The Main Enemy Milt Bearden, James Risen, 2004-08-31 A landmark collaboration between a thirty year veteran of the CIA and a Pulitzer Prize winning journalist The Main Enemy is the dramatic inside story of the CIA KGB spy wars told through the actions of the men who fought them Based on hundreds of interviews with operatives from both sides The Main Enemy puts us inside the heads of CIA officers as they dodge surveillance and walk into violent ambushes in Moscow This is the story of the generation of spies who came of age in the shadow of the Cuban missile crisis and rose through the ranks to run the CIA and KGB in the last days of the Cold War The clandestine operations they masterminded took them from the sewers of Moscow to the back streets of Baghdad from Cairo and Havana to Prague and Berlin but the action centers on Washington starting in the infamous Year of the Spy when one by one the CIA s agents in Moscow began to be killed up through to the very last man Behind the scenes with the CIA s covert operations in Afghanistan Milt Bearden led America to victory in the secret war against the Soviets and for the first time he reveals here what he did and whom America backed and why Bearden was called back to Washington after the Soviets withdrew from Afghanistan and was made chief of the Soviet East European Division just in time to witness the fall of the Berlin Wall the revolutions that swept across Eastern Europe and the implosion of the Soviet Union Laced with startling revelations about fail safe top secret back channels between the CIA and KGB double and triple agents covert operations in Berlin and Prague and the fateful autumn of 1989 The Main Enemy is history at its action packed best

Ego Is the Enemy Ryan Holiday, 2016-06-14 The instant Wall Street Journal USA Today and international bestseller While the history books are filled with tales of obsessive visionary geniuses who remade the world in their image with sheer almost irrational force I ve found that history is also made by individuals who fought their egos at every turn who eschewed the spotlight and who put their higher goals above their desire for recognition from the prologue Many of us insist the main impediment to a full successful life is the outside world In fact the most common enemy lies within our ego Early in our careers it impedes learning and the cultivation of talent With success it can blind us to our faults and sow future problems In failure it magnifies each blow and makes recovery more difficult At every stage ego holds
