Dana Gioia has written Menashe is essentially a religious poet though one without an orthodox creed Nearly every poem he has ever published radiates a heightened religious awareness Intensely musical and rigorously constructed Menashe s poetry stands apart in its solitary meditative power But it is equally a poetry of the everyday suffused in the words of Christopher Ricks with the courage of comedy flanked by the respect of innocence The humblest of objects the minutest of natural forms here become powerfully suggestive and even the shortest of the poems are spacious in the perspectives they open About the American Poets Project Elegantly designed in compact editions printed on acid free paper and textually authoritative the American Poets Project makes available the full range of the American poetic accomplishment selected and introduced by today s most discerning poets and critics

North Seamus Heaney,2014-01-28 With this collection first published in 1975 Heaney located a myth which allowed him to articulate a vision of Ireland its people history and landscape and which gave his poems direction cohesion and cumulative power In North the Irish experience is refracted through images drawn from different parts of the Northern European experience and the idea of the north allows the poet to contemplate the violence on his home ground in relation to memories of the Scandinavian and English invasions which have marked Irish history so indelibly

The Hudson Letter Derek Mahon,1996 Out of this absence he writes from lower Manhattan addressing in ramble or vigil his absent lover his children in London Auden Yeast s father and other cosmic vagrants clutching our bits and pieces arrogant in dereliction In the eighteen sections of The Hudson Letter the gabble of a dockside bar voices of a recycled Sappho and of an Irish immigrant girl reassuring her mother in Inishannon and the midwinter allnight sounds of the City intersperse with the voice of the poet lively witty poignant elegiac humane and thoroughly human The Hudson Letter is prefaced by four new poems in different voices
