Inner Sanctuary Robert E. Shaffer,2015-11-20 Robert E Shaffer has always been a poet but it took some time for him to find his true voice As a young man he enlisted in the Army and served in Vietnam He came home discouraged and disillusioned which is when the words began to truly flow What followed was a career working with youth and his spirit soon soared Inner Sanctuary follows the crooked line of his life as he finds solace on the page His collection delves into his own subconscious but also looks to the world around him He recalls those who have gone before embracing memories long since past He too regards the seasons of nature and of life He takes careful study of youthfulness and the magic found therein He encourages adults to not lose their sense of wonder no matter the age Shaffer ponders over his family and the generations that will follow once he is gone Finally he tackles the darkness and terror of war Despite moments of despair his collection is one of universal hope of interest to all who wish to live lives of happy satisfaction *Ainslee's Magazine* ,1900
