Mainline Churches And The Evangelicals A Challenging Crisis

Christopher P. Scheitle

Mainline Churches And The Evangelicals A Challenging Crisis:

Mainline Churches and the Evangelicals Richard G. Hutcheson, 1981 *The Quest for Identity in so-called Mainline Churches in South Africa* Ernst M Conradie, John Klaasen, 2014-05-01 This volume of essays forms part of a series on the interface between ecumenical theology and social ethics in the South African context This contribution is the result of a public conference hosted at the University of the Western Cape in May 2013 under the same title It explores the quest for identity in so called mainline churches in South Africa given the history of the establishment of various denominations of mainly European origin in Southern Africa ecumenical efforts to find common ground between such churches and breakaway movements among independent and Pentecostal churches where this search for identity is evidently found wanting

Beyond the Congregation Christopher P. Scheitle, 2010-09-09 Christianity in the United States has long been organized around congregations and denominations However a different type of organization operating outside of these traditional structures is claiming an increasingly important place in the religious market The growth of Christian nonprofits popularly called parachurch organizations has been recognized by churchgoers and social scientists alike as an important development that is transforming the composition and dynamics of American Christianity The size resources and activities of this population have made it the public face of American Christianity and altered the relationship between individuals churches and denominations Beyond the Congregation utilizes data on almost 2 000 of the largest and most influential Christian nonprofits in the United States to answer some of the key questions raised by these organizations What explains the growth of Christian nonprofits What activities are they pursuing How are they funded and how do they use those funds Beyond the Congregation provides a much needed examination of these issues that is accessible and informative for scholars nonprofit executives religious leaders and the general public Are Southern Baptists "Evangelicals"? James Leo Garrett, E. Glenn Hinson, James E. Tull, 1983 Reformed Theology in America David F. Wells, 1985 Modern Reformed Theology In America Has shown astonishing variety in its expression Grouped under the name Reformed are in fact five diverse traditions the Princeton theology Westminster Calvinism the Dutch schools Southern Reformed thought and Neoorthodoxy This book provides penetrating analysis of these five traditions and the two leading theologians of each The result is an important advance in our understanding of what being Reformed has meant and what it should now mean in the late twentieth century Publisher Change and Conflict in the U.S. Army Chaplain Corps since 1945 Anne Loveland, 2014-07-30 Army chaplains have long played an integral part in America's armed forces In addition to conducting chapel activities on military installations and providing moral and spiritual support on the battlefield they conduct memorial services for fallen soldiers minister to survivors offer counsel on everything from troubled marriages to military bureaucracy and serve as families points of contact for wounded or deceased soldiers all while risking the dangers of combat alongside their troops In this thoughtful study Anne C Loveland examines the role of the army chaplain since World War II revealing how the corps has

evolved in the wake of cultural and religious upheaval in American society and momentous changes in U S strategic relations warfare and weaponry From 1945 to the present Loveland shows army chaplains faced several crises that reshaped their roles over time She chronicles the chaplains initiation of the Character Guidance program as a remedy for the soaring rate of venereal disease among soldiers in occupied Europe and Japan after World War II as well as chaplains response to the challenge of increasing secularism and religious pluralism during the culture wars of the Vietnam Era Religious accommodation evangelism and proselytizing public prayer and spiritual fitness provoked heated controversy among chaplains as well as civilians in the ensuing decades Then early in the twenty first century chaplains themselves experienced two crisis situations one the result of the Vietnam era antichaplain critique the other a consequence of increasing religious pluralism secularization and sectarianism within the Chaplain Corps as well as in the army and the civilian religious community By focusing on army chaplains evolving sometimes conflict ridden relations with military leaders and soldiers on the one hand and the civilian religious community on the other Loveland reveals how religious trends over the past six decades have impacted the corps and in turn helped shape American military culture

Evangelical Theories of Biblical Inspiration Kern Robert Trembath,1987 The inspiration of the Bible is central to Christian faith yet there is no general agreement on the nature of this inspiration The author analyses seven major evangelical explanations

The Scandal of the Evangelical Mind Mark A. Noll,2022-03-15 Winner of the Christianity Today Book of the Year Award 1995 The scandal of the evangelical mind is that there is not much of an evangelical mind So begins this award winning intellectual history and critique of the evangelical movement by one of evangelicalism s most respected historians Unsparing in his indictment Mark Noll asks why the largest single group of religious Americans who enjoy increasing wealth status and political influence have contributed so little to rigorous intellectual scholarship While nourishing believers in the simple truths of the gospel why have so many evangelicals failed to sustain a serious intellectual life and abandoned the universities the arts and other realms of high culture Over twenty five years since its original publication The Scandal of the Evangelical Mind has turned out to be prescient and perennially relevant In a new preface Noll lays out his ongoing personal frustrations with this situation and in a new afterword he assesses the state of the scandal showing how white evangelicals embrace of Trumpism their deepening distrust of science and their frequent forays into conspiratorial thinking have coexisted with surprisingly robust scholarship from many with strong evangelical connections

Evangelicalism and Karl Barth Phillip R.

