Maintaining The Delicate Balance In Christian Living:

Maintaining the Delicate Balance in Christian Living Jay Edward Adams, 1998 That's what every Christian needs But the temptation is to lean toward one sinful extreme or the other In this book Adams shows how to achieve and maintain your spiritual balance in a variety of situations in which it is difficult to do so **Keeping Faith** Jodi Picoult, 1999 As Mariah White struggles with depression her seven year old daughter Faith seeks solace in a new friend a friend who may or may not be imaginary Foundational Truths For Christian Living Derek Prince, 2025-01-24 Drawing from six decades of Scripture based teaching and study in the original Greek and Hebrew the late Derek Prince clearly explains the foundations for Christian faith salvation baptism the Holy Spirit laying on of hands the believer's resurrection and eternal judgment Dear Solomon, My Finances Are a Mess Al Smith, 2019-09-24 Taming the Money Beast is often a conquest that is never achieved even by those who put forth the effort One could get multiple university degrees with honors but never be instructed on even the basics of handling money Money is simply a tool In the hands of someone who has acquired and cultivated the skills to use it money can bring about incredible benefits to be enjoyed by many In the hands of a novice or one void of skills money can bring tremendous trouble and even destroy lives The pursuit of wisdom and understanding in expertly using this tool is a worthy pursuit This book draws from the wisdom of Solomon the wealthiest man to ever live and a man God endowed with a wise and discerning heart like none other 1 Kings 3:12 The wisdom of Solomon is displayed everywhere you look Study any Fortune Five Hundred company and you will discover that their success can be attributed to following this wisdom Study companies that have failed and you will discover many of Solomon's proverbs have been violated The same holds true for individuals The principles taught in Proverbs are divine laws that are always active just as much as the laws of physics are active The Book of Proverbs primarily authored by Solomon is filled with practical wisdom in virtually all areas of life including being packed with verses devoted to financial matters This wisdom is ageless and will benefit all who set their hearts to learn and discern Contained within the pages of this book are the essential principle of being a seeker of wisdom and knowledge You will learn the vital importance of developing character cultivating integrity and guarding your reputation On how your life should be marked by being an excellent worker This requires skills in planning setting priorities recognizing and seizing opportunities and avoiding the pitfalls of pursuing riches at the expense of all else The vital characteristic of focus and commitment will help you with motives curb your impatience reveal greed and unpack the dangers of a lottery mentality The peril of accumulating debt the foolishness of perpetually overspending and the tendency to be wasteful are examined Falsehoods are exposed Solomon is not interested in making sure he does not offend you he is interested in being brutally honest with you So this book includes admonitions on tempering false expectations understanding false impressions avoiding false security and basing your financial life on truth As with any endeavor one must recognize and eradicate the weeds that will overtake progress include compromise envy phoniness injustice and arrogance Solomon is clear on the folly

of allowing these weeds to take root Having proper attitudes are also important principles discussed in this book We must learn the value of generosity the wisdom of teamwork and the damaging role that unchecked selfishness can play Of course handling money wisely is the essence of this book Preparation is the key and you cannot skip or rush over this key Preparation always precedes the proper use of money Paying attention to details will serve you well Knowing and understanding where you stand each step of the way is essential These principles work regardless of your spiritual beliefs but there is a spiritual component at work in these truths Without fail if this wisdom is diligently followed and incessantly applied you will at times be amazed at the results results that cannot easily be explained This book will take you on a journey if you are game it is a long journey but an exciting one It will give you a spring in your step and have you eager to arise in the morning It will give you a sense of true accomplishment before as you rest your head on the pillow at night I promise that you won't be sorry if you make the commitment and resolve to finally understand the rules of the financial road The path is open before you all are welcome

(Foreword by Kirk Cameron)** Mike McKinley, 2011-06-07 Jesus divided

the world into two groups those who follow him and those who don't. But what happens when someone thinks he or she is a Christian but isn't? With his witty engaging style Mike McKinley takes readers on a journey of what it means to be a Christian. He asserts that manipulative evangelism techniques and a poor understanding of the gospel have resulted in an abundance of professing Christians who have no idea what it means to follow Christ. Each chapter title begins with 'You're not a Christian if _____ when just because you _____'. As he surveys what it means to be Christian, McKinley offers criteria for evaluating one's standing before God. Readers are guided through a series of challenges to reflect, repent, remember, and report to another person. Am I Really a Christian? ends with chapters on salvation and the local church. This unique book is written for nominal or new Christians and can be used in personal or small group study.

Introduction to Biblical Interpretation William W. Klein, Craig L. Blomberg, Robert L. Hubbard, Jr., 2017-03-28. Introduction to Biblical Interpretation, now in its third edition, is a classic hermeneutics textbook that sets forth concise logical and practical guidelines for discovering the truth in God's Word. With updates and revisions throughout that keep pace with current scholarship, this book offers students the best and most up-to-date information needed to interpret Scripture. Introduction to Biblical Interpretation defines and describes hermeneutics, the science of biblical interpretation. It suggests effective methods to understand the meaning of the biblical text, surveys the literary, cultural, social, and historical issues that impact any text, evaluates both traditional and modern approaches to Bible interpretation, examines the reader's role as an interpreter of the text, and helps identify what the reader brings to the text that could distort its message. It tackles the problem of how to apply the Bible in valid and significant ways today. Provides an extensive and revised annotated list of books that readers will find helpful in the practice of biblical interpretation. Used in college and seminary classrooms around the world, this volume is a trusted and valuable tool for students and other readers who desire to understand and apply the Bible.

The Congregation as Hermeneutic of the Gospel Shawn P. Behan, 2024-10-31. Lesslie Newbigin's concept of the congregation as hermeneutic of the gospel has been used for over thirty years to discuss the overlap of mission and ecclesiology. This book provides the contextual background to the congregation as hermeneutic of the gospel, then discusses the important components of this concept and how they connect with Newbigin's lifetime of writings on the nature and identity of the church. Within this discussion, there are three key elements to Newbigin's ecclesiology as it pertains to the congregation as hermeneutic of the gospel: the relationship between the Holy Spirit and the local congregation, the kingdom of God and the local congregation, and the local congregation within itself. These three components can be found throughout Newbigin's discussions about the nature of the church, ranging from the 1940s until the 1990s. Pulling all these components together and showing how they shed light on

Newbigin's intended meaning by calling the local congregation the hermeneutic of the gospel for their society provides a new interpretation of this concept that will both strengthen and challenge contemporary uses of this concept within the church today
