**Gustav Mahler** Jens Malte Fischer, 2011-08-09 Translation of Gustav Mahler Der fremde Vertraute *Gustav Mahler* Stuart Feder, 2004-01-01 The final crisis of Mahler's career occurred in 1910 when he learned that his wife Alma was having an affair with the architect Walter Gropius The revelation precipitated a breakdown while Mahler was working on his Tenth Symphony The anguished suicidal notes Mahler scrawled across the manuscript of the unfinished symphony reveal his troubled state It was a four hour consultation with Sigmund Freud in Leiden Holland that restored the composer's equilibrium Although Mahler left little record of what transpired in Leiden Stuart Feder has reconstructed the encounter on the basis of surviving evidence The cumulative stresses of the crises in Mahler's life in particular Alma's betrayal left him physically and emotionally vulnerable He became ill and died soon after in 1911 **BOOK JACKET** **Mahler, His Life and Times** Edward Seckerson, 1982 *Why Mahler?* Norman Lebrecht, 2011-11-01 Why Mahler Why does his music affect us in the way it does Norman Lebrecht one of the world's most widely read cultural commentators has been wrestling obsessively with Mahler for half his life Following Mahler's every footstep from birthplace to grave scrutinizing his manuscripts talking to those who knew him Lebrecht constructs a compelling new portrait of Mahler as a man who lived determinedly outside his own times Mahler was along with Picasso Einstein Freud Kafka and Joyce a maker of our modern world Why Mahler is a book that shows how music can change our lives *Guillaume de Machaut* Lawrence Earp, 2013-08-21 First published in 1996 Routledge is an imprint of Taylor Francis an informa company **Passionate Spirit** Cate Haste, 2019-06-13 \_\_\_\_\_ Fascinating Haste paints a portrait of a woman who was born to triumph not surrender Harper's Bazaar Written in elegant lucid prose a treasure trove of European cultural riches and scandalous intrigue Compelling Economist Lively well illustrated and enjoyably juicy Miranda Seymour Financial Times \_\_\_\_\_ The life of an extraordinary artist and intellect the composer author and socialite Alma Mahler whose life spanned one of the most captivating and dramatic periods in history Alma Mahler was once at the epicentre of Vienna's artistic and intellectual life A talented composer in her own right she was open generous remarkably creative curious challenging and zealous in her pursuit of love Artists architects musicians and writers jostled to join her coterie Gustav Klimt was her first kiss Gustav Mahler her first husband But her life was haunted by tragedy and the support and inspiration that Alma gave to the men she loved came at the heavy price of her own artistic fulfilment Drawing extensively on previously unpublished diaries and letters Cate Haste illuminates the passionate spirit of one of history's most complex and charismatic muses a modern woman with an elemental vitality that could scarcely be contained by her century who will live forever in the art she created and inspired *Mahler and His World* Karen Painter, 2020-09-01 From the composer's lifetime to the present day Gustav Mahler's music has provoked extreme responses from the public and from experts Poised between the Romantic tradition he radically renewed and the austere modernism whose exponents he inspired Mahler was a consummate public persona and yet an

impassioned artist who withdrew to his lakeside hut where he composed his vast symphonies and intimate song cycles His advocates have produced countless studies of the composer's life and work But they have focused on analysis internal to the compositions along with their programmatic contexts In this volume musicologists and historians turn outward to examine the broader political social and literary changes reflected in Mahler's music Peter Franklin takes up questions of gender Talia Pecker Berio examines the composer's Jewish identity and Thomas Peattie Charles S Maier and Karen Painter consider respectively contemporary theories of memory the theatricality of Mahler's art and fin de siècle politics and the impinging confrontation with mass society The private world of Gustav Mahler in his songs and late works is explored by leading Austrian musicologist Peter Revers and a German counterpart Camilla Bork and by the American Mahler expert Stephen Hefling Mahler's symphonies challenged Europeans and Americans to experience music in new ways Before his decision to move to the United States the composer knew of the enthusiastic response from America's urban musical audiences Mahler and His World reproduces reviews of these early performances for the first time edited by Zo Lang The Mahler controversy that polarized Austrians and Germans also unfolds through a series of documents heretofore unavailable in English edited by Painter and Bettina Varwig and the terms of the debate are examined by Leon Botstein in the context of the late twentieth century Mahler revival

