A Call to a Deeper Love Zélie Martin, Louis Martin, 2011-01-01      *Louis and Zélie* GinaMarie Tennant, 2021-02-26 Louis and Zélie Martin the parents of Saint Thérèse of Lisieux were the first married couple ever canonized together by the Catholic Church This inspiring story begins in their childhoods and follows them through their joys as well as their sorrows Louis the son of a French army officer had desired to be a priest Instead he became a watchmaker happy to remain single in service of God and neighbor Zélie had thought about becoming a religious sister but she became an expert lace maker and started her own company doubtful she would ever marry Then one day they passed each other on a bridge The Martins married and welcomed nine children five of whom lived to adulthood and became religious sisters Their household was full of love which extended sometimes heroically to many others outside their family including the needy and the enemy soldiers quartered in their home during the Franco Prussian War The secret to their unfailing love was their boundless faith in God All the challenges the Martins faced great and small were met with a profound trust in Divine Providence      **The Extraordinary**

**Parents of St. Thérèse of Lisieux** Helene Mongin, 2015-09-30 St Therese famously said God gave me a Father and Mother more worthy of Heaven than of Earth In October 2015 Louis and Zélie Martin will be the first married couple to be canonized together When they met fell in love and married in 1858 their lives seemed pretty ordinary They worked hard Louis was a watchmaker Zélie established her own business making Pont d'Alençon lace and went on to have nine children Five survived all of whom became nuns and one of whom is now known as St Therese of Lisieux perhaps the most popular saint in recent history Through stories chatty domestic insights from Zélie's correspondence and running commentary on their faith and family *The Extraordinary Parents of St Therese of Lisieux* shows in vivid detail how Louis and Zélie created a joyful Catholic home for their family while coping with the demands of business and the daily stresses of ordinary life with their lively children      **A Family of Saints** Stéphane Joseph Piat, 2016 The recent and unprecedented canonization by Pope Francis of a husband and wife Louis and Zélie Martin the parents of Saint Thérèse has stirred a great interest in this extraordinary family This work by the highly regarded expert on the Martin family Father Stéphane Joseph Piat O F M is the definitive biography of this amazing family of saints Saint Thérèse a Doctor of the Church wrote in her classic spiritual biography *Story of a Soul* how important her family life was in setting the foundation for her spiritual life She grew up in a close family where the deep love of parents and children for God neighbor and each other was the very heart of their home and family life This family of saints who lived in the late 1800s and early 1900s might appear from their quaint photographs to have lived a relatively serene and smooth path to sainthood untarnished by modern problems But as this book shows the reality is quite the opposite They suffered from the loss of four children the failure of a family business and the death of Zélie at forty five to breast cancer The secret to their happiness then is the secret to our happiness now unfailing love made possible by boundless faith in God All the challenges the Martins faced great and small were met with a profound trust in Divine

Leonie Martin Marie Baudouin-Croix, 2017-10-24 A sister of Saint Thérèse of Lisieux Leonie Martin 1863-1941 was one of the five daughters of Zélie and Louis Martin who were canonized by Pope Francis She was the least gifted of the five Martin sisters an emotionally disturbed child who suffered much and caused much anguish in her family Marie Baudouin-Croix has carefully researched Leonie's life including her mother's voluminous correspondence about her family life In letters to her daughters sister brother and sister in law Zélie confided the challenges she faced in raising Leonie Yet Leonie was the first one in the Martin family to understand and to follow Thérèse's Little Way After three valiant but unsuccessful attempts to enter consecrated religious life Leonie was finally accepted by the Visitation Order in Caen As a Visitation nun she succeeded in conquering a difficult temperament and other personal challenges so that by the time of her death at seventy-eight years old she was regarded by many as a saint Her convent at Caen has been inundated with letters testifying to her posthumous intercessory aid How did this troubled child turn into the nun remembered by many as so kind serene and happy that they could not believe she had such a difficult childhood She discovered God within herself in her weakness and suffering and she became a great disciple of Thérèse's way of confidence and love Leonie practiced the Little Way so deeply that in 2015 the cause for her sainthood was officially opened by the Church **The Poetry of St. Therese of Lisieux** St. Therese of

Nevin, 2013-06-14 For over a century the Carmelite Sister Th r se of the Child Jesus and the Holy Face 1873 1897 has been revered as Catholicism s foremost folk saint of modern times Universally known as the Little Flower she has been a source of consolation and uplift an example of everyday sainthood by the Little Way This book puts aside that piety and addresses the torment of doubt within the life and writing of a saint best known for the strength of her conviction Nevin examines the dynamics of Christian doubt and argues that it is integral to the journey toward selfless love which Th r se was compelled to take What Nevin asks did doubt mean to her What was its source and nature What was its object He gives close attention to her reading and interpretations of the Old and New Testaments as pathways through her inner wilderness Her Carmel of spiritual sisters becomes a vivid setting for this drama with other women challenging Th r se by their own trials of faith One of Th r se s indispensable lessons Nevin concludes is the acceptance of one s helplessness in the midst of spiritual darkness

**Saint of the Day** Leonard Foley, 1975 Picturing Kingship Harvey Stahl, 2008 Picturing Kingship presents the first comprehensive art historical study of the personal prayerbook of King Louis IX The book approaches the St Louis Psalter through a rich range of perspectives and methodologies and positions it within the contexts of its production and use Not only is the manuscript's production and structure given detailed study but the king's ways of handling his prayerbook his habits of reading looking and praying are also set forth in a compelling narrative of his view of his sacred responsibilities as king In the first half of the book Stahl investigates the Psalter's physical construction and development within the context of manuscript production in thirteenth century Paris The second half looks at the Psalter's thematic and iconographic workings and the role of the king's adviser Vincent of Beauvais in the Psalter's shaping Most important though the author delves into the meanings the Psalter might have held for the king who was a crusader and so devout a Christian that he was canonized by Boniface VIII Stahl makes it clear that the Psalter already recognized as one of the true masterworks of thirteenth century French culture should also be recognized as a significant force in Louis IX's life and reign Saint Thérèse of Lisieux Kathryn Harrison, 2003 Bestselling novelist and memoirist Harrison whose depictions of women have been called powerful The New York Times Book Review brings to the saint's life her storytelling gift and deep insight as she reveals the hopes and fears of the young girl behind the religious icon Praying for Priests with St Therese of Lisieux Maureen O'Riordan, 2009 St Therese prayed for priests out of love for them and for the souls they touch We can share with Therese in this work of prayer praying a special Novena for priests including excerpts of her correspondence with missionary priests **The Little Way of St. Thérèse of Lisieux** Thérèse, 2009