Thorne,1995-01-01 This long standing series provides the guild of religion scholars a venue for publishing aimed primarily at colleagues It includes scholarly monographs revised dissertations Festschriften conference papers and translations of ancient and medieval documents Works cover the sub disciplines of biblical studies history of Christianity history of religion theology and ethics Festschriften for Karl Barth Donald W Dayton James Luther Mays Margaret R Miles and Walter Wink are among the seventy five volumes that have been published Contributors include C K Barrett Francois Bovon Paul S Chung Marie

Helene Davies Frederick Herzog Ben F Meyer Pamela Ann Moeller Rudolf Pesch D Z Phillips Rudolf Schnackenburgm Eduard Schweizer John Vissers **The Rise and Fall of the Religious Left** L. Benjamin Rolsky, 2019-11-12 For decades now Americans have believed that their country is deeply divided by culture wars waged between religious conservatives and secular liberals In most instances Protestant conservatives have been cast as the instigators of such warfare while religious liberals have been largely ignored In this book L Benjamin Rolsky examines the ways in which American liberalism has helped shape cultural conflict since the 1970s through the story of how television writer and producer Norman Lear galvanized the religious left into action The creator of comedies such as *All in the Family* and *Maude* Lear was spurred to found the liberal advocacy group People for the American Way in response to the rise of the religious right Rolsky offers engaged readings of Lear's iconic sitcoms and published writings considering them as an expression of what he calls the spiritual politics of the religious left He shows how prime time television became a focus of political dispute and demonstrates how Lear's emergence as an interfaith activist catalyzed ecumenical Protestants Catholics and Jews who were determined to push back against conservatism's ascent Rolsky concludes that Lear's political involvement exemplified religious liberals' commitment to engaging politics on explicitly moral grounds in defense of what they saw as the public interest An interdisciplinary analysis of the definitive cultural clashes of our fractious times *The Rise and Fall of the Religious Left* foregrounds the foundational roles played by popular culture television and media in America's religious history

What Is Truth? James Emery White, 2006-09-01 *SEARCHING FOR ABSOLUTES IN A POSTMODERN WORLD* In this postmodern age truth especially religious or moral truth is widely criticized and constantly challenged yet perhaps more important than ever It was this realization that led James Emery White to examine the concepts of truth as held by five twentieth century theologians Cornelius Van Til Millard J Erickson Francis A Schaeffer Donald G Bloesch Carl F H Henry

American Evangelicals and the 1960s Axel R. Schäfer, 2013-08-23 In the late 1970s the New Christian Right emerged as a formidable political force boldly announcing itself as a unified movement representing the views of a moral majority But that movement did not spring fully formed from its predecessors *American Evangelicals and the 1960s* refutes the thesis that evangelical politics were a purely inflammatory backlash against the cultural and political upheaval of the decade Bringing together fresh research and innovative interpretations this book demonstrates that evangelicals actually participated in broader American developments during the long 1960s that the evangelical constituency was more diverse than often noted and that the notion of right wing evangelical politics as a backlash was a later creation serving the interests of both Republican conservative alliances and their critics Evangelicalism's involvement with rather than its reaction against the main social movements public policy initiatives and cultural transformations of the 1960s proved significant in its 1970s political ascendance Twelve essays that range thematically from the oil industry to prison ministry and from American counterculture to the Second Vatican Council depict modern evangelicalism both as a religious movement with its own

internal dynamics and as one fully integrated into general American history Myself when I Am Real Gene Santoro, 2001
An acclaimed music critic strips away the myths shrouding Jazz's Angry Man in the best examination yet of an American original The Washington Post *Popular Religion in America* Erling T. Jorstad, 1993-04-22 The enormous growth of evangelicalism is one of the major developments in recent American life Like other scholars Jorstad acknowledges that evangelicalism has grown because it is theologically attractive But Jorstad also attributes the growth of the evangelical movement to its relationship with American popular culture According to the author the evangelical movement was able to integrate populist democratic traditions with a cultural inclusiveness a mastery of high technology and a willingness to use mass media to spread its views The book contains three sections The first traces the development of evangelical subculture between 1960 and 1990 The second part discusses the evangelical movement and social and individual values The third part explores popular religion and the media The book considers the involvement of evangelicals in popular religion the appeal of popular religion to many but not to all evangelicals the similarities between popular religion and more traditional religious organizations and the means by which evangelicalism effectively utilizes the many genres and styles of popular culture

