Lou Henry Hoover Activist First Lady Modern First Ladies

Scott Kaufman

Lou Henry Hoover Activist First Lady Modern First Ladies:

Lou Henry Hoover Nancy Beck Young, 2016-02-19 Although overshadowed by her higher profile successors Lou Henry Hoover was in many ways the nation's first truly modern First Lady. She was the first to speak on the radio and give regular interviews. She was the first to be a public political persona in her own right. And although the White House press corps saw in her old-fashioned wifehood she very much foreshadowed the new woman of the era. Nancy Beck Young presents the first thoroughly documented study of Lou Henry Hoover's White House years 1929-1933 showing that far from a passive prelude to Eleanor Roosevelt she was a true innovator. Young draws on the extensive collection of Lou Hoover's personal papers to show that she was not only an important First Lady but also a key transitional figure between nineteenth and twentieth century views on womanhood. Lou Hoover was a multifaceted woman: a college graduate, a lover of the outdoors, a supporter of Girl Scouting, and a person engaged in social activism who endorsed political involvement for women and created a program to fight the Depression. Young traces Hoover's many philanthropic efforts both before and during the Hoover presidency, contrasting them with those of her husband and places her public activities in the larger context of contemporary women's activism. And she shows that unlike her predecessors Hoover did more than entertain; she revolutionized the office of First Lady. Yet as Young reveals, Hoover was constrained as First Lady by her inability to achieve the same results that she had previously accomplished in her very public career for the volunteer community. As diligently as she worked to combat the hardship of the Depression for average Americans by mobilizing private relief efforts, her efforts ultimately had little effect. Although her celebrity has paled in the shadow of her husband's negative association with the Great Depression, Lou Hoover's story reveals a dynamic woman who used her activism to refashion the office of First Lady into a modern institution reflecting changes in the ways American women lived their lives. Young's study of Hoover's White House years shows that her legacy of innovation made a lasting mark on the office and those who followed.

A Companion to First Ladies Katherine A.S. Sibley, 2016-03-02 This volume explores more than two centuries of literature on the First Ladies from Martha Washington to Michelle Obama, providing the first historiographical overview of these important women in U.S. history. Underlines the growing scholarly appreciation of the First Ladies and the evolution of the position since the 18th century. Explores the impact of these women not only on White House responsibilities but on elections, presidential policies, social causes, and in shaping their husbands' legacies. Brings the First Ladies into crisp historiographical focus, assessing how these women and their contributions have been perceived both in popular literature and scholarly debate. Provides concise biographical treatments for each First Lady.

First Ladies and American Women Jill Abraham Hummer, 2017-03-17 Unelected but expected to act as befits her office, the first lady has what Pat Nixon called the hardest unpaid job in the world. Michelle Obama championed military families with the program Joining Forces. Four decades earlier, Pat Nixon traveled to Africa as the nation's official representative. And nearly four decades before that, Lou Hoover took to the airwaves to solicit

women's help in unemployment relief Each first lady has in her way been intimately linked with the roles, rights and responsibilities of American women Pursuing this connection *First Ladies and American Women* reveals how each first lady from Lou Henry Hoover to Michelle Obama has reflected and responded to trends that marked and unified her time Jill Abraham Hummer divides her narrative into three distinct epochs In the first stretching from Lou Hoover to Jacqueline Kennedy we see the advent of women's involvement in politics following women's suffrage as well as pressures on family stability during depression war and postwar uncertainty Next comes the second wave of the feminist movement from Lady Bird Johnson's tenure through Rosalyn Carter's when equality and the politics of the personal issues prevailed And finally we enter the charged political and partisan environment over women's rights and the politics of motherhood in the wake of the conservative backlash against feminism after 1980 from Nancy Reagan to Michelle Obama Throughout Hummer explores how background personality ambitions and her relationship to the president shaped each first lady's response to women in society and to the broader political context in which each administration functioned and how in turn these singular responses reflect the changing role of women in American society over nearly a century First Ladies Dorothy Schneider, Carl J. Schneider, 2010 A biographical dictionary profiling first ladies of the United States from Martha Washington to Michelle Obama **Modern First Ladies** Nancy Kegan Smith, Mary C. Ryan, 1989 **First Ladies** Betty Boyd Caroli, 2003 Examines United States Presidential First Ladies through 2003 Ellen and Edith Kristie Miller, 2015-04-24 The wives of Woodrow Wilson were strikingly different from each other Ellen Axson Wilson quiet and intellectual died after just a year and a half in the White House and is thought to have had little impact on history Edith Bolling Wilson was flamboyant and confident but left a legacy of controversy Yet as Kristie Miller shows each played a significant role in the White House Miller presents a rich and complex portrait of Wilson's wives one that compels us to reconsider our understanding of both women Ellen comes into clear focus as an artist and intellectual who dedicated her talents to an ambitious man whose success enabled her to have a significant influence on the institution of the first lady Miller's assessment of Edith Wilson goes beyond previous flattering accounts and critical assessments She examines a woman who overstepped her role by hiding her husband's serious illness to allow him to remain in office But Miller concludes Edith was acting as she knew her husband would have wished Miller explains clearly how these women influenced Woodrow Wilson's life and career But she keeps her focus on the women themselves placing their concerns and emotions in the foreground She presents a balanced appraisal of each woman's strengths and weaknesses She argues for Ellen's influence not only on her husband but on subsequent first ladies She strives for an understanding of the controversial Edith who saw herself as Wilson's principal advisor and some would argue acted as shadow president after his stroke Miller also helps us better appreciate the role of Mary Allen Hulbert Peck whose role as Wilson's playmate complemented that of Ellen but was intolerable to Edith Especially because Woodrow Wilson continues to be one of the most studied American presidents the task of recognizing and understanding the influence of his

