

# Louis Armstrong

**Louis Armstrong**

## **Louis Armstrong:**

**Louis Armstrong** James Lincoln Collier, 1985-10-10 Louis Armstrong Satchmo To millions of fans he was just a great entertainer But to jazz aficionados he was one of the most important musicians of our times not only a key figure in the history of jazz but a formative influence on all of 20th century popular music Set against the backdrop of New Orleans Chicago and New York during the jazz age Collier re creates the saga of an old fashioned black man making it in a white world He chronicles Armstrong s rise as a musician his scrapes with the law his relationships with four wives and his frequent feuds with fellow musicians Earl Hines and Zutty Singleton He also sheds new light on Armstrong s endless need for approval his streak of jealousy and perhaps most important what some consider his betrayal of his gift as he opted for commercial success and stardom A unique biography knowledgeable insightful and packed with information it ends with Armstrong s death in 1971 as one of the best known figures in American entertainment **Louis Armstrong, in His Own Words** Louis Armstrong, 2001 Louis Armstrong has been the subject of countless biographies and music histories Yet scant attention has been paid to the remarkable array of writings he left behind Louis Armstrong In His Own Words introduces readers to a little known facet of this master trumpeter band leader and entertainer Based on extensive research through the Armstrong archives this important volume includes some of his earliest letters personal correspondence with one of his first biographers in 1943 44 autobiographical writings magazine articles and essays Here are Armstrong s own thoughts on his life and career from poverty in New Orleans to playing in the famous cafes cabarets and saloons of Storyville from his big break in 1922 with the King Oliver band to his storming of New York from his breaking of color barriers in Hollywood to the infamous King of the Zulus incident in 1949 and finally to his last days in Queens New York Along the way Armstrong recorded touching portraits of his times and offered candid often controversial opinions about racism marijuana bebop and other jazz artists such as Jelly Roll Morton and Coleman Hawkins Indeed these writings provide a balanced portrait of his life as a musician entertainer civil rights activist and cultural icon Armstrong s idiosyncratic use of language and punctuation have been preserved to give the reader an unvarnished portrayal of this compelling artist This volume also includes introductions to the writings as well as an annotated index of names and places significant to Armstrong s life **Who Was Louis Armstrong?** Yona Zeldis McDonough, Who HQ, 2004-12-29 If not for a stint in reform school young Louis Armstrong might never have become a musician It was a teacher at the Colored Waifs Home who gave him a cornet promoted him to band leader and saw talent in the tough kid from the even tougher New Orleans neighborhood called Storyville But it was Louis Armstrong s own passion and genius that pushed jazz into new and exciting realms with his amazing improvisational trumpet playing His seventy year life spanned a critical time in American music as well as black history **Stomp Off, Let's Go** Ricky Riccardi, 2025-01-06 The revelatory origin story of one of America s most beloved musicians Louis Armstrong How did Louis Armstrong become Louis Armstrong In Stomp Off Let s Go author and Armstrong expert Ricky Riccardi tells the

enthraling story of the iconic trumpeter's meteoric rise to fame. Beginning with Armstrong's youth in New Orleans, Riccardi transports readers through Armstrong's musical and personal development, including his initial trip to Chicago to join Joe King Oliver's band, his first to New York to meet Fletcher Henderson, and his eventual return to Chicago where he changed the course of music with the Hot Five and Hot Seven recordings. While this period of Armstrong's life is perhaps more familiar than others, Riccardi enriches extant narratives with recently unearthed archival materials, including a rare draft of pianist/composer and Armstrong's second wife Lillian "Lil" Hardin Armstrong's autobiography. Riccardi similarly tackles the perceived notion of Armstrong as a sell-out during his later years, highlighting the many ways in which Armstrong's musical style and personal values, in fact, remained steady throughout his career. By foregrounding the voices of Armstrong and his contemporaries, *Stomp Off Let's Go* offers a more intimate exploration of Armstrong's personal and professional relationships, in turn providing essential insights into how Armstrong evolved into one of America's most beloved icons. **Swing That**

