Maintaining Long-Distance and Cross-Residential Relationships

Maintaining Long Distance Cross Reside

Daniel J. Canary, Marianne Dainton

Maintaining Long Distance Cross Reside:

Maintaining Long-Distance and Cross-Residential Relationships Laura Stafford,2004-12-13 Author Laura Stafford summarizes literature across the social sciences on various types of long distance relationships and extracts themes and patterns across the relational types In so doing she reconsiders approaches to and offers an expanded vision *Maintaining Long-Distance and Cross-Residential Relationships* Laura Stafford,2004-12-13 This thought provoking volume offers an innovative and intriguing approach to the study of long distance relationships Author Laura Stafford examines romantic long distance relationships and then expands the conception of long distance relationships to include other relational types She summarizes literature across the social sciences on various types of long distance relationships and extracts themes and patterns across the relational types In so doing she reconsiders approaches to and offers an expanded vision of relational maintenance By expanding her scope beyond romantic relationships Stafford includes those that span residences and relational types such as noncustodial parent child and geographically and residentially separated adult children and parents She contends that face to face interaction is not necessary to maintain healthy relationships and questions the assumption that maintaining rather than terminating a particular relationship is always best for the involved parties With its interdisciplinary approach to challenging commonly held assumptions about communication and close relationships *Maintaining Long Distance and Cross Residential Relationships* will be engaging reading for scholars in communication psychology sociology mass communication and family studies It is also appropriate for special topics graduate courses on long distance relationships and human communication and will serve as a unique supplemental text for upper level undergraduate and graduate students in interpersonal relational and family communication and family studies **Have the Relationship You Want** Rori Gwynne,2006-11 A step by step guide for women to tranforming your love life practically overnight *The End of Nature* Bill McKibben,2014-09-03 Reissued on the tenth anniversary of its publication this classic work on our environmental crisis features a new introduction by the author reviewing both the progress and ground lost in the fight to save the earth This impassioned plea for radical and life renewing change is today still considered a groundbreaking work in environmental studies McKibben s argument that the survival of the globe is dependent on a fundamental philosophical shift in the way we relate to nature is more relevant than ever McKibben writes of our earth s environmental cataclysm addressing such core issues as the greenhouse effect acid rain and the depletion of the ozone layer His new introduction addresses some of the latest environmental issues that have risen during the 1990s The book also includes an invaluable new appendix of facts and figures that surveys the progress of the environmental movement More than simply a handbook for survival or a doomsday catalog of scientific prediction this classic soulful lament on Nature is required reading for nature enthusiasts activists and concerned citizens alike *Living Apart Together Transnationally (LATT) Couples* Rashmi Singla,2024-05-18 This book provides deep insight into intimacy and distance in the complex

globalised world through the newly coined concept of couples living apart together transnationally LATT Based on a review of the past four decades seminal studies and narratives from a qualitative empirical study including both heterosexual and same sex couples it shows intimacy can be maintained without geographical proximity The book has a rich layered and nuanced exploration of LATT couples experiences of relationship maintenance across distance and time through diverse ways such as digital emotions online sexual activity and meaning making through spirituality which challenge existing Eurocentric conceptualisations of intimacy and relationships It also reveals an array of good practices for relationship maintenance across countries which can inspire other couples and practitioners Thus the book is an important resource not only for academics in the disciplines of psychology anthropology cultural studies family science sociology migration and communication but particularly useful for practitioners dealing with couple relationships such as counselors social workers and mental health advisors It is also relevant for international organizations and multinational corporations working with couples living apart together transnationally The implications of this book for how we live now are clear in a more closely connected and mobile world the possibility of living our most intimate relationships across distance will affect increasing numbers of us the book s informative theoretical and practical messages have valuable lessons for many of us now and in the future Dr Lucy Williams University of Kent the UK Living Apart Together Transnationally LATT Couples Promoting mental health and intimacy gives us insights into the everyday lives of couples living apart together LAT in a contemporary world characterized by globalisation and pandemics that have affected border controls and migration policies in different countries Rashmi Singla invites us to challenge the way we understand intimate relationships that are connected to physical proximity and provides us with innovative ways to maintain emotional and physical intimacy despite geographical separation Sayaka Osanami T rnegren Associate Professor of International Migration and Ethnic Relations Malm University Sweden Dr Rashmi Singla s book Living Apart Together Transnationally addresses a very important problem many modern couples encounter living apart in different countries The increasing globalization of the job market and mass migration in the past four decades have made this topic more important than ever before However research about love and life in such conditions is still limited The research presented in this book reveals some new qualitative research findings about how partners maintain health and intimacy in such challenging conditions This book presents novel and invaluable research for scholars in the area of love and couple relationships Victor Karandashev Ph D Professor of Aquinas College Michigan The U S A Dr Rashmi Singla s work Living Apart Together Transnationally LATT stands as a profoundly empirical exploration of long distance couples spanning international borders The book provides captivating revelations into the lives intimacies and spiritual dimensions of such relationships Offering an interdisciplinary approach it establishes a robust groundwork for further investigations in this emerging field Lise Paulsen Galal PhD Associate Professor in Intercultural Studies Roskilde University Denmark How important is proximity in intimate relationships when partners live apart in different countries This question sits at the core