The Pluralistic Vision Milton J. Coalter, John M. Mulder, Louis Weeks, 1992-01-01 Essays in this valuable book examine the results of research on theological education in the twentieth century spiritual formation among seminarians and the changing nature of Presbyterian related colleges Several essays review Christian education among Presbyterians focusing on the forming of curricula and publications from denominational presses Through its examination of American Presbyterianism the Presbyterian Presence series illuminates patterns of change in mainstream Protestantism and American religious and cultural life in the twentieth century *American Religious History* Gary Scott Smith, 2020-12-07 A mix of thematic essays reference entries and primary source documents covering the role of religion in American history and life from the colonial era to the present Often controversial religion has been an important force in shaping American culture Religious convictions strongly influenced colonial and state governments as well as the United States as a new republic Religious teachings values and practices deeply affected political structures and policies economic ideology and practice educational institutions and instruction social norms and customs marriage and family life By analyzing religion's interaction with American culture and prominent religious leaders and ideologies this reference helps readers to better understand many fascinating often controversial religious leaders ideas events and topics The work is organized in three volumes devoted to particular periods Volume one includes a chronology highlighting key events related to religion in American history and an introduction that overviews religion in America during the period covered by the volume and roughly 10 essays that explore significant themes These essays are followed by approximately 120 alphabetically arranged reference entries providing objective fundamental information about topics related to religion in America Each volume presents nearly 50 primary source documents each introduced by a contextualizing headnote A selected general bibliography closes volume three Contending for the Faith

Daniel Richard Barnett, 2002 Examines how a southern evangelical denomination was able to become the second largest religious body in a region characterized by cultural racial and religious pluralism and the effect this had on their structure and beliefs

Revive Us Again Joel A. Carpenter, 1999 Publicly humiliated by the Scopes monkey trial of 1925 fundamentalism in America seemed extinct by the end of the 1920s and then all but invisible to the mainstream until evangelists like Billy Graham gave new life to the movement in the popular revivals of the 1940s and 50s Here Joel A Carpenter illuminates these hidden years in the fundamentalist movement's history and in doing so provides answers to the riddle of its survival Blending painstaking research telling anecdotes and astute analysis Carpenter brings this era into focus for the first time ever He shows that contrary to the popular opinion of the day fundamentalism was alive and well in America in the late 1920s and used its isolation over the next 20 years to build new strength from within Taking a reasoned objective approach to a topic frequently reduced to caricature *Revive Us Again* gives us a fresh look at the continuing influence of American fundamentalism an influence still evident in today's newspapers and cable TV newscasts

God in the Wasteland David F. Wells, 1994 In this sequel to the widely praised *No Place for Truth* David Wells calls for the restoration of the church based on a fresh encounter with the transcendent God By looking anew at the way God's transcendence and immanence have been taken captive by modern appetites Wells argues convincingly for a reform of the evangelical world

The Integrity of Biblical Narrative Mark Ellingsen, 2002-06-06 This is one of those rare books that effectively puts theology into practice Ellingsen provides a remarkably comprehensive survey of recent approaches to biblical narrative and shows that not all approaches are compatible Theological integrity requires that they be used discriminatingly Then in the greater part of the book he explains the homiletical implications As befits an accomplished theologian who is also a preacher he gives apt advice and excellent examples This is also the best book written on narrative theology and preaching

George Lindbeck Yale University In this excellent book about biblical narrative preaching Mark Ellingsen has brought together the expertise of the systematician who has one foot in academics and the experience of the parish pastor who has the other foot in the pulpit every week As a systematician he criticizes and corrects the contemporary trend toward developing and preaching story sermons offering a theology of realistic narrative sermons in their place He also functions as a homiletician explaining his system of preparing biblical narrative sermons and caps the entire effort with illustrations from his own homiletical endeavors This insightful work should provoke discussion among biblical and systematic theologians and at the same time prove profitable to pastors seeking to preach the gospel story in interesting convincing and theologically valid sermons

George M Bass Luther Northwestern Theological Seminary

Decoding **Mainline Churches And The Evangelicals A Challenging Crisis**: Revealing the Captivating Potential of Verbal Expression

In a time characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. Its ability to evoke sentiments, stimulate introspection, and incite profound transformations is genuinely awe-inspiring. Mainline Churches And The Evangelicals A Challenging Crisis Introduction

In today's digital age, the availability of Mainline Churches And The Evangelicals A Challenging Crisis books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Mainline Churches And The Evangelicals A Challenging Crisis books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Mainline Churches And The Evangelicals A Challenging Crisis books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Mainline Churches And The Evangelicals A Challenging Crisis versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Mainline Churches And The Evangelicals A Challenging Crisis books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Mainline Churches And The Evangelicals A Challenging Crisis books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it

an excellent resource for literature enthusiasts. Another popular platform for Mainline Churches And The Evangelicals A Challenging Crisis books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Mainline Churches And The Evangelicals A Challenging Crisis books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Mainline Churches And The Evangelicals A Challenging Crisis books and manuals for download and embark on your journey of knowledge?

FAQs About Mainline Churches And The Evangelicals A Challenging Crisis Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Mainline Churches And The Evangelicals A Challenging Crisis is one of the best book in our library for free trial. We provide copy of Mainline Churches And The Evangelicals A Challenging Crisis in digital format, so the resources that you find are reliable. There are also many

Ebooks of related with Mainline Churches And The Evangelicals A Challenging Crisis. Where to download Mainline Churches And The Evangelicals A Challenging Crisis online for free? Are you looking for Mainline Churches And The Evangelicals A Challenging Crisis PDF? This is definitely going to save you time and cash in something you should think about.
