Eight Decades of Commentary

Louis Armstrong Companion Eight Decades Of Commentary

Gene Henry Anderson

Louis Armstrong Companion Eight Decades Of Commentary:

The Louis Armstrong Companion Joshua Berrett, 1999 Drawing on the rich resources of the Louis Armstrong Archives jazz historian Joshua Berrett has compiled a wonderful tribute to the multitalented trumpeter vocalist and Ambassador of Jazz 20 photos **The Original Hot Five Recordings of Louis Armstrong** Gene Henry Anderson, 2007 Between 1925 and 1928 the Hot Five the incomparable Louis Armstrong and four seasoned practitioners of the burgeoning jazz style recorded fifty five performances in Chicago for the Okeh label Oddly enough the quintet immortalized on vinyl with recent technology rarely performed as a unit in local nightspots And yet like other music now regarded as especially historic their work in the studio summarized approaches of the past and set standards for the future Remarkable both for popularity among the members of the public and for influence on contemporary musicians these recordings helped make Satchmo a familiar household name and ultimately its bearer an adored public figure They showcased Armstrong's genius notably his leadership in transforming the practice of jazz as an ensemble improvisation into jazz as the art of the improvising soloist In his study Professor Anderson for the first time provides a detailed account of the origins of this pioneering enterprise relates individual pieces to existing copyright deposits and contextualizes the music by offering a reliable timeline of Armstrong's professional activities during these years All fifty five pieces moreover are described in informed commentary Publisher description

Louis Armstrong Michael A. Schuman, 2007-06-01 Depicts the life and career of the popular jazz musician and describes his contributions to American music *Louis Armstrong and Paul Whiteman* Joshua Berrett, 2008-10-01 In *Louis Armstrong and Paul Whiteman* the jazz scholar Joshua Berrett offers a provocative revision of the history of early jazz by focusing on two of its most notable practitioners Whiteman legendary in his day and Armstrong a legend ever since Paul Whiteman's fame was unmatched throughout the twenties Bix Beiderbecke Bing Crosby and Jimmy and Tommy Dorsey honed their craft on his bandstand Celebrated as the King of Jazz in 1930 in a Universal Studios feature film Whiteman's imperium has declined considerably since The legend of Louis Armstrong in contrast grows ever more lustrous for decades it has been Armstrong not Whiteman who has worn the king's crown This dual biography explores these diverging legacies in the context of race commerce and the history of early jazz Early jazz Berrett argues was not a story of black innovators and white usurpers In this book a much richer more complicated story emerges a story of cross influences sidemen sundry movers and shakers who were all part of a collective experience that transcended the category of race In the world of early jazz Berrett contends kingdoms had no borders **Louis Armstrong, Master of Modernism** Thomas David Brothers, 2014-02-03 The definitive account of Louis Armstrong his life and legacy during the most creative period of his career Nearly 100 years after bursting onto Chicago's music scene under the tutelage of Joe King Oliver Louis Armstrong is recognized as one of the most influential artists of the twentieth century A trumpet virtuoso seductive crooner and consummate entertainer Armstrong laid the foundation for the future of jazz with his stylistic innovations but his story would be incomplete without examining how he

struggled in a society seething with brutally racist ideologies laws and practices Thomas Brothers picks up where he left off with the acclaimed Louis Armstrong s New Orleans following the story of the great jazz musician into his most creatively fertile years in the 1920s and early 1930s when Armstrong created not one but two modern musical styles Brothers wields his own tremendous skill in making the connections between history and music accessible to everyone as Armstrong shucks and jives across the page Through Brothers s expert ears and eyes we meet an Armstrong whose quickness and sureness so evident in his performances served him well in his encounters with racism while his music soared across the airwaves into homes all over America Louis Armstrong Master of Modernism blends cultural history musical scholarship and personal accounts from Armstrong s contemporaries to reveal his enduring contributions to jazz and popular music at a time when he and his bandmates couldn t count on food or even a friendly face on their travels across the country Thomas Brothers combines an intimate knowledge of Armstrong s life with the boldness to examine his place in such a racially charged landscape In vivid prose and with vibrant photographs Brothers illuminates the life and work of the man many consider to be the greatest American musician of the twentieth century *Louis Armstrong's Hot Five and Hot Seven Recordings* Brian Harker,2011-04-02 For jazz historians Louis Armstrong s Hot Five and Hot Seven recordings mark the first revolution in the history of a music riven by upheaval Yet few traces of this revolution can be found in the historical record of the late 1920s when the discs were made Even black newspapers covered Armstrong as just one name among many and descriptions of his playing while laudatory bear little resemblance to those of today Through a careful analysis of seven seminal recordings in this compact and engaging book author Brian Harker recaptures the perspective of Armstrong s original audience without abandoning that of today s listeners The world of vaudeville and show business provide crucial context to his readings revealing how the demands of making a living in a competitive environment catalyzed Armstrong s unique artistic gifts Invoking a breadth of influences ranging from New Orleans clarinet style to Guy Lombardo and from tap dancing to classical music Louis Armstrong s Hot Five and Hot Seven Recordings offers bold insights fresh anecdotes and ultimately a new interpretation of Louis Armstrong and his most influential body of work **The Louis Armstrong Companion** Joshua Berrett,1999 Drawing on the rich resources of the Louis Armstrong Archives jazz historian Joshua Berrett has compiled a wonderful tribute to the multitalented trumpeter vocalist and Ambassador of Jazz 20 photos **Louis Armstrong's All Stars** Mike Forbes,2015-08-04 During the last 25 years of his life Louis Armstrong fronted his All Stars Dixieland jazz band usually five additional musicians and a female singer While much has been written about Louis there has been much less coverage of his All Stars This book has four parts 1 Louis s early years and the lead up to the formation of the All Stars 2 The All Stars through the years A timeline of the band including changes in its composition major recordings and concerts overseas tours 3 The Musicians biographies of the 46 musicians who were members of the All Stars the detail depending on the perceived significance of each 4 Life with Louis especially where it impacted on the All Stars touring on stage

