Mailman of the Birdsville Track Kristin Weidenbach, 2014-12-23 The truly classic Australian story of Tom Kruse legendary mailman of the Birdsville Track For the people who lived in the desert between Marree and Birdsville contact with the outside world was hard and sporadic but one man was their lifeline Tom Kruse For more than twenty years he was the connection with the outside world for the families station workers and others who lived along the Birdsville Track Tom delivered everything from the mail and newspapers to fuel and food whole communities waited in anticipation for him to drop off their supplies But it was a hard life from regularly making running repairs to his truck to unloading and reloading tons of stores so that he could ferry his cargo across flooded creeks Come sandhills hell or high water Tom Kruse kept faith with the locals up and down the Track Tom was a real Australian hero and no matter what happened the mail always got through Told with honesty and vigour Sydney Morning Herald A tribute to a man who earned the love of a whole generation of Australians and shows us that the pioneer characteristics of guts and good natured stoicism are still beautiful The Age Full of characters Daily Telegraph

The Brisbane River David Gibson, 2016-04-01 Have you ever been on the CityCat and wondered what heritage lies beneath the buildings that you are looking at along the river This book explores the Brisbane River Heritage Trail one section going upstream and the other one downstream Let the book be your guide The Brisbane River is the longest river in South East Queensland and flows through the city of Brisbane before emptying in Moreton Bay From its source around Mt Stanley 344 kilometres to Moreton Bay the Brisbane River with its many twists and turns presents the interested travelling public with a series of reaches with names that are at once geographic historic and of social importance

The Battle of One Tree Hill Ray Kerkhove, Frank Uhr, 2019 In 1840 Brisbane was the furthest outpost of settled Australia On all sides it was embedded in a richly Indigenous world Over the next few years mostly from across New South Wales northern plains a large push of pastoralists poured into the Darling Downs Lockyer and much of southern Queensland establishing huge sheep stations The violence that erupted welded many of the tribal groups into an alliance that by 1842 was working to halt the advance The Battle of One Tree Hill tells the story of one of the most audacious stands against this migration It concerns actions engineered by a father and son Moppy and Multuggerah In 1843 this culminated in an ingenious ambush and one of the first solid defeats of white settlement in Queensland The battle at Mount Table Top 128 kilometres west of Brisbane astounded many at the time The response was most likely the largest action of the frontier wars

the assembly of some 100 or more officers soldiers police and armed settlers much of the region's white settlement drawn from hundreds of square kilometres This force sought to drive out the warriors but despite their best efforts resistance not only persisted but managed a few more victories A fort had to be established to protect travellers and brutal skirmishes massacres raids and robberies trickled on for decades The Battle of One Tree Hill introduces us to many of the flamboyant characters curious reversals of fortune and neglected incidents that together helped establish early Queensland This narrative work combines decades of archival research analysis reconstruction and interviews conducted by historians Ray Kerkhove and Frank Uhr

Blue Flames, Black Gold Kristin Weidenbach, 2014 Blue Flames Black Gold is a story of persistence It's the intrepid wildcatters who ventured into Australia's dead heart and took a punt on drilling an oil well in virgin territory It's the young Adelaide lawyer who dared to dream and those on the sidelines who watched and scoffed It's two school chums who started an exploration company amidst the oil fervour of 1954 a company that 60 years later would be the biggest company in South Australia The history of Santos covers the excitement of exploration and discovery in the 1950s and 60s the boardroom tussles and political wrangles of the 1970s and 80s and the rise of technological developments in the new millennium It tells the tale of an industrial township that forms in the remote Australian outback of Alan Bond's controversial stock market deal which led to the South Australian government capping shareholdings for 28 years the construction of the 1 100 km Moomba to Sydney pipeline bringing natural gas to Sydney for the first time and the birth of the Coal Seam Gas industry Blue Flames Black Gold is not just the story of South Australia's biggest company but a story that encompasses the social and political history of the state and Australia's transition to the new energy sources of the future It is the story of pioneers exploring new frontiers It is a story of faith and vision and perseverance

Bushranger Tracks Gregory Powell, 2016 Read about the Ned Kelly gang Captain Starlight Ben Hall and many other bushrangers of our colonial past With a keen imagination the historic locations can transport the modern explorer back to the wild days of the early settlement when gold glittered guns blazed and men and women struggled Bushranger Tracks is the

result of Gregory Powell's continuing passion for Australian history and in particular the bushranger era. This is possibly the most extensive book detailing bushranger sites ever published. Gregory Powell combines his interests in bushwalking and history to explore historical and scenic regions on foot. He is the author of books exploring the Snowy Mountains, the Blue Mountains and Hunter Valley and has published four bushranger locality books. Greg was a founding member of Hunter Bushrangers, formerly Rovent Historical Re-enactments, a living history group formed in 1969 which performed at public events all over the state until 2009.

King of the Outback Kristin Weidenbach, 2017-04. Sidney Kidman runs away from home at thirteen and travels to the outback on a one-eyed horse. He finds stray cows in the scrub, swims across rivers by hanging on to a bullock's tail and dreams of having the biggest herd of cattle in Australia. Many years later, when the workers on Sid's cattle station organise a giant rodeo for Sid's birthday party, the cattle from the bush take fright in the city. People panic and horses bolt. Can the Kidman stockmen save the day?
