Louis Xiii The Making Of A King:

Louis the Thirteenth Louis the XIII Elizabeth W. Marvick,1986 *The Making of a King [i.e. Louis XIII., King of France]. ... With 17 Illustrations, Etc* Ida Ashworth TAYLOR,1910 **Louis XIII, the Just** A. Lloyd Moote,1991-08-08 In this fascinating biography A Lloyd Moote provides the first authoritative account of one of the most enigmatic figures of seventeenth century Europe Contrary of popular portrayals of the monarch as a hapless kind Moote argues that Louis XIII was a ruler who powerfully shaped his people s destiny *The Reign of Louis XIV* Paul Sonnino,1991 **Cardinal Richelieu and the Development of Absolutism** Geoffrey Russell Richards Treasure,1972 *King of the World* Philip Mansel,2019-07-11 Winner of the Franco British Society Book Prize 2019 The ultimate biography of the Sun King Simon Sebag Montefiore Louis XIV dominated his age He extended France s frontiers into Netherlands and Germany and established colonies overseas The stupendous palace he built at Versailles became the envy of monarchs all over Europe In his palaces Louis encouraged dancing hunting music and gambling He loved conversation especially with women the power of women in Louis s life and reign is a particular theme of this book Louis was obsessed by the details of government but the cost of building palaces and waging continuous wars devastated the country s finances and helped set it on the path to revolution Nevertheless by his death he had helped make his grandson king of Spain where his descendants still reign and France had taken essentially the shape it has today *King of the World* is the most comprehensive and up to date biography of this hypnotic flawed figure in English It draws on all the latest research to paint a convincing and compelling portrait of a man who three hundred years after his death still epitomises the idea of le grand monarque *Richelieu* R J Knecht,2014-01-09 This concise and up to date assessment of Richelieu s career provides an enthralling introduction to the character and exercise of his power Richelieu governed France for 18 years until his death and until the mid 20th century was viewed by Anglo Saxon historians as cold clever and ruthless Recent interpretations have been more favourable and in this incisive study R J Knecht uses recent research to reassess Richelieu s career and achievements **A/AS Level History for AQA The Sun King: Louis XIV, France and Europe, 1643-1715 Student Book** David Hickman,2016-07-07 A new series of bespoke full coverage resources developed for the AQA 2015 A AS Level History Written for the AQA A AS Level History specifications for first teaching from 2015 this print Student Book covers The Sun King Louis XIV France and Europe 1643 1715 Depth component Completely matched to the new AQA specification this full colour Student Book provides valuable background information to contextualise the period of study Supporting students in developing their critical thinking research and written communication skills it also encourages them to make links between different time periods topics and historical themes *Nelson's Perpetual Loose-leaf Encyclopaedia* ,1920 **Nelson's Perpetual Loose-leaf Encyclopaedia** John Huston Finley,1909 **The Cambridge Companion to French Music** Simon Trezise,2015-02-19 This accessible Companion provides a wide ranging and comprehensive introduction to French music from the early middle ages

to the present **The New International Encyclopaedia** ,1929 **The New International Encyclopædia** Frank Moore Colby,Talcott Williams,1917 New International Encyclopedia ,1915 **The Bookman** ,1909 **Henrietta Maria** Leanda de Lisle,2022-09-06 Dispelling the myths around this legendary queen this biography of Henrietta Maria queen consort of King Charles I retells the dramatic story of the English Civil War from the perspective of this dynamic woman Henrietta Maria is British history s most reviled queen consort Condemned in her lifetime as the Popish brat of France an adulteress and a traitor she remains in popular memory the wife who wore the breeches in her marriage the woman who turned her husband Catholic and so caused the English Civil War and a cruel and bigoted mother This clear eyed biography unpicks the myths and considers the story from Henrietta Maria s point of view A portrait emerges of a woman whose closest friends included Puritans as well as Catholics who crossed swords with Cardinal Richelieu and led the anti Spanish faction at the English court A witty conversationalist Henrietta Maria was a patron of the arts and a champion of the female voice as well as a mediatrix for her persecuted fellow Catholics During the civil war the queen s enemies agreed that Charles would never have survived as long as he did without the She Generalissimo Seeing events through her gaze reveals the truth behind the claims that she caused the war explains her estrangement from her son Henry and diminishes the image of the Restoration queen as an irrelevant crone In fact Henrietta Maria rose from the ashes of her husband s failures a phoenix queen presiding over a court judged to have had more mirth even than that of the Merry Monarch Charles II It is time to look again at this often criticized queen and determine if she is not in fact one of British history s most remarkable women

King of the World Philip Mansel,2020-09-01 Louis XIV was a man in pursuit of glory Not content to be the ruler of a world power he wanted the power to rule the world And for a time he came tantalizingly close Philip Mansel s King of the World is the most comprehensive and up to date biography in English of this hypnotic flawed figure who continues to captivate our attention This lively work takes Louis outside Versailles and shows the true extent of his global ambitions with stops in London Madrid Constantinople Bangkok and beyond We witness the importance of his alliance with the Spanish crown and his success in securing Spain for his descendants his enmity with England and his relations with the rest of Europe as well as Asia Africa and the Americas We also see the king s effect on the two great global diasporas of Huguenots and Jacobites and their influence on him as he failed in his brutal attempts to stop Protestants from leaving France Along the way we are enveloped in the splendor of Louis s court and the fascinating cast of characters who prostrated and plotted within it King of the World is exceptionally researched drawing on international archives and incorporating sources who knew the king intimately including the newly released correspondence of Louis s second wife Madame de Maintenon Mansel s narrative flair is a perfect match for this grand figure and he brings the Sun King s world to vivid life This is a global biography of a global king whose power was extensive but also limited by laws and circumstances and whose interests and ambitions stretched far beyond his homeland Through it all we watch Louis XIV progressively turn from a dazzling attractive

young king to a belligerent reactionary who sets France on the path to 1789 It is a convincing and compelling portrait of a man who three hundred years after his death still epitomizes the idea of le grand monarque **Music and Power at the Court of Louis XIII** Peter Bennett, 2021-05-27 What role did sacred music play in mediating Louis XIII's grip on power in the early seventeenth century How can a study of music as sounding liturgy contribute to the wider discourse on absolutism and the arts in early modern France Taking the scholarship of the so called ceremonialists as a point of departure Peter Bennett engages with Weber's seminal formulation of power to consider the contexts in which liturgy music and ceremonial legitimated the power of a king almost continuously engaged in religious conflict Numerous musical settings show that David the psalmist musician king and agent of the Holy Spirit provided the most enduring model of kingship but in the final decade of his life as Louis dedicated the Kingdom to the Virgin Mary the model of Christ the King became even more potent a model reflected in a flowering of musical publication and famous paintings by Vouet and Champaigne **The Gospel banner**, 1884 *Power and reputation at the court of Louis XIII* Sharon Kettering, 2018-02-28 This book seeks to rehabilitate the reputation of Charles d'Albert duc de Luynes the controversial favourite of Louis XIII often maligned by historians Kettering argues that the traditional historical interpretation of Luynes is significantly influenced by the testimony of Richelieu who subjected Luynes to a devastating character assassination in his memoirs Richelieu's malice and the bias in histories based upon his memoirs justify another look at Luynes' career This book sifts through the historical evidence to offer a new perspective on Luynes arguing that his contributions to the early years of Louis XIII's government have been insufficiently appreciated and in the process throws light upon a dark unpleasant corner of Richelieu's personality often ignored by historians As well as advanced students and historians of early modern France this book should interest those specialising in the history of the European courts power politics patronage and printed pamphlet literature
