The Med David Poyer, 2012-12-31. A powerful and fast-moving tale of the Navy Marine Corps team in action on a dangerous mission in the volatile Eastern Mediterranean. Cloaked by the mists of dawn, Task Force 61, carrying tanks, aircraft, and over 5,000 Marines, steams toward Syria with deadly intent. Their mission: rescue 100 hostages from a terrorist stronghold alive. With realism seldom seen in military fiction, *The Med* is a magnificent and timely epic that brings the human drama of armed conflict compellingly to life. Driven by believable flesh-and-blood characters, it is a painstakingly detailed portrait of amphibious warfare as only David Poyer can paint it. *The Med* is today's most explosive tale of international crisis, personal valor, and emotional struggle—a disturbingly plausible novel that crackles with non-stop action.

Broadway Plays and Musicals Thomas S. Hischak, 2009-04-22. New York City's Broadway district is by far the most prestigious and lucrative venue for American performers, playwrights, entertainers, and technicians. While there are many reference works and critical studies of selected Broadway plays or musicals, and even more works about the highlights of the American theater, this is the first single-volume book to cover all of the activities on Broadway between 1919 and 2007. More than 14,000 productions are briefly described, including hundreds of plays, musicals, revivals, and specialty programs. Entries include famous and forgotten works designed to give a complete picture of Broadway's history and development, its evolution since the early twentieth century, and its rise to unparalleled prominence in the world of American theater. The productions are identified in terms of plot, cast, personnel, critical reaction, and significance in the history of New York theater and culture. In addition to a chronological list of all Broadway productions between 1919 and 2007, the book also includes approximately 600 important productions performed on Broadway before 1919.
