Access to Western Esotericism Antoine Faivre,1994-12-05 This is the first systematic treatment of esotericism to appear in English Here is also a historical survey beginning with the Alexandrian Period of the various esoteric currents such as Christian Kabbalah Theosophy Alchemy Rosicrucianism and Hermeticism Common characteristics of these currents are the notion of universal interdependency and the experience of spiritual

transformation The author establishes a rigorous methodology provides clarifying definitions of such key terms as gnosis theosophy occultism and Hermeticism and offers analysis of contemporary esotericism based on three distinct pathways The second half of the book presents a series of studies on several important figures works and movements in Western esotericism studies devoted to some of the most characteristic and illuminating aspects that this form of thought has taken such as theosophical speculations on androgyny rosicrucian literature and Masonic symbolism The book is completed by a rich and selective Bibliography conceived as a means of orientation and a tool for research

The Magus: Kundalini and the Golden Dawn Neven Paar, 2019-12-19 The Magus Kundalini and the Golden Dawn is the culmination of my Spiritual journey through the Western Mystery Tradition after experiencing a full and sustained Kundalini awakening Once I joined a secret and esoteric school called the Golden Dawn I was introduced to Ceremonial Magick a Spiritual Alchemy practice geared towards Chakra tuning and cleansing whose ultimate purpose is personal transformation and Enlightenment I have found that this sacred art of energy invocation not only alleviated the intense fear and anxiety I was left with after awakening Kundalini but it furthered my Spiritual progression tenfold in a short period As such I dedicated myself to mastering the entire Golden Dawn system After leading a Golden Dawn group in Toronto Ontario I left the organised system but continued to teach Ceremonial Magick to other Light Seekers I realised that the world was missing a unified and comprehensive system of Magick that combines Eastern Spirituality and the Western Mysteries whose presentation is clear and concise without the usual cryptic occult connotations What emerged is The Magus a Universal science of energy that we all partake of as human beings You don't need to be a part of a Magickal Order to get the full benefit of being initiated into the energies of our Solar System Everything that can be gained from Ceremonial Magick practice can be done from the comfort of your home If you dedicate ten minutes a day to this practice you can advance substantially in your Spiritual evolution Ceremonial Magick exercises in The Magus are presented as part of Spiritual Alchemy programs whose aim is to help you connect with your Higher Self and tap into your highest potential as a Spiritual human being These programs go hand in hand with knowledge lectures on the Qabalah the Five Elements the Seven Chakras Astrology the Tarot Divination meditation Hermetic Philosophy and Alchemy the Christian and Egyptian Mysteries Enochian Magic and more The Magus also contains a wealth of knowledge concerning the Kundalini from both Eastern and Western perspectives As your connection with your Creator strengthens through the work in The Magus your personal power will increase enabling you to manifest the life you always wanted By becoming the best version of yourself you can be the hero of your own story and experience the joy and excitement of being alive The end game of The Magus is the completion of the Great Work and the expansion and unification of the individual consciousness with Cosmic Consciousness

The Magus a Complete System of Occult Philosophy in Three Books Francis Barrett, 2017-09-02 All three books of Francis Barrett's superb compendium of occult thought are presented in this single volume complete with the original charts and illustrations An excellent work which encompasses much of the

occult lore to have emerged over the preceding centuries The Magus unites and presents occultist and alchemical wisdom in an organized and exhaustive manner Francis Barrett designed this book to guide and imbue aspiring practitioners of the occult arts with a working knowledge of the rituals and materials required Commencing with Magic we are offered a comprehensive accounts of its capabilities and the tools needed for its use Natural magic is defined as are the many philters and potions which may be created and imbued with its essence Various historical examples of magicians who had for good or ill gained public notice for their practices are given The later chapters meanwhile concern the properties of magical stones such as the legendary Philosophers Stone and the arcane arts of combining creatures of nature and the sometimes monstrous results The Magus itself is termed the Celestial Intelligencer beginning with a basic account of the four elements we traverse each in more detail before delving into the more esoteric practices The symbolism of numbers and of the astronomical bodies of the heavens are detailed sometimes with the help of charts The second book offers an occultist account of the Magnetism distinct from the magnetism of physics the occult magnetism is instead defined by an attraction of two or more people to one another The various potions incantations and other practices used to draw people together or apart are listed with some consideration given to witchcraft The second book s later portions concern ceremonial magic whereby practitioners may call upon spirits for insight or other purposes Much of the book is concerned with the traits necessary of the magician and the preparatory environs necessary to summon such spirits Illustrations of these beings who are various in appearance are appended to these pages The third and final book offers a series of biographical accounts of those who led lives both active and relevant to occultism Figures such as Zoroaster Aristotle Apuleius and Henry Cornelius Agrippa each receive a memoir summarizing their significance and contribution to the field of occultism Working in the occult for most of his life Francis Barrett ambitiously aimed to collect translate and arrange the occult books of the previous centuries He hoped that occultism would regain great popularity much as it had enjoyed in the past and offered lessons and tutoring in the practices from his apartment in London Although The Magus escaped recognition and faded to obscurity it later came to the attention of French magician Eliphas Levi who brought it to renewed prominence decades after its author perished
