Maijas Sisu Profile In Fortitude:

The Unknown Soldier Väinö Linna, 1982 African Footballers in Sweden Carl-Gustaf Scott, 2015-09-16 This book employs men's football as a lens through which to investigate questions relating to immigration racism integration and national identity in present day Sweden Specifically this study explores if professional football serves as a successful model of multiracialism multiculturalism for the rest of Swedish society to emulate **Dentists** Mary Meinking, 2020-08 Open wide Dentists care for people's teeth Give readers the inside scoop on what it's like to be a dentist Readers will learn what dentists do the tools they use and how people get this exciting job *Handbook of Musical Identities* Raymond MacDonald, David J. Hargreaves, Dorothy Miell, 2017-03-09 Music is a tremendously powerful channel through which people develop their personal and social identities Music is used to communicate emotions thoughts political statements social relationships and physical expressions But just as language can mediate the construction and negotiation of developing identities so music can also be a means of communication through which aspects of people's identities are constructed Music can have a profound influence on our developing sense of identity our values and our beliefs be it from rock music classical music or jazz Musical identities MacDonald Hargreaves and Miell 2002 was unique in being one of the first books to explore this fascinating topic This new book documents the remarkable expansion and growth in the study of musical identities since the publication of the earlier work The editors identify three main features of current psychological approaches to musical identities which concern their definition development and the identification of individual differences as well as four main real life contexts in which musical identities have been investigated namely in music and musical institutions specific geographical communities education and in health and well being This conceptual framework provides the rationale for the structure of the Handbook The book is divided into seven main sections The first Sociological discursive and narrative approaches includes several general theoretical accounts of musical identities from this perspective as well as some more specific investigations The second and third main sections deal in depth with two of the three psychological topics described above namely the development of and individual differences in musical identities The fourth fifth and sixth main sections pursue three of the real life contexts identified above namely Musical institutions and practitioners Education and Health and well being The seventh and final main section of the Handbook Case studies includes chapters which look at particular musical identities in specific times places or contexts The multidisciplinary range and breadth of the Handbook's contents reflect the rapid changes that are taking place in music in digital technology and in their role in society as a whole such that the study of musical identity is likely to proliferate even further in the future *Why Are We Attracted to Sad Music?* Sandra Garrido, 2016-12-05 In this book perspectives in psychology aesthetics history and philosophy are drawn upon to survey the value given to sad music by human societies throughout history and today Why do we love listening to music that makes us cry This mystery has puzzled philosophers for centuries and tends to defy traditional models of emotions Sandra Garrido

presents empirical research that illuminates the psychological and contextual variables that influence our experience of sad music its impact on our mood and mental health and its usefulness in coping with heartbreak and grief By means of real life examples this book uses applied music psychology to demonstrate the implications of recent research for the use of music in health care and for wellbeing in everyday life

Woman No. 17 Edan Lepucki,2017-05-09 A juice box of suburban satire laced with Alfred Hitchcock The Washington Post a novel of art motherhood and the intensity of female friendships set in the posh hills above Los Angeles from the New York Times bestselling author of California NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Washington Post The Boston Globe San Francisco Chronicle New York Observer Huffington Post The Millions Nylon Vulture Bustle High in the Hollywood Hills Lady Daniels has separated from her husband She s going to need help with their toddler son if she s going to finish the memoir she can t stand writing From a Craigslist ad she hires S a magnetic young artist to live in the guesthouse behind the pool take care of Lady s young son and keep an eye on her older teenage one S performs her job beautifully and quickly draws the entire family into her orbit but she isn t exactly who she seems As Lady and S grow closer old secrets and new betrayals come to light jeopardizing what they hold most dear Praise for Woman No 17 Woman No 17 is propulsive and moving and considers vital questions with empathy and sly intelligence A winning novel The New York Times Book Review Lepucki s exploration of personal relationships takes on an increasingly noirish tone Much like Chekhov s gun a swimming pool introduced early in the book takes on the shadows of a floating body long before the reader realizes this might be a possibility Elle Edan Lepucki s Woman No 17 is part family melodrama part twisty self reflection Very funny GQ While Woman No 17 does possess all the trappings of a frothy page turner stormy arguments showy melodrama and oops an affair there are some quiet serious moments too It s the intersection between the two that makes this read both scintillating and thought provoking San Francisco Chronicle

Gender and Far Right Politics in Europe Michaela Köttig,Renate Bitzan,Andrea Petö,2016-12-30 This book is a systematic consideration of the link between the extreme right and the discourse about developments in regard to gender issues within different national states The contributors analyze right wing

extremist tendencies in Europe under the specific perspective on gender The volume brings together the few existing findings concerning the quantitative dimension of activities carried out by men and women in different countries and illuminates and juxtaposes gender ratios along with the role of women in right wing extremism Along with the gender specific access to right wing groups the chapters look at networks organizational forms specific strategies of female right wing extremists their ideologies especially regarding femininity and masculinity hetero normativity discourses on sexuality and preventive and counter strategies The book will be of use to students and scholars interested in gender and politics European politics and political extremism

The Populist Signal Claudia Chwalisz, 2015 The social and economic shifts of the past few decades have hardened deeply held scepticism and distrust of the establishment In an age of historically low party membership and identification voter volatility rising abstentionism and greater individualism mainstream parties are struggling to be representative This book is about the turbulent political scene unfolding in Britain and across western Europe It focuses on why large swathes of voters feel that politics does not work and how this fuels support for insurgent parties and actors Drawing on new survey data in the UK interviews and international case studies this book shows that people are concerned with the process of politics not merely its performance They have a genuine desire for greater political participation in the decision making process Setting out a range of democratic innovations to reconnect people with politics it contends that populism is a warning signal to parties and governments to revisit their approaches to governance and representation New forms of political engagement should not feel like a threat to formal political systems but rather as much needed additions that enrich democracy

Little Mouse Riikka Jäntti, 2016-08-11 Little Mouse has lots to do and quite a lot of things he d rather not do A day in the life of a toddler is a busy one as all parents know and Little Mouse s day is no exception Between getting dressed going to childcare eating dinner and making time for splashing in puddles Little Mouse has a lot to do and a lot to say no to This warm and humorous picture book from well loved Finnish author illustrator Riikka Jäntti introduces Little Mouse a small kid with a big personality who parents and children will relate to instantly In Little Mouse everyday life combines with the wonder of early childhood to produce a captivating story that s sure to become a read aloud favourite

The Ice Coven Max Seeck, 2021-09-28 Investigator Jessica Niemi is in a race against time to find the link between a body with strange markings that has washed up on a frigid shore in Finland and two baffling disappearances in this terrifying new novel from the New York Times bestselling author of The Witch Hunter Six months have passed since Jessica s encounter with the mysterious serial killing coven of witches and the death of her mentor Her nightmares about her mother and the witchcraft that undid her have only gotten worse but she s doing what she can to stay focused Her homicide squad now under new leadership has been given a murder case and a new series of disappearances to investigate A young woman s corpse has washed up on an icy beach and two famous Instagram influencers have gone missing at the same time The missing influencers and the murdered woman all have ties to a sinister cult Jessica finds an eerie painting of a lighthouse

on a remote island as she investigates and under the picture is a gruesome poem detailing a murder The nightmares about her mother suddenly seem all too real making Jessica wonder if the dead woman might be trying to tell her something about the killings And as Jessica works frantically to solve her latest case her horrific past comes roaring back and threatens to destroy her
