No Traveller Returns (Lost Treasures) Louis L'Amour, Beau L'Amour, 2018-11-20 Louis L Amour s long lost first novel faithfully completed by his son takes readers on a voyage into danger and violence on the high seas Fate is a ship As the shadows of World War II gather the SS Lichenfield is westbound across the Pacific carrying eighty thousand barrels of highly explosive naphtha The cargo alone makes the journey perilous with the entire crew aware that one careless moment could lead to disaster But yet another sort of peril haunts the Lichenfield Even beyond their day to day existence the lives of the crew are mysteriously intertwined Though each has his own history dreams and jealousies longing and rage all are connected by a deadly web of chance and circumstance Some are desperately fleeing the past others chase an unknown destiny A few are driven by the desire for adventure while their shipmates cling to the Lichenfield as their only true home In their hearts these men as well as the women and children they have left behind carry the seeds of salvation or destruction And all of them kind or cruel strong or broken are bound to the fate of the vessel that carries them toward an ever darkening horizon Inspired by Louis L Amour s own experiences as a merchant seaman No Traveller Returns is a revelatory work by a world renowned author and a brilliant illustration of a writer discovering his literary voice

one woman Who will walk away The Haunted Mesa Louis L'Amour,1987-01 *Rivers West* Louis L'Amour,2004-06-01

His dream was to build magnificent steamboats to ply the rivers of the American frontier But when Jean Talon began his journey westward he stumbled upon a deadly conspiracy involving a young woman s search to find her missing brother and a ruthless band of renegades Led by the brazen Baron Torville this makeshift army of opportunists is plotting a violent takeover of the Louisiana Territory Jean swears to find a way to stop this daring plan If he doesn t it will not only put an end to all his dreams it will change the course of history and destroy the promise of the American frontier **Ride the River** Louis L'Amour,2003-09-30 Alone in the big city a fierce young frontierswoman must outsmart a dangerous con man before she can stake her claim to the family fortune Sixteen year old Echo Sackett has never been far from her Tennessee home until she makes the long trek to Philadelphia to collect her inheritance In the wilderness Echo can take care of herself as well as any man but she never imagined the challenge that awaits a crooked city lawyer who intends to take advantage of her by any means necessary Echo will need all of her wits to best this scoundrel and make it back home in one piece Passin' Through (Louis L'Amour's Lost Treasures) Louis L'Amour,2020-06-30 As part of the Louis L Amour s Lost Treasures series this edition contains exclusive bonus materials It seemed the perfect place to lie low The owner of the ranch was an attractive gray haired lady who had once been an actress The other woman was a beautiful fragile seeming blonde They needed repairs done and he needed to disappear for a while The first sign that things were not as they should be was when a Pinkerton man questioned him about a missing woman Then he accidentally found a will belonging to the previous owner of the ranch After that a young lady showed up in town making claims that the place belonged to her Worried that his hideout was turning into a battleground he didn t know what would be more dangerous staying or leaving For a man interested only in passin through he suddenly found himself entangled in a deadly struggle Louis L Amour s Lost Treasures is a project created to release some of the author s more unconventional manuscripts from the family archives In Louis L Amour s Lost Treasures Volume 1 and Volume 2 Beau L Amour takes the reader on a guided tour through many of the finished and unfinished short stories novels and treatments that his father was never able to publish during his lifetime L Amour s never before seen first novel No Traveller Returns faithfully completed for this program is a voyage into danger and violence on the high seas Additionally many beloved classics will be rereleased with an exclusive Lost Treasures postscript featuring previously unpublished material including outlines plot notes and alternate drafts These postscripts tell the story behind the stories that millions of readers have come to know and cherish The Empty Land Louis L'Amour,2004-10-26 For thousands of years the lonely canyon knew only wind and rain wild animals and an occasional native hunter Then a trapper found a chunk of gold and everything changed overnight In six days a town called Confusion appeared and on the seventh it could disappear consumed by the flames of lawlessness and violence On one side are those who understand only brute force On the other are men who want law and order but are ready to use a noose to achieve their ends Between them stand Matt Coburn and Dick Felton one

a hardened realist the other an idealist trying to dig a fortune from the muddy hillside Outnumbered and outgunned Felton and Coburn can't afford to be outmaneuvered For as the two unlikely allies confront corruption betrayal and murder in an attempt to tame a town where the discovery of gold can mean either the fortune of a lifetime or a sentence of death they realize that any move could be their last The Lonesome Gods Louis L'Amour, 1983 *Ride the River* Louis L'Amour, 1983 Filled with exciting tales of the frontier the chronicle of the Sackett family is perhaps the crowning achievement of one of our greatest storytellers In *Ride the River* Louis L'Amour spins the tale of a young woman who has to protect her family fortune from a murderous thief and teaches him what it means to be a Sackett Sixteen year old Echo Sackett had never been far from her Tennessee home until she made the long trek to Philadelphia to collect an inheritance Echo could take care of herself as well as any Sackett man but James White a sharp city lawyer figured that cheating the money from the young country girl would be like taking candy from a baby If he couldn't hoodwink Echo out of the cash he'd just steal it from her outright And if she put up a fight There were plenty of accidents that could happen to a country girl on her first trip to the big city