relationships with management There is a comprehensive list of references and a detailed index *Paul Whiteman* Don Rayno, 2003 v 1 When Paul Whiteman the best known dance band leader of the flapper age brought his entourage to town it was a big deal Mayors met him at the train station and presented him with the key to the city parades and throngs of cheering crowds escorted him to City Hall and special luncheons were held in his honor Eventually dubbed the King of Jazz Whiteman grew into one of the biggest promoters of players singers and arrangers of all times Many well known musicians got their first big boost in his band including Tommy and Jimmy Dorsey Bing Crosby Frank Trumbauer Bix Beiderbecke Johnny Mercer Mildred Bailey and Ferde Grof When it came to jazz Whiteman was a trailblazer He invented symphonic jazz and gave the first performance of Gershwin's Rhapsody in Blue one of the most enduringly popular of all jazz influenced musical works of the 20th century He perfected the one nighter concert tours traveling across the country by train from city to city with his unique brand of music He was also the first to employ a special arranger to craft tailor made charts to fit the Whiteman Orchestra's instrumentation and sound This is the first of a two volume set that will serve as the definitive work on the life and music of this legendary jazz leader Covering the early years from 1890 to 1930 the text will entertain and inform the reader about the exciting life of one of the major influencers of jazz music and also provide a nostalgic glimpse of what life was like during the Roaring Twenties Features Day by day chronology 1890-1930 Comprehensive discography of recordings 1920-1930 Gallery of Whiteman's band members alphabetical listing from 1918 to 1930 includes birth and death dates Detailed reference notes with biographical sketches of famous people Extensive bibliography and index including index of songs Nearly 60 rare black and white photos Publisher's description

The Great Depression and the New Deal

Daniel Leab, Kenneth J. Bindas, Alan Harris Stein, Justin Corfield, Steven L. Danver, 2009-12-18 A comprehensive encyclopedia of the 1930s in the United States showing how the Depression affected every aspect of American life In two volumes The Great Depression and the New Deal A Thematic Encyclopedia captures the full scope of a defining era of American history Like no other available reference it offers a comprehensive portrait of the nation from the Crash of 1929 to the onset of World War II exploring the impact of the Depression and the New Deal on all aspects of American life The book features hundreds of alphabetically organized entries in sections focusing on economics politics social ramifications the arts and ethnic issues With an extraordinary range of primary sources integrated throughout The Great Depression and the New Deal is the new cornerstone resource on a historic moment that is casting a shadow on our own unsettled times

Early Twentieth-Century Brass Idioms Howard T. Weiner, 2008-11-06 The work of multiple scholars is combined in this single volume bringing together in conversation the traditions of brass instrumentalism and jazz idiom Early Twentieth Century Brass Idioms Art Jazz and Other Popular Traditions edited by Howard T. Weiner features articles by some of the most distinguished jazz and brass scholars and performers in the world The topics covered span continents and decades and bridge gaps that until now remained uncrossed Two primary themes emerge throughout the book and enter into dialogue

with each other the contribution brass performers made to the evolution of jazz in the early 20th century and the influence jazz and popular music idioms had on the evolution of brass performance The 13 articles in this volume cover a range of topics from Italian jazz trumpet style to the origins of jazz improvisation to the role of brass in klezmer music New Orleans becomes a focal point as the essays examine the work of many important musicians including Louis Armstrong Buddy Bolden Bunk Johnson King Oliver James Reese Europe and Newell Spiggle Willcox Included as well is an interview with two legends of jazz trumpet William Fielder and Joe Wilder and the renowned performer and teacher Jimmy Owens reveals his practice techniques Many of the essays include bibliographies discographies and other reference information The meeting of the Historic Brass Society and the Institute of Jazz Studies represents the first time scholars have gathered to bring these two fields into such comprehensive discussion with each other Early Twentieth Century Brass Idioms Art Jazz and Other Popular Traditions presents this historic conversation

