Maigrets Christmas 9 Stories:

A Maigret Christmas Georges Simenon, 2018-10-30 One of the greatest writers of the twentieth century Simenon was unequalled at making us look inside though the ability was masked by his brilliance at absorbing us obsessively in his stories The Guardian In this delightful holiday themed collection of nine short stories Inspector Maigret must solve a series of little mysteries just in time for Christmas morning Christmas mysteries abound in this light hearted holiday collection of Jules Maigret s exploits In one an otherwise sensible little girl insists that she has seen Father Christmas a statement alarming to her neighbors Monsieur and Madame Maigret Then a choirboy helps the inspector solve a crime while he lies in bed with a cold another boy pursued by a criminal ingeniously leaves a trail to help Maigret track him Many of these stories feature observant and resourceful children frightened yet resolute who bring out a paternal streak in the childless Maigret The rapport between the inspector and these youthful heroes imparts a delightful freshness to this holiday collection A Maigret Christmas is a cornucopia for fans of Maigret and mysteries alike Maigret's Christmas Georges Simenon, 2003 Nine short stories make up this delightful holiday themed collection each featuring Georges Simenon s famous detective Jules Maigret Christmas mysteries abound an otherwise sensible little girl insists that she has seen Father Christmas a statement alarming to her neighbors Monsieur and Madame Maigret Then a choirboy helps the inspector solve a crime while he lies in bed with a cold another boy pursued by a criminal ingeniously leaves a trail to help Maigret track him Many of these stories feature observant and resourceful children frightened yet resolute who bring out a paternal streak in the childless Maigret The rapport between the inspector and these youthful heroes imparts a delightful freshness to this holiday collection a cornucopia for fans of Maigret and mysteries *Maigret's Pipe* Georges Simenon, 1994-10-14 Seventeen stories feature Simenon s dauntless detective as he works on some baffling cases both from his base Paris police headquarters on the Quai des Ortevres and throughout the provinces Maigret's Christmas Georges Simenon, 1977 Nine of Simenon s best short stories beginning with a Christmas mystery in which an otherwise sensible little girl insists that she has seen Father Christmas No fewer than four of the stories have youthful heroes who bring out the paternal streak in Maigret and help give a delightful freshness to this collection Translated by Jean Stewart A Helen and Kurt Wolff Book *Christmas Crimes* John Dickson Carr, Anne Cleaves, Ron Goulart, Edward D. Hoch, 1996 Christmas shopping isn t the only thing that s murder this year It s homicide for the holidays as Signet delivers this delightful mystery anthology So let slay bells ring and cyanide spiked eggnog flow on this nasty Noel and what is that strange ticking sound coming from that beautifully wrapped gift Authors include Agatha Christie Margery Allingham Georges Simenon and nine others **When I Was Old** Georges Simenon, 2016-02-04 For personal reasons or for reasons I don t know myself I began feeling old and I began keeping notebooks I was nearing the age of sixty Georges Simenon s autobiographical notebooks in which he recorded his observations experiences anxieties and all the silly ideas that pass through my head are one of the most candid self portraits of a writer ever put to paper Here as

