Mainland China:

Propaganda, Media, and Nationalism in Mainland China and Hong Kong Lu Wei Rose Luqiu, 2020-07-07 This book presents a conceptual discussion of propaganda and the nature of media in China and Hong Kong It looks at two case studies of Chinese media control including the presentation of Taiwan Xinjiang and Tibet and the misrepresentation of the pro democracy movement in Hong Kong

Corruption by Design Melanie Manion, 2009-07-01 This book contrasts experiences of mainland China and Hong Kong to explore the pressing question of how governments can transform a culture of widespread corruption to one of clean government Melanie Manion examines Hong Kong as the best example of the possibility of reform Within a few years it achieved a spectacularly successful conversion to clean government Mainland China illustrates the difficulty of reform Despite more than two decades of anticorruption reform corruption in China continues to spread essentially unabated The book argues that where corruption is already commonplace the context in which officials and ordinary citizens make choices to transact corruptly or not is crucially different from that in which corrupt practices are uncommon A central feature of this difference is the role of beliefs about the prevalence of corruption and the reliability of government as an enforcer of rules ostensibly constraining official venality Anticorruption reform in a setting of widespread corruption is a problem not only of reducing corrupt payoffs but also of changing broadly shared expectations of venality The book explores differences in institutional design choices about anticorruption agencies appropriate incentive structures and underlying constitutional designs that contribute to the disparate outcomes in Hong Kong and mainland China

Living in the Margins in Mainland China, Hong Kong and India Wing Chung Ho, Florence Padovani, 2020-05-06 With a range of case studies from Asia this book sheds light on empirical realizations of marginality in a globalized context using first hand original research In the late 2000s the financial crisis witnessed the fragility of high levels of market integration and the vulnerability of globalisation Since then the world seems to have entered an epoch of anxiety featuring populism with varying degrees of protectionism and nationalism What is the nature of this populist mood as a backlash against globalisation How do people feel about it and act upon it Why should specific intellectual attention be paid to the increasingly marginalised by the recent macroscopic structural changes These are the questions addressed by the contributors of this book illustrated with specific cases from mainland China Hong Kong and India all of which have undergone substantial populist or nationalist movements since 2010 A valuable resource for sociologists looking to understand the impacts of globalization especially those with a particular interest in Asia

Air Cargo in Mainland China and Hong Kong Anming Zhang, 2004 Air traffic and the aviation industry have grown rapidly on the Chinese mainland in the two and a half decades since China's open door policy Accession to the WTO will further stimulate trade and foreign direct investment FDI intensifying the demand for air cargo services This book provides a systematic and comprehensive study of China's air cargo industry as well as its policy evolution

China's Quiet Rise Baogang Guo, Chung-chian Teng, 2011-05-12 Despite China's desire to make its rapid ascendance in the 21st century as non provocative as possible the key to ensure China's peaceful rise lies in two way integration and engagement A closely integrated China with the rest of the world and China's acceptance of existing international norms and rules may compel China to behave in a more predictable and responsive way

This co edited book examines China's rising military capacity and the complex feelings its neighbors such as Taiwan South Korea and India have toward the increasingly powerful China The focus of this book is on the efforts made by China to brand her non aggressive image through promoting public diplomacy and expanding regional free trade and cooperation in Asia and Latin America It uses the cross Taiwan strait relations as a testing ground for the prospect of peace between the two former adversaries China's Quiet Rise will help readers understand why integration instead of isolation and containment may be the most effective way to facilitate China's peaceful rise

People's Republic of China-Hong Kong Special Administrative Region International Monetary Fund,2018-01-22 This 2017 Article IV Consultation highlights that economic activity in Hong Kong Special Administrative Region has gained momentum since the second half of 2016 amid robust domestic demand and recovering external demand Growth is projected to have risen by 3.7 percent in 2017 up from 2 percent in 2016 The strong growth momentum is expected to continue in the near term with annual growth of 2.8 percent in 2018 Consumption is projected to continue to be supported by a tight labor market and investment is expected to remain strong with major infrastructure and housing projects in the pipeline The economy is expected to continue to grow at about 3 percent over the medium term close to its potential

People's Republic of China-Hong Kong Special Administrative Region International Monetary Fund. Asia and Pacific Dept,2019-12-30 This 2019 Article IV Consultation with People's Republic of China Hong Kong Special Administrative Region SAR discusses that the economy is projected to start recovering next year but the pace is expected to be gradual and both near and medium term risks have increased significantly including from trade and technology tensions ongoing social unrest and structural challenges of insufficient housing supply and high income inequality Hong Kong SAR is well placed to address both cyclical and structural challenges with its significant buffers thanks to its long history of prudent macroeconomic policies Given that the fiscal framework permits deficits during economic downturns government spending should be increased significantly in the areas of social safety nets education retraining and infrastructure to cope with the cyclical downturn and address structural challenges of insufficient housing and high income inequality This should be complemented with measures to ensure fiscal sustainability and greater equity

Hearings United States. Congress Senate,1960 **Hearings** United States. Congress. Senate. Committee on Commerce,1960 China's Development and Harmonization Bin Wu,Shujie Yao,Jian Chen,2013-08-21 The concept of harmonization has become very popular in China with the Chinese government increasingly applying the term harmonious society to internal affairs and the term harmonious world to international relationships Harmonization as both an end and a means of China's development is deeply rooted in China's cultural tradition which emphasizes moderation balance and harmony between human beings and nature between different social groups and between the Chinese and other nationalities This book examines the experience of enacting the concept of harmonization in China in recent years It explores this in terms of developments within Chinese society economic developments and changes in business practices environmental challenges and coping strategies and

changing patterns of international relations Throughout it discusses the gaps between rhetoric and reality policy and practice
