Well known as the host of KPFA's literary radio show Cover to Cover author Jack Foley has lived in the Bay Area for nearly four decades and his historical critical visionary and poetic observations are born of personal involvement as much as active research. The essays, talks and interviews of O POWERFUL WESTERN STAR are introduced by Dana Gioia. Foley is doing great things in articulating the poetic consciousness of San Francisco. Bennett's poetry could be seen as impenetrable and difficult to engage. However, given a bit of time and attention, one realizes it is vibrantly musical and lexically creative work. One is treated to daring neologisms, dangling parentheses and quotation marks, strange vizpo transductions of renaissance texts with ancient woodcuts, and his finely tuned blocks of poetry/prose. This collection, entirely written in 1996, should expand the poetic awareness of every reader. Congratulations to Ivan Argüelles for insight in bringing forth this collection. Peter Ganick.
