Stand Ye in Holy Places Harold B. Lee, 1974      Perversion of Power Mary Gail Frawley-O'Dea, 2007 Since 2002 the Roman Catholic Church has been in crisis over the sexual abuse of minors by priests and the cover up of those crimes by bishops Over 11 000 alleged victims have reported their experiences to the Church and more than 4 700 priests since 1950 have been credibly accused of sexually victimizing minors The Church has paid over one billion dollars to adults who claim to have been sexually abused by priests and there is no end in sight to these lawsuits Celibacy homosexuality in the priesthood the infiltration into the priesthood of secular moral relativism too much liberalism in the Church since Vatican II damaging rollback of Vatican II reforms by conservative prelates all have been suggested as causes for the crisis This book however begins with the premise that because the pattern of abuse and cover up was so similar across the world there is something fundamentally awry with Church traditions and power structures in relationship to sexuality and sexual abuse Specifically in chapters on suffering and sadomasochism bodies and gender desire and sexuality celibacy and homosexuality the author concludes that aspects of the Catholic theology of sexuality set the stage for the abuse of minors and its cover up Frawley O Dea also analyzes the American bishops lack of pastoral care and tendency towards clerical narcissism the belief that the needs of the hierarchy represent the needs of the wider Church as central factors in the scandal She balances this criticism with a discussion of the backgrounds of the bishops presiding over the crisis and the challenges they faced in their relationships with the Pope and Vatican officials Drawing on twenty years of clinical experience she imagines the dynamics of sexual abuse both from the victim s point of view and from the priest s and she probes why the Church hierarchy fellow priests and lay people were silent for so long Finally Frawley O Dea examines factors internal to the Church and outside of it that drew this scandal into the public square and kept it there      **Women at Church** Neylan McBaine, 2014 A practical and faithful guide to improving the way men and women work together in the Church of Jesus Christ of Latter day Saints      **The Transfigured Kingdom** Ernest A. Zitser, 2018-09-05 In this richly comparative analysis of late Muscovite and early Imperial court culture Ernest A Zitser provides a corrective to the secular bias of the scholarly literature about the reforms of Peter

the Great Zitsler demonstrates that the tsar's supposedly secularizing reforms rested on a fundamentally religious conception of his personal political mission. In particular, Zitsler shows that the carnivalesque and often obscene activities of the so-called Most Comical All Drunken Council served as a type of Baroque political sacrament, a monarchical rite of power that elevated the tsar's person above normal men, guaranteed his prerogative over church affairs, and bound the participants into a community of believers in his God-given authority and charisma. The author suggests that by implicating Peter's royal priesthood in taboo-breaking libertine ceremonies, the organizers of such sacred parodies inducted select members of the Russian political elite into a new system of distinctions between nobility and baseness, sacrality and profanity, tradition and modernity. Tracing the ways in which the tsar and his courtiers appropriated aspects of Muscovite and European traditions to suit their needs and aspirations, *The Transfigured Kingdom* offers one of the first discussions of the gendered nature of political power at the court of Russia's self-proclaimed Father of the Fatherland and reveals the role of symbolism, myth, and ritual in shaping political order in early modern Europe.

*Lord of the World* Robert Hugh Benson, 1908 The novel's protagonist is a British Roman Catholic priest, Father Percy Franklin, who looks identical to the mysterious U.S. Senator Julian Felsenburgh of Vermont. The senator appears as a lone and dramatic figure promising world peace in return for blind obedience. No one quite knows who he is or where he comes from, but his voice mesmerizes. Under his leadership, war is abolished. Felsenburgh becomes the President of Europe, then of the world, by popular acclaim. Everyone is fascinated with him, yet still no one knows much about him. People are both riveted and frightened by the way he demands attention. Most follow without question. Having been a close observer of President Felsenburgh's rise, Father Franklin is called to Rome, a Hong Kong-style enclave ruled by Pope John XXVI, and raised to the College of Cardinals. Meanwhile, defections among bishops and priests increase. At Cardinal Franklin's instigation, the pope abolishes the Eastern Catholic Churches and forms a new religious order, the Order of Christ Crucified. All its members, including the Pope, vow to die in the name of the faith.

