Louisiana Black Samuel Charters,1986 Frank Lewis a complacent middle class Black is roused to action when he recognizes a photograph of a lynched Black man in his son's history book as that of his father **Degrees of Freedom** Rebecca J. Scott,2009-06-30 As Louisiana and Cuba emerged from slavery in the late nineteenth century each faced the question of what rights former slaves could claim Degrees of Freedom compares and contrasts these two societies in which slavery was destroyed by war and citizenship was redefined through social and political upheaval Both Louisiana and Cuba were rich in sugar plantations that depended on an enslaved labor force After abolition on both sides of the Gulf of Mexico ordinary people cane cutters and cigar workers laundresses and labor organizers forged alliances to protect and expand the freedoms they had won But by the beginning of the twentieth century Louisiana and Cuba diverged sharply in the meanings attributed to race and color in public life and in the boundaries placed on citizenship Louisiana had taken the path of disenfranchisement and state mandated racial segregation Cuba had enacted universal manhood suffrage and had seen the

emergence of a transracial conception of the nation What might explain these differences Moving through the cane fields small farms and cities of Louisiana and Cuba Rebecca Scott skillfully observes the people places legislation and leadership that shaped how these societies adjusted to the abolition of slavery. The two distinctive worlds also come together as Cuban exiles take refuge in New Orleans in the 1880s and black soldiers from Louisiana garrison small towns in eastern Cuba during the 1899 U S military occupation Crafting her narrative from the words and deeds of the actors themselves Scott brings to life the historical drama of race and citizenship in postemancipation societies Louisiana Lucky Julie Pennell, 2020-08-04 From the critically acclaimed author of The Young Wives Club a heartwarming story about friendship heartache and self discovery Karen White New York Times bestselling author comes a charming novel reminiscent of the works of Mary Alice Monroe and Kristy Woodson Harvey about three sisters who win a huge lottery prize and learn what it truly means to be lucky Lexi Callie and Hanna Breaux grew up in small town Louisiana and have always struggled to make ends meet For years they we been playing the lottery fantasizing about how much better life would be if they had the money For Lexi it means the perfect wedding for Callie it means having the courage to go after her career dreams and for Hanna it means buying a house that isn t falling apart and sending her bullied son to private school When the incredible happens and the Breaux sisters hit it big 204 million dollars big all their dreams come true Or so they think Because it s actually not a clich money isn t the answer to everything and it often comes with problems of its own Heartfelt engaging and featuring characters you ll root for from the first moment you meet them Louisiana Lucky is a satisfying page turner from a rising star **Voices of the Enslaved** Sophie White, 2021-08 In eighteenth century New Orleans the legal testimony in women s fiction of some 150 enslaved women and men like the testimony of free colonists was meticulously recorded and preserved Questioned in criminal trials as defendants victims and witnesses about attacks murders robberies and escapes they answered with stories about themselves stories that rebutted the premise on which slavery was founded Focusing on four especially dramatic court cases Voices of the Enslaved draws us into Louisiana's courtrooms prisons courtyards plantations bayous and convents to understand how the enslaved viewed and experienced their worlds As they testified these individuals charted their movement between West African indigenous and colonial cultures they pronounced their moral and religious values and they registered their responses to labor to violence and above all to the intimate romantic and familial bonds they sought to create and protect Their words punctuated by the cadences of Creole and rich with metaphor produced riveting autobiographical narratives as they veered from the questions posed by interrogators Carefully assessing what we can discover what we might guess and what has been lost forever Sophie White offers both a richly textured account of slavery in French Louisiana and a powerful meditation on the limits and possibilities of the archive Black Like Me John Howard Griffin,1976 This American classic has been corrected from the original manuscripts and indexed featuring historic photographs and an extensive biographical afterword **Black Sugar** J.B.