**Mahler** Jonathan Carr, 1998 Reexamines the composer's life and work and challenges widely held myths about him concentrating on his last decade but also offering background on his earlier career Looks at his marriage to Alma Schindler his achievements as director of the Vienna opera his love of oriental mysticism and his final years in America Includes bandw photos a chronology a list of works and suggestions for a CD collection Draws on material previously unavailable in English Annotation copyrighted by Book News Inc Portland OR

**Mahler Remembered** Norman Lebrecht, 2010-08-19 Gustav Mahler is the most influential symphonist of the twentieth century In this pioneering study Norman Lebrecht reveals the man and musician through the words of his contemporaries Using many previously unpublished documents he constructs a profile of Mahler even more complex and compelling than that familiar from his letters and the often unreliable memoirs of his widow Alma Compassionate or callous idealistic or pragmatic Mahler aroused violently contrasting impressions and emotions in those who lived and worked with him Accounts of the composer include the artist Alfred Roller's description of Mahler's naked body a Nazi era reappraisal by one of his closest relatives Natalie Bauer Lechner's unpublished jottings of Mahler's childhood and Stefan Zweig's report of his final voyage Together they form a remarkable and deeply illuminating image of a formidable personality The effect is cumulative sometimes contradictory and vivid like a written version of a radio or film portrait Classical Music Norman Lebrecht's Mahler Remembered is quite breathtakingly interesting Birmingham Post

*Malevolent Muse* Oliver Hilmes, 2015-05-05 Of all the colorful figures on the twentieth century European cultural scene hardly anyone has provoked more polarity than Alma Schindler Mahler Gropius Werfel 1879 1964 mistress to a long succession of brilliant men and wife of three of the best known composer Gustav Mahler

architect Walter Gropius and writer Franz Werfel To her admirers Alma was a self sacrificing socialite who inspired many great artists Her detractors found her a self aggrandizing social climber and an alcoholic bigoted vengeful harlot as one contemporary put it a cross between a grande dame and a cesspool So who was she really When historian Oliver Hilmes discovered a treasure trove of unpublished material much of it in Alma s own words he used it as the basis for his first biography setting the record straight while evoking the atmosphere of intellectual life in Europe and then in migr communities on both coasts of the United States after the Nazi takeover of their home territories First published in German in 2004 the book was hailed as a rare combination of meticulously researched scholarship and entertaining writing making it a runaway bestseller and advancing Oliver Hilmes to his position as a household name in contemporary literature Alma Mahler was one of the twentieth century s rare originals worthy of her immortalization in song Oliver Hilmes has provided us with an even handed yet tantalizingly detailed account of her life bringing Alma s singular story to a whole new audience

Gustav Mahler Alfred Mathis-Rosenzweig, 2018-05-08 Alfred Mathis Rosenzweig 1897-1948 was a Viennese musicologist and critic who studied at the universities of Budapest and Vienna From 1933 he embarked on producing a large scale study of Mahler but at the time of his death the manuscript was left unfinished Although it was presumed lost until 1997 the unfinished typescript written in German had been deposited in the library of the Guildhall School of Music Drama In 2003 the School's Research Centre commissioned Jeremy Barham to prepare the first published edition of this important work and his annotations and commentary add invaluable material to his translation of this historic document Biographical material is used as a loose framework and platform for Mathis Rosenzweig's profound examination of the environment within which

Mahler's earlier music was embedded. This is an environment in which Wagner, Bruckner, and Wolf feature prominently and in which Mahler's music is viewed from the wider perspective of nineteenth century German cultural domination and the subsequent rise of political extremism in the form of Hitlerite fascism. **The Biography Book** Daniel S.