Songbooks Eric Weisbard, 2021-04-23 In Songbooks critic and scholar Eric Weisbard offers a critical guide to books on American popular music from William Billings's 1770 New England Psalm Singer to Jay Z's 2010 memoir Decoded Drawing on his background editing the Village Voice music section coediting the Journal of Popular Music Studies and organizing the Pop Conference Weisbard connects American music writing from memoirs biographies and song compilations to blues novels magazine essays and academic studies The authors of these works are as diverse as the music itself women people of color queer writers self educated scholars poets musicians and elites discarding their social norms Whether analyzing books on Louis Armstrong the Beatles and Madonna the novels of Theodore Dreiser Gayl Jones and Jennifer Egan or varying takes on blackface minstrelsy Weisbard charts an alternative history of American music as told through its writing As Weisbard demonstrates the most enduring work pursues questions that linger across time period and genre cultural studies in the form of notes on the fly on sounds that never cease to change meaning

Jazz Eddie S. Meadows, 2013-10-23 Jazz Research and Pedagogy is the third edition of an annotated bibliography to books recordings videos and websites in the field of jazz Since the publication of the 2nd edition in 1995 the quantity and quality of books on jazz research performance and teaching materials have increased Although the 1995 book was the most comprehensive annotated jazz bibliography published to that date several books on research performance and teaching materials were omitted In addition given the proliferation of new books in all jazz areas since 1995 the need for a new comprehensive and annotated reference book on jazz is apparent Multiply indexed this book will serve as an excellent tool for librarians researchers and scholars in sorting through the massive amount of new material that has appeared in the field over the last decade

The Booklover's Guide to New Orleans Susan Larson, 1999 The Booklover's Guide to New Orleans is Susan Larson's delightfully informative response to questions most frequently asked her as book editor of the Times Picayune Tourists and locals alike want to know what to read where authors lived which bookstores to browse and when literary festivals are scheduled Now all the answers can be found in this one convenient volume the only complete

directory of New Orleans's write life available Whether you are passing through the Big Easy residing there or longing to visit these pages will heighten your experience of one of the most intoxicating places on the planet taking you into countless nooks and crannies along its storied streets Book jacket **Jazz Books in the 1990s** Janice Leslie Hochstat Greenberg, 2010-03-18 This annotated bibliography contains over 700 entries covering adult non fiction books on jazz published from 1990 through 1999 Entries are organized by category including biographies history individual instruments essays and criticism musicology regional studies discographies and reference works Three indexes by title author and subject are included **Johnny Mercer** Glenn T. Eskew, 2013-11-15 John Herndon Johnny Mercer 1909-76 remained in the forefront of American popular music from the 1930s through the 1960s writing over a thousand songs collaborating with all the great popular composers and jazz musicians of his day working in Hollywood and on Broadway and as cofounder of Capitol Records helping to promote the careers of Nat King Cole Margaret Whiting Peggy Lee and many other singers Mercer's songs sung by Bing Crosby Billie Holiday Judy Garland Frank Sinatra Ella Fitzgerald Tony Bennett Lena Horne and scores of other performers are canonical parts of the great American songbook Four of his songs received Academy Awards Moon River Days of Wine and Roses On the Atchison Topeka and the Santa Fe and In the Cool Cool Cool of the Evening Mercer standards such as Hooray for Hollywood and You Must Have Been a Beautiful Baby remain in the popular imagination Exhaustively researched Glenn T. Eskew's biography improves upon earlier popular treatments of the Savannah Georgia born songwriter to produce a sophisticated insightful evenhanded examination of one of America's most popular and successful chart toppers Johnny Mercer Southern Songwriter for the World provides a compelling chronological narrative that places Mercer within a larger framework of diaspora entertainers who spread a southern multiracial culture across the nation and around the world Eskew contends that Mercer and much of his music remained rooted in his native South being deeply influenced by the folk music of coastal Georgia and the blues and jazz recordings made by black and white musicians At Capitol Records Mercer helped redirect American popular music by commodifying these formerly distinctive regional sounds into popular music When rock n roll diminished opportunities at home Mercer looked abroad collaborating with international composers to create transnational songs At heart Eskew says Mercer was a jazz musician rather than a Tin Pan Alley lyricist and the interpenetration of jazz and popular song that he created expressed elements of his southern heritage that made his work distinctive and consistently kept his music before an approving audience **Music Is My Life** Daniel Stein, 2012-05-03 Music Is My Life is the first comprehensive analysis of Louis Armstrong's autobiographical writings including his books essays and letters and their relation to his musical and visual performances Combining approaches from autobiography theory literary criticism intermedia studies cultural history and musicology Daniel Stein reconstructs Armstrong's performances of his life story across various media and for different audiences complicating the monolithic and hagiographic views of the musician The book will appeal to academic readers with an interest in African American studies

