**Main Street, U.S.S.R.** Irving R. Levine, 1959      *Main Street, USSR.* Irving R. Levine, 1960      *From Washington to Moscow* Louis Sell, 2016-08-04 When the United States and the Soviet Union signed the first Strategic Arms Limitation Talks accords in 1972 it was generally seen as the point at which the USSR achieved parity with the United States Less than twenty years later the Soviet Union had collapsed confounding experts who never expected it to happen during their lifetimes In *From Washington to Moscow* veteran US Foreign Service officer Louis Sell traces the history of US Soviet relations between 1972 and 1991 and explains why the Cold War came to an abrupt end Drawing heavily on archival sources and memoirs many in Russian as well as his own experiences Sell vividly describes events from the perspectives of American and Soviet participants He attributes the USSR's fall not to one specific cause but to a combination of the Soviet system's inherent weaknesses mistakes by Mikhail Gorbachev and challenges by Ronald Reagan and other US leaders He shows how the USSR's rapid and humiliating collapse and the inability of the West and Russia to find a way to cooperate respectfully and collegially helped set the foundation for Vladimir Putin's rise      *Back in the USSR* Boris Kagarlitsky, 2009 Boris Kagarlitsky reflects on what happened in Russia after the collapse of the old regime and how this has affected social and cultural life as well as the everyday lives of ordinary people      *The Soviet Union, from Lenin to Khrushchev* United States. Congress. House. Committee on Un-American Activities, 1960      **The Last Empire** Serhii Plokhy, 2015-05-07 BY THE AUTHOR OF CHERNOBYL HISTORY OF A TRAGEDY WINNER OF THE BAILLIE GIFFORD PRIZE 2018 WINNER OF THE PUSHKIN HOUSE RUSSIAN BOOK PRIZE 2015 On Christmas Day 1991 Mikhail Gorbachev resigned as president of the Soviet Union By the next day the USSR was officially no more and the USA had emerged as the world's sole superpower Award winning historian Serhii Plokhy presents a page turning account of the preceding five months of drama filled with failed coups d'état and political intrigue Honing in on this previously disregarded but crucial period and using recently declassified documents and original interviews with key participants he shatters the established myths of 1991 and presents a bold new interpretation of the Soviet Union's final months Plokhy argues that contrary to the triumphalist Western narrative George H W Bush desperately wanted to preserve the Soviet Union and keep Gorbachev in power and that it was Ukraine and not the US that played the key role in the collapse of the Soviet Union The consequences of those five months and the myth making that has since surrounded them are still being felt in Crimea Russia the US and Europe today With its spellbinding narrative and strikingly fresh perspective *The Last Empire* is the essential account of one of the most important watershed periods in world history and is indispensable reading for anyone seeking to make sense of international politics today      *USSR.*, 1963  
*Encyclopedia of Twentieth Century Journalists* William H. Taft, 2015-07-16 Originally published in 1986 This book is a unique compilation of biographical sketches which covers editors publishers photographers bureau chiefs columnists commentators cartoonists and artists Alphabetical entries provide overviews of the lives and personalities of a good cross

section of important people There is also a short essay on awards and prize winners Everything is efficiently indexed This is a supremely useful reference tool for those in mass media and popular culture fields *Performing Peace and Friendship* Pia Koivunen, 2022-11-07 *Performing Peace and Friendship* tells the story of how the Soviet Union succeeded in utilizing the World Festival of Youth and Students in its cultural diplomacy from late Stalinism through the early Khrushchev period Pia Koivunen discusses the evolution of the youth gathering into a Soviet cultural product starting from the first festival held in Prague in 1947 and ending with the Moscow 1957 gathering the latter becoming one of the most frequently referred moments of Khrushchev's Thaw By combining both institutional and grass roots perspectives the book widens our understanding of what Soviet cultural diplomacy was in practice re-evaluates the agency of young people and provides new insights into the Soviet role in the cultural Cold War Koivunen argues that rather than simply being orchestrated rallies by the Kremlin bureaucrats the World Youth Festivals also became significant spaces of transnational encounters for young people who found ways to employ the event for overcoming the various restrictions and boundaries of the Cold War world

*All this is your World* Anne E. Gorsuch, 2011-08-11 In the Khrushchev era Soviet citizens were newly encouraged to imagine themselves exploring the medieval towers of Tallinn's Old Town relaxing on the Romanian Black Sea coast even climbing the Eiffel Tower By the mid 1960s hundreds of thousands of Soviet citizens each year crossed previously closed Soviet borders to travel abroad *All this is your World* explores the revolutionary integration of the Soviet Union into global processes of cultural exchange in which a de-Stalinizing Soviet Union increasingly and anxiously participated in the transnational circulation of people ideas and items Anne E Gorsuch examines what it meant to be Soviet in a country no longer defined as Stalinist *All this is your World* is situated at the intersection of a number of topics of scholarly and popular interest the history of tourism and mobility the cultural history of international relations specifically the Cold War the history of the Soviet Union after Stalin It also offers a new perspective on our view of the European continent as a whole by probing the Soviet Union's relationship with both eastern and western Europe using archival materials from Russia Estonia Hungary Great Britain and the United States Beginning with a domestic tour of the Soviet Union in late Stalinism the book moves outwards in concentric circles to consider travel to the inner abroad of Estonia to the near abroad of eastern Europe and to the capitalist West finally returning home again with a discussion of Soviet films about tourism *The Olympics and the Cold War, 1948-1968* Erin Elizabeth Redihan, 2017-03-08 For Olympic athletes fans and the media alike the games bring out the best sport has to offer unity patriotism friendly competition and the potential for stunning upsets Yet wherever international competition occurs politics are never far removed Early in the Cold War when all U S Soviet interactions were treated as potential matters of life and death each side tried to manipulate the International Olympic Committee Despite the IOC's efforts to keep the games apolitical they were quickly drawn into the superpowers global struggle for supremacy with medal counts the ultimate prize Based on IOC U S government and contemporary media sources this book looks at six

consecutive Olympiads to show how high the stakes became once the Soviets began competing in 1952 threatening America's athletic supremacy

### **Main Street Ussr Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Main Street Ussr has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Main Street Ussr has opened up a world of possibilities. Downloading Main Street Ussr provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Main Street Ussr has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Main Street Ussr. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Main Street Ussr. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Main Street Ussr, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Main Street Ussr has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By

doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
