Magnificent Ambersons:

The Magnificent Ambersons Booth Tarkington, 2013-02-20 The lives and changing fortunes of three generations of a once powerful and socially prominent family are chronicled in this vivid portrait of the corrupting influence of greed and materialism The Magnificent Ambersons Booth Tarkington, 1918 *The Magnificent Ambersons* Charles Linton Tedford, 1998 The Magnificent Ambersons Booth Tarkington, 1919 The Magnificent Ambersons is the epic story of an American family's traumatic tumble from the dizzying heights of fame and fortune. A dynasty spanning three generations, the Ambersons pre-eminence as society's elite is threatened not only by a hungry new breed of industrial entrepreneurs but from its own arrogance and greed. At the center of the story is George Amberson Minafer, the pampered but pitiful scion of the clan upon whose shoulders the fate of the family fortune will be won or lost. At once an exciting chronicle of a family's rise to fortune and its tortured downfall, it is also a fascinating portrait of the forces that shaped American society. **The Films of Orson Welles** Charles Higham, 2023-12-22 *At the End of the Street in the Shadow* Matthew Asprey Gear, 2016-02-16 The films of Orson Welles inhabit the spaces of cities from America's industrializing midland to its noirish borderlands from Europe's medieval fortresses to its Kafkaesque labyrinths and postwar rubblescapes. His movies take us through dark streets to confront nightmarish struggles for power, the carnivalesque and bizarre, and the shadows and light of human character. This ambitious new study explores Welles's vision of cities by following recurring themes across his work, including urban transformation, race relations, and fascism, the utopian promise of cosmopolitanism, and romantic nostalgia for archaic forms of urban culture. It focuses on the personal and political foundation of Welles's cinematic cities, the way he invents urban spaces on film to serve his dramatic, thematic, and ideological purposes. The book's critical scope draws on extensive research in international archives and builds on the work of previous scholars. Viewing Welles as a radical filmmaker whose innovative methods were only occasionally compatible with the commercial film industry, this volume examines the filmmaker's original vision for butchered films such as *The Magnificent Ambersons* (1942) and *Mr. Arkadin* (1955) and considers many projects the filmmaker never completed, an immense shadow oeuvre ranging from unfinished and unreleased films to unrealized treatments and screenplays. *The Magnificent Ambersons* Booth Tarkington, 2006-03-24 The lives and changing fortunes of three generations of a once powerful and socially prominent family are chronicled in this vivid tale of the corrupting influence of greed and materialism. As the wheels of industry and commerce rapidly usher in the early 20th century, ambition, success, loyalty, prominence, and prestige for the Amberson family forever changes. **The Making of Citizen Kane, Revised Edition** Robert L. Carringer, 1996-10-24 *Citizen Kane*, widely considered the greatest film ever made, continues to fascinate critics and historians as well as filmgoers. While credit for its genius has traditionally been attributed solely to its director, Orson Welles, Carringer's pioneering study documents the shared creative achievements of Welles and his principal collaborators. *The Making of Citizen Kane* is copiously illustrated with rare photographs and production documents, also