jazz studies musicology and popular culture as well as general readers interested in Armstrong's life and music jazz and twentieth century entertainment While not a biography it provides a key to understanding Armstrong's oeuvre as well as his complicated place in American history and twentieth century media culture Hollywood Musicals You Missed Edwin M. Bradley, 2020-06-22 Pre World War II Hollywood musicals weren't only about Astaire and Rogers Mickey and Judy Busby Berkeley Bing Crosby or Shirley Temple The early musical developed through tangents that reflected larger trends in film and American culture at large Here is a survey of select titles with a variety of influences outsized songwriter personalities hubbub over hillbilly and cowboy stereotypes the emergence of swing and the brief parade of opera stars to celluloid Featured movies range from the smash hit Alexander's Ragtime Band 1938 to obscurities such as Are You There 1930 and Swing Sister Swing 1938 to the high grossing but now forgotten Mountain Music 1937 and It's Great to Be Alive 1933 a zesty pre Code musical science fiction comedy mishmash Also included are some of the not so memorable pictures made by some of the decade's greatest musical stars Lives and Times Blaine T. Browne, Robert C. Cottrell, 2009-11 Lives and Times is a biographical reader designed to acquaint students with major issues in American history through the lives of individuals prominent and otherwise whose activities and ideas were crucial in shaping the course of the nation's history Employing a narrative style each volume consists of thirteen chapters in which the lives of two individuals are examined in the broader context of major historical themes Readers will find not only a diversity of individuals profiled but also themes spanning political economic social cultural intellectual and military history This combined biographical thematic approach provides the reader with more extensive biographical information and a fuller examination of key issues than is commonly offered in core texts Each chapter also offers study questions and a bibliography Also Available Lives and Times Individuals and Issues in American History To 1877 by Blaine T. Browne and Robert C. Cottrell The Uncrowned King of Swing Jeffrey Magee, 2005-01-13 If Benny Goodman was the King of Swing then Fletcher Henderson was the power behind the throne Not only did Henderson arrange the music that powered Goodman's meteoric rise he also helped launch the careers of Louis Armstrong and Coleman Hawkins among others Now Jeffrey Magee offers a fascinating account of this pivotal bandleader throwing new light on the emergence of modern jazz and the world that created it Drawing on an unprecedented combination of sources including sound recordings obscure stock arrangements and hundreds of scores that have been available only since Goodman's death Magee illuminates Henderson's musical output from his early work as a New York bandleader to his pivotal role in building the Kingdom of Swing He shows how Henderson standing at the forefront of the New York jazz scene during the 1920s and 30s assembled the era's best musicians simultaneously preserving jazz's distinctiveness and performing popular dance music that reached a wide audience Magee reveals how in Henderson's largely segregated musical world black and white musicians worked together to establish jazz how Henderson's style rose out of collaborations with many key players how these players deftly combined improvised and written music and how their work

negotiated artistic and commercial impulses And we see how in the depths of the Depression record producer John Hammond brought together Henderson and Goodman a fortuitous collaboration that changed the face of American music Whether placing Henderson s life in the context of the Great Migration or the Harlem Renaissance or describing how the savvy use of network radio made the Henderson Goodman style a national standard Jeffrey Magee brings to life a monumental musician who helped to shape an era

Right here, we have countless book **Louis Armstrong Companion Eight Decades Of Commentary** and collections to check out. be the Louis Armstrong Companion Eight Decades Of Commentary full book , it can give you a taste of the authors writing style.Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Louis Armstrong Companion Eight Decades Of Commentary eBooks, including some popular titles.

FAQs About Louis Armstrong Companion Eight Decades Of Commentary Books

What is a Louis Armstrong Companion Eight Decades Of Commentary PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Louis Armstrong Companion Eight Decades Of Commentary PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Louis Armstrong Companion Eight Decades Of Commentary PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Louis Armstrong Companion Eight Decades Of Commentary PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Louis Armstrong Companion Eight Decades Of Commentary PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on

the circumstances and local laws.
