession and international law These issues are explored both through comparative analysis within legal international relations and political science frameworks and through an examination of several recent attempts at secession **Consuls**

and Res Publica Hans Beck, Antonio Duplá, Martin Jehne, Francisco Pina Polo, 2011-09-08 The consulate was the focal point of Roman politics Both the ruling class and the ordinary citizens fixed their gaze on the republic's highest office to be sure from different perspectives and with differing expectations While the former aspired to the consulate as the defining magistracy of their social status the latter perceived it as the embodiment of the Roman state Holding high office was thus

not merely a political exercise The consulate prefigured all aspects of public life with consuls taking care of almost every aspect of the administration of the Roman state This multifaceted character of the consulate invites a holistic investigation The scope of this book is therefore not limited to political or constitutional questions Instead it investigates the predominant role of the consulate in and its impact on the political culture of the Roman republic *The Consul at Rome* Francisco Pina Polo, 2011-02-24 In modern times there have been studies of the Roman Republican institutions as a whole as well as in depth analyses of the senate the popular assemblies the tribunate of the plebs the aedileship the praetorship and the censorship However the consulship the highest magistracy of the Roman Republic has not received the same attention from scholars The purpose of this book is to analyse the tasks that consuls performed in the civil sphere during their term of office between the years 367 and 50 BC using the preserved ancient sources as its basis In short it is a study of the consuls at work both within and outside the city of Rome in such varied fields as religion diplomacy legislation jurisdiction colonisation elections and day to day politics Clearly and accessibly written it will provide an indispensable reference work for all scholars and students of the history of the Roman Republic *Commanders and Command in the Roman Republic and Early Empire* Fred K. Drogula, 2015-04-13 In this work Fred Drogula studies the development of Roman provincial command using the terms and concepts of the Romans themselves as reference points Beginning in the earliest years of the republic Drogula argues provincial command was not a uniform concept fixed in positive law but rather a dynamic set of ideas shaped by traditional practice Therefore as the Roman state grew concepts of authority control over territory and military power underwent continual transformation This adaptability was a tremendous resource for the Romans since it enabled them to respond to new military challenges in effective ways But it was also a source of conflict over the roles and definitions of power The rise of popular politics in the late republic enabled men like Pompey and Caesar to use their considerable influence to manipulate the flexible traditions of military command for their own advantage Later Augustus used nominal provincial commands to appease the senate even as he concentrated military and governing power under his own control by claiming supreme rule In doing so he laid the groundwork for the early empire's rules of command **Romans at War** Jeremy Armstrong, Michael P. Fronda, 2019-10-01 This volume addresses the fundamental importance of the army warfare and military service to the development of both the Roman Republic and wider Italic society in the second half of the first millennium BC It brings together emerging and established scholars in the area of Roman military studies to engage with subjects such as the relationship between warfare and economic and demographic regimes the interplay of war aristocratic politics and state formation and the complex role the military played in the integration of Italy The book demonstrates the centrality of war to Rome's internal and external relationships during the Republic as well as to the Romans sense of identity and history It also illustrates the changing scholarly view of warfare as a social and cultural construct in antiquity and how much work remains to be done in what is often thought of as a traditional area of research *Romans at War* will be of interest to students and

scholars of the Roman army and ancient warfare and of Roman society more broadly *Ceremony and Power* Geoffrey Sumi, 2015-11-06 Analyzes the relationship between political power and public ceremonial in the period between Julius Caesar and the first emperor Augustus *End of the Roman Republic 146 to 44 BC* Catherine Steel, 2013-03-05 In 146 BC the armies of Rome destroyed Carthage and emerged as the decisive victors of the Third Punic War The Carthaginian population was sold and its territory became the Roman province of Africa In the same year and on the other side of the Mediterranean Roman troops sacked Corinth the final blow in the defeat of the Achaean conspiracy thereafter Greece was effectively administered by Rome Rome was now supreme in Italy the Balkans Greece Macedonia Sicily and North Africa and its power and influence were advancing in all directions However not all was well The unchecked seizure of huge tracts of land in Italy and its farming by vast numbers of newly imported slaves allowed an elite of usually absentee landlords to amass enormous and conspicuous fortunes Insecurity and resentment fed the gulf between rich and poor in Rome and erupted in a series of violent upheavals in the politics and institutions of the Republic These were exacerbated by slave revolts and invasions from the east **A Community in Transition** Mattia Balbo, Federico Santangelo, 2023 The Roman Republic has become a huge interest among both specialized readers and the general public This volume addresses the period in which the Republic reached its peak and covers a number of key themes in the history of the Roman polity during the Middle Republic such as political competition legal practice and economic change Its chapters are the result of a close and up to date discussion among established scholars from Europe the UK the USA and Australia **A Commentary on Livy, Books VI-X** S. P. Oakley, 2005-10-13 Livy's tenth book an exciting climax to his first decade narrates two political advances of 300 BC the Lex Valeria de provocatione and the opening up of major priesthoods to plebeians it also tells of the Spartan Cleonymus' landfall at the site that long afterwards would be Venice Its main topic however is Roman warfare above all the outbreak of the Third Samnite War and the decisive battle of Sentium in 295 BC This new commentary which completes Professor Oakley's exposition of Books VI-X deals comprehensively with all aspects of Livy's work including the literary structure of his narrative the historical and topographical problems of the Samnite Wars the poetical and archaic language sometimes affected by Livy and the numerous textual problems posed by the extant manuscripts An extensive section of addenda and corrigenda contains revisions to the preceding volumes **Law and Power in the Making of the Roman Commonwealth** Luigi Capogrossi Colognesi, 2014-11-13 With a broad chronological sweep this book provides an historical account of Roman law and legal institutions which explains how they were created and modified in relation to political developments and changes in power relations It underlines the constant tension between two central aspects of Roman politics the aristocratic nature of the system of government and the drive for increased popular participation in decision making and the exercise of power The traditional balance of power underwent a radical transformation under Augustus with new processes of integration and social mobility brought into play Professor Capogrossi Colognesi brings into sharp relief the

deeply political nature of the role of Roman juridical science as an expression of aristocratic politics and discusses the imperial jurists fundamental contribution to the production of an outline theory of sovereignty and legality which would constitute together with Justinian's gathering of Roman legal knowledge the most substantial legacy of Rome