wives is an important one Drawing extensively on the Woodrow Wilson papers and newly available material Miller's book answers that call with a sensitive and compelling narrative of how private and public emotions interacted at a pivotal moment in the history of first ladies

American First Ladies Lewis L. Gould, 2014-02-04 This volume presents thirty nine interpretive biographical essays on all first ladies from Martha Washington to America's newest First Lady Laura Bush This new edition contains updated material on all the living First Ladies and updated bibliographies for each entry as well as a portrait of the newest First Lady

Michelle Obama and the FLOTUS Effect Tahira Chloe Mahdi, 2019-10-29 Michelle Obama intentionally defined her role and herself in ways that countered and complemented the images and works of previous First Ladies This book explores the role of the first African American First Lady and considers her impending legacy on the American political landscape and society

Prologue, 2004

First Ladies Betty Caroli, 2010-07-15 Betty Boyd Caroli's engrossing and informative First Ladies is both a captivating read and an essential resource for anyone interested in the role of America's First Ladies This expanded and updated fourth edition includes Laura Bush's tenure Hillary Clinton's 2008 presidential bid and an in depth look at Michelle Obama one of the most charismatic and appealing First Ladies in recent history Covering all forty one women from Martha Washington to Michelle Obama and including the daughters daughters in law and sisters of presidents who sometimes served as First Ladies Caroli explores each woman's background marriage and accomplishments and failures in office This remarkably diverse lot included Abigail Adams whose remember the ladies became a twentieth century feminist refrain Jane Pierce who prayed her husband would lose the election Helen Taft who insisted on living in the White House although her husband would have preferred a judgeship Eleanor Roosevelt who epitomized the politically involved First Lady and Pat Nixon who perfected what some have called the robot image They ranged in age from early 20s to late 60s some received superb educations for their time while others had little or no schooling Including the courageous and adventurous the emotionally unstable the ambitious and the reserved these women often did not fit the traditional expectations of a presidential helpmate Here then is an engaging portrait of how each First Lady changed the role and how the role changed in response to American culture These women left remarkably complete records and their stories offer us a window through which to view not only this particular sorority of women but also American women in general Impressive Caroli's profiles and observations of American first ladies and their relationship to the media are intelligent and perceptive

Philadelphia Inquirer

Southern First Ladies Katherine A. S. Sibley, 2021-01-20 Southern First Ladies explores the ways in which geographical and cultural backgrounds molded a group of influential first ladies The contributors to this volume use the lens of Southernness to define and better understand the cultural attributes characteristics actions and activism of seventeen first ladies from Martha Washington to Laura Bush The first ladies defined in this volume as Southern were either all born in the South specifically the former states of the Confederacy or their slaveholding neighbors like Missouri or else lived in those states for a significant portion of their adult lives women like Julia

Tyler Hillary Clinton and Barbara Bush Southern climes indelibly shaped these women and in turn a number of enduring White House traditions Along with the standards of proper behavior and ceremonial customs and hospitality demanded by notions of Southern white womanhood some of which they successfully resisted or subverted early first ladies including Martha Washington Dolley Madison Julia Tyler and Sarah Polk were also shaped by racially based societal and cultural constraints typical of the eighteenth and nineteenth centuries some of which have persisted to the present day The first nine women in this volume from Martha Washington to Julia Grant all enslaved others during their lives inside or outside the White House Among the seven first ladies in the book s last section Ellen Wilson for example was profoundly influenced by the reformist ethos of the Progressive Era and set an example for activism that five of her Southern successors Lady Bird Johnson Rosalynn Carter Barbara Bush Hillary Clinton and Laura Bush all emulated By contrast Ellen s immediate successor in the White House Edith Wilson enthusiastically celebrated the Lost Cause Southern First Ladies is the first volume to comprehensively emphasize the significance of Southernness and a Southern background in the history and work of first ladies and Southernness long standing influence for the development of this position in the White House as well as outside of it