**Freakling** Lana Krumwiede, 2012-10-09 A thrilling, fast-paced dystopian novel about the dangers of unchecked power and the dilemmas facing a boy torn between two ways of life. In twelve-year-old Taemon's city, everyone has a power called psi, the ability to move and manipulate objects with their minds. When Taemon loses his psi in a traumatic accident, he must hide his lack of power by any means possible. But a humiliating incident at a sports tournament exposes his disability, and Taemon is exiled to the powerless colony. The dud farm is not what Taemon expected, though people are kind and open, and they actually seem to enjoy using their hands to work and play, and even comfort their children. Taemon adjusts to his new life quickly, making friends and finding unconditional acceptance. But gradually he discovers that for all its openness, there are mysteries at the colony, too dangerous secrets that would give unchecked power to psi wielders if discovered. When Taemon unwittingly leaks one of these secrets, will he have the courage to repair the damage, even if it means returning to the city and facing the very people who exiled him?

Hickes,1847      **Sperry Symposium Classics** Craig K. Manscill,2004      *Two treatises, one of the Christian priesthood; the other of the dignity of the episcopal order, written to obviate the erroneous opinions in The rights of the Christian Church [by M. Dew,2013      **Two Treatises, One of the Christian Priesthood, the Other of the Dignity of the Episcopal Order ... to Obviate the Erroneous Opinions, Fallacious Reasonings, and Bold and False Assertions in a Late Book [by Tindal] ...** George Hickes (Dean of Worcester.),1847      Book of Mormon | Doctrine and Covenants | Pearl of Great Price ,2010-04

The 2013 edition of the Book of Mormon Doctrine and Covenants and Pearl of Great Price contains all of the study aids contained in the 1981 edition and includes revisions to the study aids several new photos updated maps and adjustments to section and chapter headings The style and format of titles tables of contents abbreviations pages and other study aids have been standardized to improve the reader s experience however the adjustments have not been so extensive as to require members to purchase the new edition to stay current with either the Church curriculum or personal study      King Josiah of Judah Marvin Alan Sweeney,2001 The author shows how King Josiah s reform program to unify Israel and Judah around the Jerusalem temple laid the foundation for the exilic thinkers who rescued Judaism from the obscurity of Babylonian defeat and exile

**Discourses of Brigham Young** Brigham Young,2020-09-28 BRIGHAM YOUNG second President of the Church of Jesus Christ of Latter day Saints and first Governor of Utah was the founder and chief builder of the Great Intermountain West of the United States of America He is recognized as one of the foremost colonizers and empire builders of all time His unsurpassed methods of conquering for human use the Great American Desert have been adopted to some degree by all who since his day have been engaged in the reclamation and settlement of unoccupied lands especially under a low rainfall Statesmen scholars and business men have acclaimed the leadership organizing power and sound philosophy which brought social and economic happiness to the people who were led into the wilderness by Brigham Young He not only brought contentment to the people gathered from many lands but he guided the Church over which he presided until at his death it was larger in numbers and more firmly established than ever before The tremendous world significance of the labors of Brigham Young and the universal applicability of his methods under modern conditions make it certain that the work he accomplished was not due primarily to the gigantic personality of the man Rather the success achieved must have been due to the possession of a life philosophy of sufficient depth and extent to meet varying human needs Another man of less dominant personality armed with the same principles would have won success As he himself would say it was the possession of the Gospel of Life and Salvation that enabled him and his associates to do the work so well In fact Brigham Young was first a spiritual teacher and secondly a material leader The religion that he professed made him the man that he became its principles were used in guiding the people in all their affairs Books enough to fill a library have been written about the history character and accomplishments of Brigham Young Few of these books attempt to analyze the system of doctrine and