**Music** Louis Armstrong, 1993-08-22 The first autobiography of a jazz musician, Louis Armstrong's *Swing That Music* is a milestone in jazz literature. Armstrong wrote most of the biographical material, which is of a different nature and scope than that of his other later autobiography, *Satchmo: My Life in New Orleans*, also published by Da Capo. *Perseus Books Group* Satchmo covers, in intimate detail, Armstrong's life until his 1922 move to Chicago, but *Swing That Music* also covers his days on Chicago's South Side with King Oliver, his courtship and marriage to Lil Hardin, his 1929 move to New York, the formation of his own band, his European tours, and his international success. One of the most earnest justifications ever written for the new style of music then called swing, but more broadly referred to as Jazz, *Swing That Music* is a biography, a history, and an entertainment that really swings. **Louis Armstrong** Scott Allen Nollen, 2004-01-01 Louis Armstrong was not only a

virtuoso musician, singer, composer, and actor, but also a dedicated writer who typed hundreds of letters and reminiscences, carrying a typewriter with him on his constant travels around the globe. The man never stopped creating and constantly communicated with friends and acquaintances. His unique verbal, musical, and visual content and style permeated everything he touched. Included in this extensive career biography are the major events of his life, his artistic innovations, and cultural achievements; a detailed survey of his recordings and live performances; and in-depth discussions of his screen performances, not only his Hollywood feature film appearances but his performances in short films, European concert films, and dozens of television shows broadcast from Hollywood, New York, and Europe. **Heart Full of Rhythm** Ricky Riccardi, 2020-08-05

Nearly 50 years after his death, Louis Armstrong remains one of the 20th century's most iconic figures. Popular fans still appreciate his later hits such as *Hello Dolly* and *What a Wonderful World*, while in the jazz community he remains venerated for his groundbreaking innovations in the 1920s. The achievements of Armstrong's middle years, however, possess some of the trumpeter's most scintillating and career-defining stories. But the story of this crucial time has never been told in depth until now. Between 1929 and 1947, Armstrong transformed himself from a little-known trumpeter in Chicago to an internationally

renowned pop star setting in motion the innovations of the Swing Era and Bebop He had a similar effect on the art of American pop singing waxing some of his most identifiable hits such as Jeepers Creepers and When You're Smiling However as author Ricky Riccardi shows this transformative era wasn't without its problems from racist performance reviews and being held up at gunpoint by gangsters to struggling with an overworked embouchure and getting arrested for marijuana possession Utilizing a prodigious amount of new research Riccardi traces Armstrong's mid career fall from grace and dramatic resurgence Featuring never before published photographs and stories culled from Armstrong's personal archives *Heart Full of Rhythm* tells the story of how the man called Pops became the first King of Pop [A Horn for Louis](#) Eric A. Kimmel,2009-09-09 How did famous New Orleans jazz trumpet player Louis Armstrong get his first horn Seven year old Louis Armstrong was too poor to buy a real instrument He didn't even go to school To help his mother pay the rent every day he rode a junk wagon through the streets of New Orleans playing a tin horn and collecting stuff people didn't want Then one day the junk wagon passed a pawn shop with a gleaming brass trumpet in the window With messages about hard work persistence hope tolerance cooperation trust and friendship *A Horn for Louis* is perfect for aspiring young musicians and nonfiction fans alike *History Stepping Stones* now feature updated content that emphasizes Common Core and today's renewed interest in nonfiction Perfect for home school and library bookshelves [Satchmo](#) Steven Brower,2009-04 A biography in the form of an art book *Satchmo* tells the story of Louis Armstrong's life through his writings scrapbooks and artworks many of which have never been published before **What a Wonderful World** Ricky Riccardi,2011-06-21 In this richly detailed and prodigiously researched book jazz scholar and musician Ricky Riccardi reveals for the first time the genius and remarkable achievements of the last 25 years of Louis Armstrong's life providing along the way a comprehensive study of one of the best known and most accomplished jazz stars of our time Much has been written about Armstrong but the majority of it focuses on the early and middle stages of his career During the last third of his career Armstrong was often dismissed as a buffoonish if popular entertainer Riccardi shows us instead the inventiveness and depth of his music during this time These are the years of his highest charting hits including *Mack the Knife* and *Hello Dolly* the famed collaborations with Ella Fitzgerald and Duke Ellington and his legendary recordings with the All Stars An eminently readable and insightful book *What a Wonderful World* completes and enlarges our understanding of one of America's greatest and most beloved musical icons **Pops** Terry Teachout,2010 Draws on previously unavailable sources including hundreds of private recordings made throughout the second half of the jazz master's life to assess his artistic achievements and personal life [Who Was Louis Armstrong?](#) Yona Zeldis McDonough,Who HQ,2004-12-29 If not for a stint in reform school young Louis Armstrong might never have become a musician It was a teacher at the Colored Waifs Home who gave him a cornet promoted him to band leader and saw talent in the tough kid from the even tougher New Orleans neighborhood called Storyville But it was Louis Armstrong's own passion and genius that pushed jazz into new and exciting realms with his

