

Louis Xiv And The French Monarchy

John B. Wolf

Louis XIV And The French Monarchy:

Louis XIV and the Zenith of the French Monarchy Arthur Hassall,1925 **Louis XIV and the French Monarchy** Andrew Lossky,1999-01-01 Placing Louis XIV in the context of his times the author retired history UCLA attempts no psychological analysis of the king and includes no discussion of the social history of the period Admitting that standard political and diplomatic history is his forte Lossky instead details the domestic international and religious policies of the Sun King demonstrating that there indeed was an evolution and transformation of his political ideas over the course of his long life The early chapters of this book should prove valuable to those interested in a general understanding of the period The author s primary focus however is on the mounting tension between Rome and Versailles and on the overall failure of Louis s policies to establish Catholic uniformity in France Specialists in French history will welcome this comprehensive readable and well written political biography **The Reign of Louis XIV** Paul Sonnino,1991 *Louis XIV and the Zenith of the French Monarchy* Arthur Hassall,2014-11-01 Pyrrhus Press specializes in bringing books long out of date back to life allowing today s readers access to yesterday s treasures This is a history of France during the era of the Sun King Louis XIV who oversaw the construction of Versailles and the strengthening of the French state From the prologue THE character and position of Louis XIV are peculiarly difficult to estimate partly on account of the attitude taken towards him during his lifetime by his own subjects partly owing to the entire misapprehension under which foreign nations laboured as to his real aims The French people during more than two thirds of his long reign made him into a god and worshipped him while at the time of the Spanish Succession war a generation had grown up in England which says Mr Wyon in his History of Great Britain during the Reign of Queen Anne regarded Louis XIV as a monster of ambition with a mission from the devil to make slaves and Papists of the whole human race a perfidious tyrant with whom it was useless to think of entering into a compact whom it was absolutely necessary to bind with chains of iron Again at the present day modern historical writers for the greater part hailing from France are well nigh unanimous in wholesale condemnation of the age of Louis XIV on the ground that it was essentially the cause of the French Revolution Even allowing that it be strictly historical to say that Louis reign made the Revolution inevitable it remains none the less true that the blame if there be any must be shared by the people with the King The French nation made Louis and Louis was the epitome of the French nation It is easy to sympathise with the many hostile criticisms levelled at the King by German historians who cannot forgive the devastation of the Palatinate or forget the loss of Strasburg But it is peculiarly ungracious ungrateful and unhistorical for French writers who are well acquainted with the history of their own country to allow themselves to be so carried away by feeble republican predilections as to pour virulent abuse upon the most brilliant period of their history and their most hardworking painstaking and on the whole successful ruler **King of the World** Philip Mansel,2019-07-11 Winner of the Franco British Society Book Prize 2019 The ultimate biography of the Sun King Simon Sebag Montefiore Louis XIV dominated his age He extended France s

frontiers into Netherlands and Germany and established colonies overseas The stupendous palace he built at Versailles became the envy of monarchs all over Europe In his palaces Louis encouraged dancing hunting music and gambling He loved conversation especially with women the power of women in Louis's life and reign is a particular theme of this book Louis was obsessed by the details of government but the cost of building palaces and waging continuous wars devastated the country's finances and helped set it on the path to revolution Nevertheless by his death he had helped make his grandson king of Spain where his descendants still reign and France had taken essentially the shape it has today King of the World is the most comprehensive and up to date biography of this hypnotic flawed figure in English It draws on all the latest research to paint a convincing and compelling portrait of a man who three hundred years after his death still epitomises the idea of le grand monarque

Louis XIV Arthur Hassall, 2018-02-15 Excerpt from Louis XIV And the Zenith of the French Monarchy As it was when Louis established a bureaucracy dependent on an absolutism he gave the French government the shape which it preserved unchanged till 1789 His administrative reforms were admirably suited to the France of his own day It was the fault of his successors that the bureaucratic system became an impassable barrier between the people and their rulers There is no doubt whatever that with the majority of his countrymen the rule of Louis XIV Was in the seventeenth century extremely popular It was admirably calculated to arouse the enthusiasm of his subjects The French more than any other European nation have always been most easily affected by the love of military glory They have of all nations ever been sensitive of their prestige and appreciative of a brilliant foreign policy About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Print, Power, and People in 17th-century France Henri-Jean Martin, 1993 Available for the first time in English this major work of scholarship originally presented as the author's thesis Paris and originally published in Geneva in 1969 places the publishing trade at the center of the study of the intellectual political and economic evolution of Europe through examination of the physical evidence Martin a French historian of the Annales school and president of the Institut du Livre shows the printed book to be the focus of society's cultural well being Annotation copyright by Book News Inc Portland OR

Louis XIV A. Hassall, 1904 King Louis XIV Hourly History, 2017-03-22 King Louis XIV He was born on September 5th 1638 in the French lap of luxury otherwise known as the Chateau de Saint Germain en Laye This extravagant palace of French excess is located about 12 miles west of Paris His birth name Louis Dieudonne is French for literally Gift for God This belief of divine right initially inspired by his mother Queen Anne would be a powerful theme throughout Louis XIV's life Inside you will read about The Conflict of Kings War and

Marriage The Noose Tightens The Scorched Earth of Louis XIV The Balance of Power Louis's Last Stand The Death of the King And much more Although he didn't create absolutism in France King Louis XIV seemed to embody the divine right of kings better than anyone had before him Louis XIV directly correlated his own private good with that of the public good There was really no concept of private property under Louis The French King viewed all of France as his personal estate with all who lived and toiled in his domain doing so only under his express permission even so not everyone in France had the same sentiment The ones who most notably resisted the notion of the King's absolutism were the French nobles and aristocrats that Louis depended upon to raise armies and defend the country Despite his theory of absolutism this dependence on French nobility to bear arms gave them increasing autonomy and independence from the King It was this independence that would one day come to a head and send Louis the so called Sun King of divine inheritance into a full blown conflict with his own subjects and the world at large

Louis XIV and the Zenith of the French Monarchy Arthur Hassall, 1895 This film is about an English lady and a rough river trader on a dangerous journey in German East Africa in 1914

Louis XIV John B. Wolf, 1972-06-18 Professor Wolf focuses on the problems of high politics and war which intrigued Louis and were his instruments of power Without ignoring the fact that Louis was also a son husband lover and father as well as king he gives us a striking new image of Louis as soldier administrator and a vivid accurate picture of the king's impact on the military machine after 1691 his part in the drama of war and in the emergence of a new Europe

Visitors to Versailles Daniëlle Kisluk-Grosheide, Bertrand Rondot, 2018-04-16 What was it like to visit one of the most magnificent courts of Europe Based on a wealth of contemporary documents and surviving works of art this lavish book explores the experiences of those who swarmed the palace and grounds of Versailles when it was the seat of the French monarchy Engaging essays describe methods of transportation the elaborate codes of dress and etiquette precious diplomatic gifts royal audiences and tours of the palace and gardens Also presented are the many types of visitors and guests who eagerly made their way to this center of power and culture including day trippers and Grand Tourists European diplomats overseas ambassadors incognito travelers and Americans Through paintings and portraits furniture costumes and uniforms arms and armor guidebooks and other works of art *Visitors to Versailles* illuminates what travelers encountered at court and what impressions gifts and souvenirs they took home with them In bringing to life their experiences this sumptuously illustrated volume reminds us why Versailles has enchanted generations of visitors from the ancien régime to the present day
