**Dog vs. Cat: A Nation Divided** Don Asmussen, 2012-11-06 It s been said politics makes for strange bedfellows In this case those fellows just happen to be furry In Dog vs Cat A Nation Divided cartoonist Don Asmussen creates a fun and fluffy mix of politics and pets that s outside the box The litter box that is It has become ever apparent in recent years that divisiveness is poisoning our national debate Discussion and compromise have been replaced by name calling bullying and veiled hate speech Never in our history has our country been so fractured between these two groups dog lovers and cat lovers Using metaphors from the political scene of both yesterday and today Dog vs Cat humorously parodies government silliness and squabbles through the eyes of a cartoon canine and kitty Humorist Don Asmussen takes us behind the scenes for an investigative look at the controversial Spot vs Mittens election one that nearly scratched and clawed our country apart The media gets accused of cat bias in its coverage of Mittens s affair with JenniPURR Flowers Meanwhile Spot s dog license is called into question at the Cat National Convention Perfect for the pet owner who keeps an eye on the political arena Dog vs Cat scoops the stories and then the yard of all the funny quirky things that cat lovers dog lovers and elected humans can do all in the name of creating a pet ter tomorrow *The Reader's Digest* DeWitt Wallace, Lila Acheson Wallace, 1981

**Stories** Bryan W. Alaspa, 2015-01-08 What lurks inside a small boys basement Why does that strange man at the bar say he has to get home before midnight What is life really like for a graffiti artist These are just some of the questions you might ask when you read this collection of short stories by Bryan W Alaspa Bryan Alaspa is mostly know for his novels and works of non fiction but he does dabble in short fiction Here for the first time is a short collection of even shorter stories Some of them scary some of them strange all of them entertaining *Mailmen's Dog Stories* Bil Paul, 1979-06-01 Editor's Choice Morty Sklar, Jim Mulac, 1980 Jackson and Jacqueline had a hard life in their childhood But when they met each of them decided to make some changes in their lives for the sake of their love However Jackson had secrets which kept him unhappy In addition he had a very powerful ring which he inherited from his father that protected him and bond their love An Alabama Story Daniel Hammarberg, 2012-12-05 An Alabama Story is based on the accounts a southern man living in Alabama related to the author he will here be referred to as Billy Bob When Hammarberg came across Billy Bob he was able to share in captivating tales of Billy Bob s family life and how he and his family here called the Hix had interacted with their surrounding community When Billy Bob let the author share in his tales he made the author swear that he wouldn t let anyone else hear about them Yet the author decided that these tales were simply too remarkable for the world to be denied them Hence this book was written a compilation of the tales Billy Bob had told the author about a year in the life of the Hix family Hopefully Billy Bob will forgive Hammarberg for breaking his vow and publishing the book Billy Bob insisted that even though many of his tales simply required the suspension of disbelief every single one of them were absolutely true But since the author doesn t want to jeopardize his good name by categorizing this work as non fiction in the case that some of them turn out not true it sorts

under Young Adult Fiction Inside the covers of this book the reader will be treated to anecdotes like these from the Hix family life The time the Hix burglarized a mansion as a family and brought home a hundred grand s worth of loot The time Billy Bob and one of his sons chased all the blacks out of the Birmingham welfare office How Billy Bob managed to prevent his lesbian daughter from marrying a 50 year old woman The story of when Billy Bob ran for mayor of Birmingham How two of the family members became local heroes in the pro wrestling circus During this year the family ran into a number of celebrities as well and these encounters are retold in full detail Hopefully reading the book will bring many hours of enjoyment and perhaps even spark a debate about freedom of speech Speaking of free speech prior to the publication of this novel certain well known voices in American public life demanded that their commentary on the book would be included with its distribution The author had no problems with including them and their messages are listed below Once again the white devil has put his racist sentiments on display for all of us to see Peaceful activists such as myself are doing the best we can to let our nation heal the wounds it s suffered under white supremacist rule then this book comes along and ruins it all A Sharpton This book will singlehandedly set us back at least 50 years in the struggle for women s liberation Not a single woman in this book has a career or works for a living and even worse the family s lesbian daughter is constantly bullied throughout the whole book J Fonda This is an outrage In spite of a lifetime spent fighting for civil rights I m being scoffed and ridiculed in the pages of this book Us blacks need to picket the Capitol over this J Jackson I fear that after this book has been widely circulated even more young queers than today will make that tragic step into the great beyond by taking their own lives tormented by homophobia Before you buy this book think of the children D Savage I feel that the language and the narrative elements of this book are very racially divisive and that they re entirely inappropriate for 21st century America I m especially appalled at the disrespectful references to me as a person and I urge you not to buy the book B H Obama For more information go to [alabamastory.com](http://alabamastory.com)