practice that brought unbounded success to the Latter day Saints Many display such extreme religious partisanship that even the sympathetic reader can place no reliance upon their statements Something harsher might be said about the large number of books written about Brigham Young and his times that manifestly aim to secure popularity by appealing to the sensational and the lurid at the expense of truth Even recently when the years have given perspective some writers have set up hypotheses concerning Brigham Young and have proceeded to argue the case as if that were history It is amazing that intelligent people knowing the high order of accomplishments of the Latter day Saints give credence to the weird and crude stories appealing to the baser emotions of mankind which fill the pages of anti Mormon literature In this book Brigham Young is allowed to speak for himself Excerpts have been made from his many discourses and these have been arranged to show the coherent system of faith which he continuously taught his people and by which he was enabled to win success for his followers The philosophy thus set forth is clear and unmistakable in its purpose It reveals Brigham Young as a man who applied the simple principles of the Gospel of Jesus Christ to the everyday affairs of men and who proved the efficacy in common life among common men of the Gospel of the Son of God This book was made possible because Brigham Young secured stenographic reports of his addresses As he traveled among the people reporters accompanied him All that he said was recorded Practically all of these discourses from December 16 1851 to August 19 1877 were published in the Journal of Discourses which was widely distributed The public utterances of few great historical figures have been so faithfully and fully preserved Clearly this mass of material covering nearly thirty years of incessant public speaking could not be presented with any hope of serving the general reader save in the form of selections of essential doctrines The discourses from which this volume has been culled were spoken extemporaneously The state papers of Governor Brigham Young and the epistles signed by him and his counselors in the Presidency of the Church have not been used in this collection The excerpts here presented came from his lips under the inspiration at the moment of the Power that guided his life The corrections for the printer as shown by existing manuscripts were few and of minor consequence The discourses are a remarkable self revelation of the character and moving impulses of a man who accomplished huge tasks for his generation It is marvelous that the enemies of Brigham Young with this wealth of material before them have found so little to use to his disadvantage But a dishonest or insincere man would not have had his public utterances reported and published all over the world The consistency of the views presented from the first to the last discourse would be astounding were it not for the fact that he clung constantly for interpretation to the Gospel of Jesus Christ as he had been taught it by the Prophet Joseph Smith His devotion to his teacher and predecessor the Prophet is tenderly beautiful The school education of Brigham Young was very limited but his discourses show a wide knowledge of men and affairs and an excellent power to use the English language clearly and forcefully Often his simple eloquence rises to great heights Those who heard him speak have declared that they were held in tense attention however long the address might be His vivid imagination dramatic power and unquestioned sincerity made him a natural

orator He seldom confined himself to one subject in his discourses The needs of the day were the themes about which he wound his teachings

**Trails to Testimony** Bradley D. Harris,2009-04-10 Trails to Testimony Bringing Young Men to Christ Through Scouting President Gordon B Hinckley said There is no more significant work in this world than the preparation of boys to become men who are qualified to live productive and meaningful lives And President Thomas S Monson underscores this thought when he says that It s easier to build boys than to mend them Bradley D Harris professor of recreational management and youth leadership at Brigham Young University and past member of the LDS Young Mens General Board challenges parents and youth leaders alike to rediscover the spiritual dimensions of Scouting to focus on the close relationship that should exist between Scouting and the Aaronic Priesthood The author s 22 year professional career with the Boy Scouts of America combined with extensive experience within the Church in various priesthood leadership capacities gives him invaluable insights into the responsibilities that parents and leaders have in bringing young men to Christ The family is the first institution charged with bringing young men to Christ Working in harmony the family and the Aaronic Priesthood should create an atmosphere where young men s individual testimonies can flourish Trails to Testimony is a powerful guide for families and leaders entrusted with the sacred responsibility of teaching and guiding the young men of the Church
