Mahatma Letters To A P Sinnett In Chronological Sequence:

The Mahatma Letters to A. P. Sinnett Vicente Hao Chin, 1972-01-01 A classic in Theosophical literature The Mahatma Letters to A. P. Sinnett from the Mahatmas M. & K. H. ,1993 **Reflections on an Ageless Wisdom** Joy Mills, 2014-07-01

Modern Theosophy expresses the ancient wisdom tradition found in all religions When H P Blavatsky founder of the Theosophical Society in 1875 told English journalist A P Sinnett she had gained her paranormal knowledge from more evolved beings called the Mahatmas Sinnett asked to communicate with them himself The result was a remarkable correspondence carried on from 1880 to 1885 with Mahatmas Khoote Hoomi and Morya Recorded in The Mahatma Letters to A P Sinnett the answers of these Teachers form an essential part of Theosophical literature At the time the Letters stormed the bastions of racial and religious prejudice and they continue to fascinate those seeking to probe the mysteries of the universe and the nature of consciousness Here is the most comprehensive magisterial discussion of The Mahatma Letters since they were first published in 1924 Eminent Theosophist Joy Mills bases her commentary on Vincente Hao Chin s 1999 edition of the Letters helpfully arranged chronologically to enable following the exposition as it originally unfolded Mills quotes Sinnett in emphasizing that the Mahatmas purpose was not to put the world into possession of occult knowledge but to train those who proved qualified so that they might ascend the path of spiritual progress Her focus then is on not only knowledge of the magnificent Occult Science but more significantly the ethical and moral values we must embrace to be of service to the world She offers her reflections on over 140 letters in the hope that they may prove useful to fellow students on the journey toward the spiritual heights May these letters call you as they have continued to call me to keep on exploring for truly there is no other way to go *The Occult World* Alfred Percy Sinnett, 1882 *The Letters of H. P. Blavatsky* H. P. Blavatsky, 2003-01-01 Helena P Blavatsky 1831 1891 is widely celebrated as the leading esoteric thinker of the nineteenth century who influenced an entire generation of artists and intellectuals and introduced Eastern spirituality to the West Until now however readers have been able to know this fascinating woman only through her public writings Few may have realized that H P B was also a tireless correspondent with family and colleagues friends and foes the learned and the simple Her personal correspondence reveals for the first time the private H P B in all of her sphinx like complexity rarely visible in her published material This unparalleled offering contains all known letters H P B wrote between 1860 and the time just before she left for India in 1879 Meticulously edited by John Algeo former President of the Theosophical Society in America and current Vice President of the international Society the volume also contains letters to and about Blavatsky articles and editorial commentary **Thought-forms** Annie Besant, Charles Webster Leadbeater, 1905 **Readers' Guide to the Mahatma Letters to A. P. Sinnett** V. Hanson, 1988 *Imagining the East* Erik Reenberg Sand, Tim Rudbørg, 2020 The essays in *Imagining the East* explore how Theosophists during the formative period imagined the religions and cultures of the East The authors examine the relationship of such representations to orientalism the history of ideas politics and culture at

large and discuss how these esoteric or theosophical representations mirrored conditions and values current in nineteenth century mainstream intellectual culture The essays also look at how the early Theosophical Society's representations of the East differed from mainstream orientalism and how the Theosophical Society's mission in India was distinct from that of British colonialism and Christian missionaries [Invisible Worlds](#), 2013-10-14 To investigate the unexplained laws of Nature and the powers latent in humanity is one object of the Theosophical Society Annie Besant 1847-1933 outspoken feminist political activist and early president of the TS thought that psychic and spiritual development should be available to everyone not just a chosen few In her many books and articles providing guidelines her goal was not to help students develop supernormal powers but to help them increase consciousness in order to receive instruction from the ascended Masters Besant believed this work had positively changed her life and wanted others to enjoy the same benefit Although penned a century ago Besant's wisdom on the subject is still germane Her prose is clear and inspiring and Kurt Leland's introduction and notes are well informed He helpfully divides Besant's writings into four parts Occultism Light and Dark Higher Life Training the Investigation of Different Worlds and the Science of the Superphysical **The Letters of H.P. Masters of Wisdom Edward Abdill, 2015-05-19 A rigorous historical and philosophical examination of the controversial spiritual Masters who guided Madame H P Blavatsky in opening the world to Eastern and esoteric spirituality in the late nineteenth century In the late nineteenth century Russian noblewoman and occult philosopher Madame H P Blavatsky enthralled the world with revelations of an ancient secret doctrine behind the major faiths and a cosmic theology that united the insights of religion and science Blavatsky said she was operating under the guidance of hidden Masters of wisdom or mahatmas who led her to reveal forgotten wisdom to modern people The mythos of Blavatsky's Masters left a deep mark on Western culture and spawned more than a century of debate Were the Masters real What did they teach Are they reachable today Now independent scholar of religion Edward Abdill provides an authoritative historically reliable and delightfully readable study of the background and ideas of the Masters in particular highlighting their message and its enduring relevance