the celebrated author ruthlessly examines his tortuous writing methods his past his fame his intimate relationships and his fears of ageing the result is an unsparing often painfully revealing insight into a man trying both to find and to escape himself As revealed in these notebooks Simenon's is a shrewd lucid mind the balance tips toward the real the immediate the mysteries of human complexity above all Utterly unpretentious The New York Times *Lady Molly of Scotland Yard* Baroness Emmuska Orczy, 2022-08-01 In *Lady Molly of Scotland Yard* Baroness Emmuska Orczy offers readers an intriguing collection of detective stories featuring the astute Lady Molly an early forerunner of the female detective genre This insightful compendium not only delights with its plots full of twists and intellectual puzzles but also imports a unique sense of literary finesse exploring the challenges and societal nuances faced by women during the Edwardian era The style suffused with an eloquent and now nostalgic articulation of early 20th century English situates itself amidst a pivotal moment in literature where the detective story evolved from mere entertainment to a more complex and profound narrative form reflecting societal perceptions and philosophies Orczy's writing thus echoes the innovation of her contemporaries while trailblazing for future women in literature and law enforcement narratives Baroness Emmuska Orczy herself an aristocrat of Hungarian descent was most famously known for her novel *The Scarlet Pimpernel* She was a keen observer of the societal structures and notions of nobility and gender roles of her time which considerably influenced her writing Her personal narrative that of an immigrant who had migrated to London manifests in her strong-willed characters who often defy conventions and societal expectations like Lady Molly who embodies Orczy's own experience with unconventional courage and astuteness The groundwork for such a character could have been inspired by Orczy's own need to traverse and challenge the dynamics of a society that was rigid and often unkind to outsiders and women thus imbuing her character with authenticity and depth *Lady Molly of Scotland Yard* is highly recommended for those with a penchant for classic detective fiction and readers interested in proto-feminist literary works The book provides not only an engaging puzzle to unravel but also a textual representation of a progressive female protagonist intricately woven against a backdrop of Edwardian society Orczy's work resonates still offering a blend of historical perspective and timeless intrigue that will captivate the modern reader while contributing to the discourse on gender and genre in literary traditions **The Judge's House (Inspector Maigret)** Georges Simenon, 2026-02-03 **Inspector Maigret Short Stories: Vol. 1** Georges Simenon, 2021 This new selection of stories featuring Inspector Maigret three of which are published in English for the first time takes the detective from a mysterious death in a Cannes hotel to a love triangle in the Loire countryside and a bitter rivalry within a Parisian family Written during the Second World War just a few years after Simenon had published what was intended to be his last novel featuring Inspector Maigret these tales of human frailty and deceit distill the atmosphere themes and psychological intensity that make Simenon's famous detective series so compelling Translated by Ros Schwartz Not just the world's bestselling detective series but an imperishable literary legend he exposes secrets and crimes not by forensic wizardry but by

the melded powers of therapist philosopher and confessor Boyd Tonkin Times

The Best Short Stories of Fyodor Dostoevsky Fyodor Dostoevsky,2012-07-11 This collection unique to the Modern Library gathers seven of Dostoevsky's key works and shows him to be equally adept at the short story as with the novel Exploring many of the same themes as in his longer works these small masterpieces move from the tender and romantic White Nights an archetypal nineteenth century morality tale of pathos and loss to the famous Notes from the Underground a story of guilt ineffectiveness and uncompromising cynicism and the first major work of existential literature Among Dostoevsky's prototypical characters is Yemelyan in The Honest Thief whose tragedy turns on an inability to resist crime Presented in chronological order in David Magarshack's celebrated translation this is the definitive edition of Dostoevsky's best stories

The Hanged Man of Saint-Pholien (Inspector Maigret) Georges Simenon,2025-05-06 Suddenly witness to a man's dreadful death Inspector Maigret finds himself faced with a series of sordid events that drove the man to despair in this haunting tale of guilt and tragedy While stopped at a railway station on the northern edge of Holland Inspector Maigret catches sight of a traveler acting oddly the man glances around furtively pulls out handfuls of coins to pay for purchases and guards a small suitcase Maigret decides to follow the man thinking he'll help catch a crook but then the inspector witnesses something terrible The stranger leaves behind only a passport with a false name and an old large dirty gray suit Struck by guilt Maigret resolves to figure out who this man was and why events ended so tragically The Hanged Man of Saint Pholien is a moving and deep exploration into the burdens of conscience and the lengths one might go in pursuit of absolution

The 13 Culprits Georges Simenon,2002 Night at the Crossroads Georges Simenon,2014-04-03 Compelling remorseless brilliant John Gray She came forward the outlines of her figure blurred in the half light She came forward like a film star or rather like the ideal woman in an adolescent's dream I gather you wish to talk to me Inspector but first of all please sit down Her accent was more pronounced than Carl's Her voice sang dropping on the last syllable of the longer words Maigret has been interrogating Carl Andersen for seventeen hours without a confession He's either innocent or a very good liar So why was the body of a diamond merchant found at his isolated mansion Why is his sister always shut away in her room And why does everyone at Three Widows Crossroads have something to hide This novel has been published in previous translations as Maigret at the Crossroads and The Crossroad Murders One of the greatest writers of the twentieth century Simenon was unequalled at making us look inside though the ability was masked by his brilliance at absorbing us obsessively in his stories Guardian A supreme writer unforgettable vividness Independent
