*The Magpies* Denis Glover, Dick Frizzell, 1999 Denis Glover's iconic New Zealand poem *The Magpies* is illustrated by Dick Frizzell to create a beautiful gift edition that every New Zealand family needs to own. The delightful refrain Quardle ardle oodle ardle wardle doodle is well loved in New Zealand poetry as are Dick Frizzell's illustrations for this book. It won the Russell Clark award for illustration in 1988. Originally published in 1987, this book remains as fresh and original today as it was then. This is the true mark of a New Zealand Classic, the third in Random House's series of classic NZ picture books.

*Encyclopedia of Post-Colonial Literatures in English* Eugene Benson, L.W. Conolly, 2004-11-30 Post Colonial Literatures in English together with English Literature and American Literature form one of the three major groupings of literature in English and as such are widely studied around the world. Their significance derives from the richness and variety of experience which they reflect. In three volumes this Encyclopedia documents the history and development of this body of work and includes original research relating to the literatures of some 50 countries and territories. In more than 1 600 entries written by more than 600 internationally recognized scholars it explores the effect of the colonial and post colonial experience on literatures in English worldwide.

I felt it though. I let out an incredible whoop of joy and skipped into the air laughing and laughing. There was so much joy inside me. For the first time in all my memory I could not contain myself. As a boy in the early 1940s, young Boden Black finds his life changed for ever. The day his neighbour Dudley drives him over the hills into the vast snow covered plains of the Mackenzie country. Unexpectedly his world opens up and he discovers a love of landscape and a fascination with words that will guide him throughout his life. As he forges a career as a butcher and poet, spends a joyous summer building a hut on the slopes of Mount Cook and climbs to the summit in the company of Sir Edmund Hillary. A moving exploration of one man's journey and the events which shape him. *The Hut Builder* is also an evocative celebration of the mountain world and the wonder of life. Also available as an eBook.