of this timely book which offers new insights in part through the range of areas considered but also through its challenge to existing Eurocentric conceptualisations of intimacy and relationships Using narratives collected in in depth interviews including through the period of Covid 19 Dr Rashmi Singla provides rich accounts of living apart together LAT but vitally adding a transnational perspective LATT Dr Tina Miller Professor of Sociology Oxford Brookes University UK Author of Motherhood Contemporary Experiences and Generational Change Cambridge University Press 2023 The book Living Apart Together Transnationally LATT Couples Promoting Mental Health and Intimacy is based on an empirical study on couples living apart transnationally Collecting data on couples is difficult and for that alone I appreciate the work done by the author Given that migration and mobility of families and couples is not likely to come to an end with the pandemic a study that brings together experiences of couples compelled to live apart would be illustrative The book refers to using social media for couples to connect with each other This is useful information in the social and digital worlds that we live in The phenomenon of migration and couples having to live apart is an ongoing one which is likely to be of interest to many academics and practitioners from host and receiving countries Professor Sujata Sriram Dean School of Human Ecology Tata Institute of Social Sciences Mumbai India This ground breaking book provides new knowledge of how the increasing number of couples living apart together in different countries the so called LATT couples cope with their situation and how they can maintain intimate relationships despite the distance Based on in depth interviews with heterosexual and same sex couples spread all over the world and including the author's own lived experiences the book convincingly challenges the conventional wisdom that cohabitation is a necessary condition for intimacy Through a novel theoretical framework Rashmi Singla highlights changing gendered orders and the challenges that meet long distance relationships crossing the Global North Global South divides Drude Dahlerup Professor of Political Science Stockholm and Roskilde Universities Sweden and Denmark Living Apart Together is a timely book that addresses the complexities of love sex marriage intimacy and transnational distancing Through qualitative research this excellent book offers answers to current and enduring questions of immigration migration and border crossings Dr Rashmi Singla's research and scholarship open new ways of understanding how intimate relationships are governed by post modern capitalism which challenges socio economic geo political and cultural forms of being intimate The book takes us on a journey of intimate discoveries which unfold through its various chapters on how people can nurture desire intimacy and love even while living apart either as a matter of personal choice or out of professional necessity In essence Living Apart Together is a critical text in answering the larger question of what it is to be human in today's digital world Roy Moodley Associate Professor Ontario Institute for Studies in Education Department of Applied Psychology and Human Development University of Toronto Canada Living Apart together is a timely book that addresses the complexities of love sex marriage intimacy and transnational distancing Through qualitative research this excellent book offers answers to current and enduring questions of immigration migration and border crossings Dr Rashmi

Singla's research and scholarship open up new ways of understanding how intimate relationships are governed by post modern capitalism which challenges socio economic geo political and cultural forms of being intimate The book takes us on a journey of intimate discoveries which unfold through its various chapters on how people can nurture desire intimacy and love even while living apart either as a matter of personal choice or as professional necessity In essence *Living Apart Together* is a critical text in answering the larger question of what it is to be human to today digital world

Living Apart Together

Cynthia Grant Bowman, 2020-12-29 Argues for legal reforms to protect couples who live apart but perform many of the functions of a family *Living Apart Together* is an in depth look at a new way of being a couple and doing family living apart together LAT in which committed couples maintain separate residences and finances In Bowman's own 2016 national survey 9% of respondents reported maintaining committed relationships while living apart typically spending the weekend together socializing together taking vacations together and looking after one another in illness but maintaining financial independence The term LAT stems from Europe where this manner of coupledness has been extensively studied however it has gone virtually unnoticed in the United States *Living Apart Together* aims to remedy this oversight by presenting original research derived from both randomized surveys and qualitative interviews Beginning with the large body of social science literature from outside the US Cynthia Bowman examines the prevalence of this lifestyle the demographics of people who live apart their reasons for doing so and how these individuals manage finances care during illness and many other aspects of family life She focuses in particular detail on three key demographics women gay men and the elderly and how individuals from these groups engage in LAT behavior She finds that while these living arrangements are more common than previously believed there are virtually no legal protections for the people involved Bowman concludes by proposing a number of legal reforms to support the caregiving functions LAT partners perform for each other *Living Apart Together* makes an important case for formal recognition of this growing but largely overlooked family structure

Intimate Relationships and Social Change

Christina L. Scott, Sampson Lee Blair, 2017-09-20 This multidisciplinary volume provides a unique and truly global collection of research on the nature of dating mating and coupling as they occur across a variety of cultures in dynamically shifting societies

Thai Marriage Migrants in Germany and their Employment Dilemma after the Residence Act of 2005.