Hillary Rodham Clinton Gil Troy, 2006-10-04 For most first ladies their years in the White House are their sole claim to fame For one Hillary Rodham Clinton that tenure was just another step in a remarkable political career Neither a hit job nor a facile tribute Gil Troy s lively and refreshingly nonsensational new book provides a revealing look at arguably the most polarizing First Lady in history and undoubtedly the most prominent American woman of our time Troy named by History News Network one of America s Top 15 Young Historians measures Clinton s historical footprint tracing her activities during the turbulent decade that brought her to national prominence and examining her influence as a key player in her husband s administration Covering her attempts to overhaul health care and redefine the first lady as co president while she tried to cope with her husband s scandals and impeachment he recounts how Hillary s rocky road had a mixed impact on the office even as her ambitions illuminated the role s potential As the first feminist first lady Hillary Clinton faced dilemmas typical of modern American women as she tried to be both a family oriented devoted wife and a career focused independent woman Troy shows how she did her best to navigate this divide and breaks new ground in taking her seriously as a thinker Delving into Hillary s speeches and writings he uncovers a surprisingly more moderate even conservative worldview In fact he finds some of her positions such as her outspoken views on abortion to be authentic expressions of a genuine Puritan Methodist centrism rather than a mere political ploy Offering a mix of praise and censure that elevates to a more sophisticated level debates about her controversial career and presidential aspirations Troy s book will enlighten and intrigue Hillary s passionate critics and staunch defenders alike It will renew discussions of where she stands in the continuum of modern first ladies and of where history will ultimately take her Many of the book s key themes are effectively underscored by an entertainingly narrated photo essay with provocative images drawn from the Clinton Presidential Library First Lady

Florence Harding Katherine Amelia Siobhan Sibley, 2009 Turning to primary sources others have overlooked Sibley challenges the clichés about Florence Harding's time in the national spotlight She describes her support for racial equality lobbying for better treatment for veterans and female prisoners and her lifelong interest in preventing animal cruelty The Presidents' Wives Robert P. Watson, 2000 Traces the development of the First Lady's role from obscurity into an influential force in politics complete with office staff and budgetary resources to rival those of key presidential advisors The author also explores the paradoxes surrounding activism in the office Bess Wallace Truman Sara L. Sale, 2010 Sale shows how Bess Truman remade the office of the first lady to suit her own personality and along the way earned the admiration and respect of the American people Publisher *Rosalynn Carter* Scott Kaufman, 2007 A portrait of an ambitious brilliant and hardworking woman It details the many roles Rosalynn played in support of President Jimmy Carter and also documents the ambivalence of the American public to some of her activities **Program** Organization of American Historians. Meeting, 2005 Grace Coolidge Robert H. Ferrell, 2008 A moving account of the popular first lady's White House tenure taking readers behind the scenes of her strained marriage to the famously taciturn president An insightful look at the Coolidges their relationship in the public eye and her contributions to the historical legacy of presidential wives **Nancy Reagan** James G. Benze, 2005 Many thought of her as Queen Nancy Others as the Dragon Lady But for millions of Americans Nancy Reagan was the always smiling and deeply admiring presidential spouse who stood by her man that image lingers still in the touching picture of a bereaved widow at her husband's casket Nancy Reagan has stirred passionate defenders and acerbic critics in many books and the media James Benze however is the first biographer to discuss the effect of her acting background on her tenure as first lady Unlike earlier biographers he focuses on the way she applied her acting skills to meet the demands of her greatest supporting role As part of a movie troupe Nancy Davis often had the job of flattering the lead actor or helping a star create an outstanding performance As first lady Nancy Reagan did all of this and more whether supplying the president with a missing line at Bitburg or steering him away from the abortion controversy Always outspoken and a target for feminists and others she remained the consummate supporting actor always helping the star Benze portrays Nancy Reagan as a forceful presence behind the Oval Office's closed doors unafraid to take on Donald Regan or Oliver North He documents her clear influence on presidential appointments links her quirky penchant for astrology to her show business past and traces the creation of the Just Say No program to her years in Sacramento showing that it far exceeded the public relations motivation that her detractors claimed Benze reveals how living on a public stage exacerbated the problems in the Reagans' relationship with their children which went from bad to worse during the White House years He also covers Nancy Reagan's post Washington life including her vigilant care of the president as he struggled with Alzheimer's disease and her subsequent advocacy of stem cell research that put her at odds with the GOP While Ronald Reagan was the star performer of his presidency his wife glided elegantly at his side as an accomplished co star Benze's book strikes a balance between the

images of adoring helpmate and manipulative manager showing us the woman behind the stereotypes and offering a more objective understanding of her place in the history of presidential wives

The Enigmatic Realm of **Lou Henry Hoover Activist First Lady Modern First Ladies**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. Its capacity to stir emotions, ignite contemplation, and catalyze profound transformations is nothing in short supply of extraordinary. Within the captivating pages of **Lou Henry Hoover Activist First Lady Modern First Ladies** a literary masterpiece penned by a renowned author, readers attempt a transformative journey, unlocking the secrets and untapped potential embedded within each word. In this evaluation, we shall explore the book's core themes, assess its distinct writing style, and delve into its lasting affect the hearts and minds of those that partake in its reading experience.
