A Personal Journey to Positive Change W. T. Watts, 2009-10-23 My goal is to bring substance and understanding to the lives of my readers based on my thirty year career specializing in counseling and psychotherapy Herein I decipher and define those qualities of mental health which empower an individual to escape the grips of spiritual and psychological distress Each of the basic attributes necessary to achieve this goal humility gratitude acceptance forgiveness patience trust is discussed in addition to obstacles and opportunities presented by life Practicing the attributes while circumventing obstacles and maximizing opportunities for growth will result in a life perspective dominated by love wisdom and courage The reader s journey is not unlike that of Dorothy from Kansas who is unpredictably severed from the security of all that she has known to be confronted with the ultimate change Friends environment culture life goal etc The Wizard of Oz by L Frank Baum is an allegory of self discovery and empowerment As she overcomes all obstacles Dorothy and her friends learn that genuine power lies within and all else is illusion Both themes are combined to present a relevant and hopefully engaging treatise on living the good life My hope is that all readers benefit and evolve for the good of all

The Intuitive Heart Revolution Kate Connolly, 2022-02-04 We can agree on one thing the world is in dire straits There is more separation than we have ever seen as a global community as well as separation from our true selves But Imagine if everyone on the planet chose to live their lives by listening to their intuition and treating themselves with unconditional love every day What would the world look like Your beliefs are powerful your feelings are important and your behaviour is only ever an extension of these Living a life of fear results in a constant state of reaction drama and issues So if you really want to live a life of joy and change the world around you you must go within It s the only way The Intuitive Heart Revolution is an energetic formula for healing that can free you from everything that is keeping you from authenticity and living your best life The ultimate goal is to move from unhappiness and worry to a state of trust When you can live your life make decisions and move in a direction with trust everything becomes an adventure of love and connection And by living your best life you can change the World one emotion one change one day at a time