amazing improvisational trumpet playing His seventy year life spanned a critical time in American music as well as black history

**Louis Armstrong, Master of Modernism** Thomas David Brothers,2014-02-03 The definitive account of Louis Armstrong his life and legacy during the most creative period of his career Nearly 100 years after bursting onto Chicago s music scene under the tutelage of Joe King Oliver Louis Armstrong is recognized as one of the most influential artists of the twentieth century A trumpet virtuoso seductive crooner and consummate entertainer Armstrong laid the foundation for the future of jazz with his stylistic innovations but his story would be incomplete without examining how he struggled in a society seething with brutally racist ideologies laws and practices Thomas Brothers picks up where he left off with the acclaimed Louis Armstrong s New Orleans following the story of the great jazz musician into his most creatively fertile years in the 1920s and early 1930s when Armstrong created not one but two modern musical styles Brothers wields his own tremendous skill in making the connections between history and music accessible to everyone as Armstrong shucks and jives across the page Through Brothers s expert ears and eyes we meet an Armstrong whose quickness and sureness so evident in his performances served him well in his encounters with racism while his music soared across the airwaves into homes all over America Louis Armstrong Master of Modernism blends cultural history musical scholarship and personal accounts from Armstrong s contemporaries to reveal his enduring contributions to jazz and popular music at a time when he and his bandmates couldn t count on food or even a friendly face on their travels across the country Thomas Brothers combines an intimate knowledge of Armstrong s life with the boldness to examine his place in such a racially charged landscape In vivid prose and with vibrant photographs Brothers illuminates the life and work of the man many consider to be the greatest American musician of the twentieth century

**Louis Armstrong** Hugues Panassié,1971

**Louis Armstrong** Gini Holland,Kerri O'Hern,2005-12-15 Depicts the life and career of the popular jazz musician and describes his contributions to American music

**Louis Armstrong** Stéphane Ollivier,2016-03-17 This illustrated biography of Louis Armstrong contains a CD with the narrative of the book plus highlights of some of his recordings

**Music Is My Life** Daniel Stein,2012-05-03 A groundbreaking study of Louis Armstrong s autobiographical practices

*Louis Armstrong* Sam Tanenhaus,1989 First captured on West End Blues and other now classic recordings Louis Armstrong s innovations immediately changed the face of American music He was a dazzling showman and a true musical genius

*Louis Armstrong* Ilse Storb,1999 This biography of Louis Armstrong gives a vivid and informative description of his personality encompasses jazz history along with his life and traces his musical development by way of numerous easy to grasp analyses and insights into his music