Community and Communication C. E. W. Steel, Henriette van der Blom, 2013 This title brings together contributions which rethink the role of public speech in the Roman Republic With careful attention to a range of evidence it shines a light on orators and considers the oratory of diplomatic exchanges and impromptu heckling and repartee alongside the familiar genres of forensic and political speech *A Companion to the Political Culture of the Roman Republic* Valentina Arena, Jonathan R. W. Prag, Andrew Stiles, 2022-01-25 An insightful and original exploration of Roman Republic politics In *A Companion to the Political Culture of the Roman Republic* editors Valentina Arena and Jonathan Prag deliver an incisive and original collection of forty contributions from leading academics representing various intellectual and academic traditions The collected works represent some of the best scholarship in recent decades and adopt a variety of approaches each of which confronts major problems in the field and contributes to ongoing research The book represents a new updated and comprehensive view of the political world of Republican Rome and some of the included essays are available in English for the first time Divided into six parts the discussions consider the institutionalized loci political actors and values rituals and discourse that characterized Republican Rome The Companion also offers several case studies and sections on the history of the interpretation of political life in the Roman Republic Key features include A thorough introduction to the Roman political world as seen through the wider lenses of Roman political culture Comprehensive explorations of the fundamental components of Roman political culture including ideas and values civic and religious rituals myths and communicative strategies Practical discussions of Roman Republic institutions both with reference to their formal rules and prescriptions and as patterns of social organization In depth examinations of the afterlife of the Roman Republic both in ancient authors and in early modern and modern times Perfect for students of all levels of the ancient world *A Companion to the Political Culture of the Roman Republic* will also earn a place in the libraries of scholars and students of politics political history and the history of ideas *Arctos*, 2011 **Rome, Blood & Politics** Gareth C. Sampson, 2017-11-30 This in depth chronicle examines the series of political upheavals that led to division violence and civil war in the ancient Roman Republic The last century of the Roman Republic saw the consensus of the ruling elite shattered by a series of high profile politicians who proposed political or social reform programs many of which culminated in acts of bloodshed on the streets of Rome itself This began in 133 BC with the military recruitment reforms of Tiberius Gracchus which saw him and his supporters lynched by a mob of angry Senators Gracchus's grim example was followed by a series of radical politicians each with their own agenda that challenged the status quo of the Senatorial elite Each met a violent response from elements of the ruling order leading to murder and even battles on the streets of Rome These bloody political clashes paralyzed the Roman state eventually

leading to its collapse Covering the period 133 70 BC this volume analyzes each of the key reformers what they were trying to achieve and how they met their end narrating the long decline of the Roman Republic into anarchy and civil war

Canon Law and Episcopal Authority Christopher W. B. Stephens, 2015-05-21 Christopher Stephens focuses on canon law as the starting point for a new interpretation of divisions between East and West in the Church after the death of Constantine the Great He challenges the common assumption that bishops split between Nicenes and non Nicenes Arians or Eusebians Instead he argues that questions of doctrine took second place to disputes about the status of individual bishops and broader issues of the role of ecclesiastical councils the nature of episcopal authority and in particular the supremacy of the bishop of Rome Canon law allows the author to offer a fresh understanding of the purposes of councils in the East after 337 particularly the famed Dedication Council of 341 and the western meeting of the council of Serdica and the canon law written there which elevated the bishop of Rome to an authority above all other bishops Investigating the laws they wrote the author describes the power struggles taking place in the years following 337 as bishops sought to elevate their status and grasp the opportunity for the absolute form of leadership Constantine had embodied Combining a close study of the laws and events of this period with broader reflections on the nature of power and authority in the Church and the increasingly important role of canon law the book offers a fresh narrative of one of the most significant periods in the development of the Church as an institution and of the bishop as a leader

A Companion to Greek Democracy and the Roman Republic Dean Hammer, 2014-08-25 A Companion to Greek Democracy and the Roman Republic offers a comparative approach to examining ancient Greek and Roman participatory communities Explores various aspects of participatory communities through pairs of chapters one Greek one Roman to highlight comparisons between cultures Examines the types of relationships that sustained participatory communities the challenges they faced and how they responded Sheds new light on participatory contexts using diverse methodological approaches Brings an international array of scholars into dialogue with each other

Politics in the Roman Republic Henrik Mouritsen, 2017-03-02 A very readable introduction exploring much contested issues and debates and providing an original synthesis of this important topic

Many libraries have digital catalogs where you can borrow Magistrates And Abemblies A Study Of Legislative Practice In eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Magistrates And Abemblies A Study Of Legislative Practice In full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Magistrates And Abemblies A Study Of Legislative Practice In eBooks, including some popular titles.

FAQs About Magistrates And Abemblies A Study Of Legislative Practice In Books

What is a Magistrates And Abemblies A Study Of Legislative Practice In PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Magistrates And Abemblies A Study Of Legislative Practice In PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Magistrates And Abemblies A Study Of Legislative Practice In PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Magistrates And Abemblies A Study Of Legislative Practice In PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Magistrates And Abemblies A Study Of Legislative Practice In PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