Woramon Sinsuwan, This book provides one of the most comprehensive researches on Thai marriage migrants in Germany to date It investigates the employment dilemma of Thai marriage migrants after implementation of the new Residence Act of 2005 in Germany Also it sheds light on the underlying problems that hinder Thai marriage migrants potential as full time labourers examines the Thai diaspora and explores the present day trans nationalism of Thai marriage migrants in Germany Most importantly it applies Pierre Bourdieu's theoretical concept of capital habitus and social space to better understand Thai marriage migrants career choices in the German milieu

Transnationalism Steven Vertovec, 2009-03-30

While placing the notion of transnationalism within the broader study of globalization this book particularly addresses the

emergence and impacts of migrant transnational practices Each chapter demonstrates ways in which new and contemporary transnational activities of migrants are fundamentally transforming social religious political and economic structures within their homelands and places of settlement

The Cross-Border Connection Roger Waldinger, 2015-01-05 International migration presents the human face of globalization Roger Waldinger addresses a paradox at its core emigrants departing one society become immigrants in another tying those two societies together He explains how interconnections between place of origin and destination are built and maintained and why they eventually fall apart

Long Distance Relationships: Build Happy, Healthy, and Stress-free Relationship (Maintain Passion, Love, Commitment and Fun in Your Ldr) Isaac Bernstock, 2022-12-20 This book will show you the best way to have a long distance relationship thereby providing you with the right guide to overcome some LDR issues The easy to follow tips and guidelines stated in this book will help your long distance relationship not just survive the huge gap they ll additionally help you establish a solid framework for a relationship that is fun satisfying and fruitful This book is a guide that covers many aspects of a long distance relationship It takes a look at how long distance relationships are born dangers to watch out for how to keep the flame alive while separated building communication and trust battling fighting and jealousy relocating and immigration issues and starting a family with your long distance partner So how should you spend your valuable time

- 1 Read snippets of advice on the internet
- 2 Keep doing what you re doing with no measurable change
- 3 Go through more stress and strain and still not see a clear difference

None of these options will get you to where you need to be although they are some alternatives The most powerful option is learning the basics of making your relationship grow and get even closer via the phone and other modes of communication This book was written because I found myself in the same place as you Perhaps you are looking at the book for a friend or a relative who fears their relationship is falling apart Whatever the reason the advice given has been tried and tested and works The book is also split into separate topics to help you to find all of the advice that you need so that your relationship can survive that distance that life puts between you as a couple If you truly believe that your partner is the one and that he touches your heart like no one else be strong and do not let the distance between you interfere with what the end result could be Don t fear your long distance relationship Embrace it This gem of a book will show you how

Eaarth Bill McKibben, 2010-04-13 The bestselling author of Deep Economy shows that we re living on a fundamentally altered planet and opens our eyes to the kind of change we ll need in order to make our civilization endure Twenty years ago with The End of Nature Bill McKibben offered one of the earliest warnings about global warming Those warnings went mostly unheeded now he insists we need to acknowledge that we ve waited too long and that massive change is not only unavoidable but already under way Our old familiar globe is suddenly melting drying acidifying flooding and burning in ways that no human has ever seen We ve created in very short order a new planet still recognizable but fundamentally different We may as well call it Eaarth That new planet is filled with new binds and traps A changing world costs large sums to defend think of the money that went to repair New

Orleans or the trillions of dollars it will take to transform our energy systems But the endless economic growth that could underwrite such largesse depends on the stable planet we've managed to damage and degrade We can't rely on old habits any longer Our hope depends McKibben argues on scaling back on building the kind of societies and economies that can hunker down concentrate on essentials and create the type of community in the neighborhood but also on the Internet that will allow us to weather trouble on an unprecedented scale Change fundamental change is our best hope on a planet suddenly and violently out of balance

Living Abroad Thea Able, 2024-10-08 Living Abroad offers a comprehensive guide to international relocation exploring the best and worst countries for expatriates This essential resource delves into the practical socio cultural and economic aspects of living overseas providing readers with a holistic understanding of the expatriate experience The book emphasizes the importance of thorough research and preparation in achieving a successful transition to life in a new country Structured in four parts Living Abroad begins by introducing the challenges of international relocation before analyzing top rated countries for expatriates based on factors such as quality of life and career opportunities It then examines countries that present significant challenges for foreigners offering insights on how to avoid common pitfalls The book concludes with a practical guide for planning and executing an international move drawing on a wide range of evidence including statistical data case studies and expert interviews What sets this book apart is its balanced approach offering both inspiring success stories and cautionary tales to provide readers with a realistic view of expatriate life By combining academic rigor with practical advice Living Abroad serves as an indispensable companion for anyone considering or planning an international move equipping them with the knowledge and tools to turn their dreams of living abroad into reality

Maintaining Long Distance Cross Reside Introduction

In the digital age, access to information has become easier than ever before. The ability to download Maintaining Long Distance Cross Reside has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Maintaining Long Distance Cross Reside has opened up a world of possibilities. Downloading Maintaining Long Distance Cross Reside provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly

convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Maintaining Long Distance Cross Reside has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Maintaining Long Distance Cross Reside. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Maintaining Long Distance Cross Reside. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Maintaining Long Distance Cross Reside, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Maintaining Long Distance Cross Reside has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
