Comprising Maigret Right and Wrong (Maigret in Montmartre & Maigret's Mistake) Maigret Has Scruples; Maigret and the Reluctant Witnesses; Maigret Goes to School Georges Simenon,1962 **Rive Gauche** Elke Mettinger-Schartmann,Margarete Rubik,Jörg Türschmann,2010 From the late 19th century onwards Paris had been a congenial locus for bohemian life By 1920 Montparnasse had superseded Montmartre as the intellectual and artistic heart of the city inaugurating a decade of unequalled creative achievement and innovative self performance These were the years of the Roaring Twenties or ann es folles Paris as Gertrude Stein famously remarked was where the twentieth century was The Rive Gauche offered a carnivalesque atmosphere of liberality where the manifold experiments of the avant garde could breathe freely This volume attempts to do justice to the polyphony of voices and points up the synergies that existed between the creative activities of writers painters publishers photographers and film makers The contributors adopt interdisciplinary approaches casting new light on the rich and diverse artistic world of Paris in the twenties as presented in lesser known works by French artists English and American expatriates but also Belgian Dutch German Polish or South American avant gardists The collection thus gives the reader a fascinating insight into artistic productions which have hitherto received comparatively little critical attention *Maigret's in Montmartre* Georges Simenon,1963 **The Hanged Man of Saint-Pholien (Inspector Maigret)** Georges Simenon,2025-05-06 Suddenly witness to a man s dreadful death Inspector Maigret finds himself faced with a series of sordid events that drove the man to despair in this haunting tale of guilt and tragedy While stopped at a railway station on the northern edge of Holland Inspector Maigret catches sight of a traveler acting oddly the man glances around furtively pulls out handfuls of coins to pay

for purchases and guards a small suitcase Maigret decides to follow the man thinking he ll help catch a crook but then the inspector witnesses something terrible The stranger leaves behind only a passport with a false name and an old large dirty gray suit Struck by guilt Maigret resolves to figure out who this man was and why events ended so tragically The Hanged Man of Saint Pholien is a moving and deep exploration into the burdens of conscience and the lengths one might go in pursuit of absolution **Five Times Maigret** Georges Simenon,1962
