Main-travelled Roads Hamlin Garland,1930 **Other Main-Travelled Roads** Hamlin Garland,1984-01-01 **A Son of the Middle Border** Hamlin Garland,1917 A Son of the Middle Border by Hamlin Garland first published in 1917 is a rare manuscript the original residing in one of the great libraries of the world This book is a reproduction of that original which has been scanned and cleaned by state of the art publishing tools for better readability and enhanced appreciation Restoration Editors mission is to bring long out of print manuscripts back to life Some smudges annotations or unclear text may still exist due to permanent damage to the original work We believe the literary significance of the text justifies offering this reproduction allowing a new generation to appreciate it A Daughter of the Middle Border Hamlin Garland,2013-10-01 Pulitzer Prize winning sequel to A Son of the Middle Border continues the author's autobiographical theme and deals sensitively with Garland's marriage and later career as well as the challenges of pioneer life in 19th century

mid America Main-Travelled Roads (1891), by Hamlin Garland Hamlin Garland,2016-04-01 Main Travelled Roads contains eleven stories in this expanded and revised 1922 edition of an undisputed American classic Under the Lion s Paw shows an honest hard working farmer victimized by a greedy landlord Equally powerful is the semi autobiographical Up the Coolly concerning a successful son who returns from the East to find his mother and brother trapped on a poor farm defeated in spite of their best efforts Mrs Ripley s Trip is a tender story of an elderly couple settled in their frugal country ways with the wife determined to realize her dream of revisiting childhood scenes Although Garland paints no pretty pictures he offers exhilarating moments in the lives of these farm people and never ignores the strength of individual will William Dean Howells s introduction to the 1922 edition has been retained **Main-travelled Roads** Hamlin Garland,1922 Other

perfectly captures the love hate relationship many have with road trips Publishers Weekly Don t Make Me Pull Over reveals how the family road trip came to be how its evolution mirrored the country s and why those magical journeys that once brought families together for better and worse have largely disappeared **Main-travelled Roads** Hamlin Garland,1961

The Appian Way Robert A. Kaster,2012-03-01 The eminent classicist delivers an evocative history of Europe s first great road from Rome to the heel of Italy in this slim but evocative volume The Guardian UK The 1st century Roman poet Statius called the Via Appia the Queen of Roads and for nearly a thousand years that description held true as countless travelers trod its path from the center of Rome to the Southern Italian city of Brindisi Today the road is all but gone destroyed by time neglect and the incursions of modernity to travel the Appian Way today is to walk in the footsteps of ghosts In *The Appian Way* Robert A Kaster is our guide to those ghosts and the layers of history they represent A footsore Roman soldier pushing the imperial power south craftsmen and farmers bringing their goods to the towns that lined the road pious pilgrims headed to Jerusalem using stage by stage directions that can still be followed all come to life once more as Kaster journeys along what s left of the Appian Way Other voices help him tell the story Cicero Goethe Hawthorne Dickens James and even Monty Python offer commentary and insight With *The Appian Way* Kaster invites us to close our eyes and walk with him back in time to the campaigns of Garibaldi the revolt of Spartacus and the glory days of Imperial Rome **The Book of the American**

Indian Hamlin Garland,2005-01-01 In these and other stories written from 1890 1905 Hamlin Garland sought to capture his vision of the spirit of the Native American Indian in transition Based on ten years of visits to reservations in the American West these stories are of interest for readers today in part because they illustrate a sincere and well intentioned white reformer coming to understand a culture radically at odds with his own and discovering in the process that his own culture is less advanced than he had supposed This edition reprints the text and illustrations from the 1923 printing as well as two of Garland s essays indicting the treatment of Indians An introduction places the stories in the historical context of Garland s life and times BOOK JACKET Main-Travelled Roads Hamlin Garland,2022-08-01 DigiCat Publishing presents to you this special edition of *Main Travelled Roads* by Hamlin Garland DigiCat Publishing considers every written word to be a legacy of humankind Every DigiCat book has been carefully reproduced for republishing in a new modern format The books are available in print as well as ebooks DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature

The Routledge Companion to Corporate Social Responsibility Thomas Maak,Nicola Pless,Marc Orlitzky,Sukhbir Sandhu,2021-08-25 While the concept and domain of Corporate Social Responsibility CSR are not new its beginnings can be tracked back to the 1960s its scope urgency and relevance have shifted dramatically in recent years CEO responses show that the majority of business leaders understand that they operate in an environment of contested values and that stakeholders expect companies to do better and more However many corporate incentive systems are not in sync with societal norms and expectations Moreover grand challenges such as climate change and global pandemics and

growing interconnectedness shed light on the fault lines of value creation through complex supply chain systems exposing unacceptable working conditions modern slavery and the environmental consequences of highly distributed production at any cost As a consequence corporate social responsibility has become a widely accepted common denominator of the role and responsibilities of business in society ranging from core functions such as health safety and environment standards to governance and recognition of stakeholders supply chain design and corporations stand on climate change and its responsibility to future generations This volume assembles state of the art scholarship from leading scholars in the field and enables a full range view of CSR from its roots normative foundations and institutional perspectives to matters of stakeholding the global value chain social innovation and future directions The Routledge Companion to Corporate Social Responsibility represents a prestige reference work providing an overview of the subject area of CSR for academics researchers postgraduate students as well as reflective practitioners
