

WHY DID
NAPOLEON
SELL THE
LOUISIANA
TERRITORY?

Louisiana Napoleon And The United States

**Robert D. Bush, Pierre Clement de
Laussat, Agnes-Josephine Pastwa**

Louisiana Napoleon And The United States:

What's the Deal? Rhoda Blumberg,1998 *Napoleon in America* Shannon Selin,2014-01 What if Napoleon Bonaparte had escaped from St Helena and wound up in the United States The year is 1821 Former French Emperor Napoleon has been imprisoned on a dark wart in the Atlantic since his defeat at Waterloo in 1815 Rescued in a state of near death by Gulf pirate Jean Laffite Napoleon lands in New Orleans where he struggles to regain his health aided by voodoo priestess Marie Laveau Opponents of the Bourbon regime expect him to reconquer France French Canadians beg him to seize Canada from Britain American adventurers urge him to steal Texas from Mexico His brother Joseph pleads with him to settle peacefully in New Jersey As Napoleon restlessly explores his new land he frets about his legacy He fears for the future of his ten year old son trapped in the velvet fetters of the Austrian court While the British French and American governments follow his activities with growing alarm remnants of the Grande Armee flock to him with growing anticipation Are Napoleon s intentions as peaceful as he says they are If not does he still have the qualities necessary to lead a winning campaign If you enjoy alternate history or 19th century historical fiction *Napoleon in America* is for you **The Napoleonic Wars** Alexander Mikaberidze,2020 The first truly global history of the Napoleonic Wars the world s first world war **Finding Napoleon** Margaret Rodenberg,2021-04-06 Rodenberg inventively uses Bonaparte s own unfinished novel to tell the story of the despot s rise to power which she juxtaposes against the story of his last love affair Told creatively and with excellent research Stephanie Dray New York Times and USA Today best selling author of *America s First Daughter* and *The Women of Chateau Lafayette* Beautiful and poignant Allison Pataki New York Times best selling author of *The Queen s Fortune* With its delightful adaptation of Napoleon Bonaparte s real attempt to write romantic fiction *Finding Napoleon A Novel* offers a fresh take on Europe s most powerful man after he s lost everything except his last love A forgotten woman of history the audacious Countess Albine helps narrate their tale of intrigue desire and betrayal After the defeated Emperor Napoleon goes into exile on tiny St Helena Island in the remote South Atlantic he and his lover Albine de Montholon plot to escape and rescue his young son Banding together enslaved Africans British sympathizers a Jewish merchant a Corsican rogue and French followers they confront British opposition as well as treachery within their own ranks with sometimes subtle sometimes bold but always desperate action Amid his passions and intrigues Napoleon finishes his real novel *Clisson* that he started writing as a young man Now it s a father s message to the young son whom his enemies took from him but how can they get it to the boy When Napoleon and Albine break faith with one another ambition and Albine s husband threaten their reconciliation To succeed Napoleon must learn whom to trust To survive Albine must decide whom to betray This elegant richly researched novel reveals the Napoleon history conceals and the Countess Albine history has forgotten **A Wilderness So Immense** Jon Kukla,2004-08-10 In *A Wilderness so Immense* historian Jon Kukla recounts the fascinating tale of the personal maneuverings political posturing and international intrigue that culminated in the greatest land deal in

history Spanning nearly two decades Kukla's book brings to life a pageant of characters from Thomas Jefferson James Monroe and John Jay to Napoleon and Carlos III of Spain and other colorful figures Employing letters memoirs contemporary documents and a host of other sources Kukla creates a complete and compelling account of the Louisiana Purchase From the hinterlands in Kentucky to the courts of Spain France and England to the halls of Congress he re creates the forces and personalities that turned a struggle for navigation rights on the Mississippi into an event that doubled the size of the country and altered the destiny of the United States forever

Jefferson's Great Gamble Charles A. Cerami, 2003 A momentous moment in American history one that forever changed the scope of the nation and its people

Memoirs of My Life Robert D. Bush, Pierre Clement de Laussat, Agnes-Josephine Pastwa, 2003-01-01 Pierre Clement de Laussat was the last representative of a foreign power to exercise authority in Louisiana Appointed colonial prefect by Napoleon Bonaparte Laussat departed for Louisiana in January 1803 to preside over the formal retrocession of the colony from Spain to France only to have his mission altered entirely by the Louisiana Purchase on April 30 1803 These memoirs covering the period from January 1803 to July 1804 provide a unique firsthand perspective on the momentous transaction that doubled the size of the United States Laussat pens very personal observations on Louisiana's people and customs Spanish and American officials with whom he had frequent contact the local physical environment and economic system and the formalities involved with the transfer of the colony to the United States Memoirs of My Life furnishes rare insights into culture politics and everyday life in early nineteenth century Louisiana

Notes on the State of Virginia Thomas Jefferson, 1825

Andrew Jackson and the Miracle of New Orleans Brian Kilmeade, Don Yaeger, 2019-11-12 Another history pageturner from the authors of the 1 bestsellers George Washington's Secret Six and Thomas Jefferson and the Tripoli Pirates The War of 1812 saw America threatened on every side Encouraged by the British Indian tribes attacked settlers in the West while the Royal Navy terrorized the coasts By mid 1814 President James Madison's generals had lost control of the war in the North losing battles in Canada Then British troops set the White House ablaze and a feeling of hopelessness spread across the country Into this dire situation stepped Major General Andrew Jackson A native of Tennessee who had witnessed the horrors of the Revolutionary War and Indian attacks he was glad America had finally decided to confront repeated British aggression But he feared that President Madison's men were overlooking the most important target of all New Orleans If the British conquered New Orleans they would control the mouth of the Mississippi River cutting Americans off from that essential trade route and threatening the previous decade's Louisiana Purchase The new nation's dreams of western expansion would be crushed before they really got off the ground So Jackson had to convince President Madison and his War Department to take him seriously even though he wasn't one of the Virginians and New Englanders who dominated the government He had to assemble a coalition of frontier militiamen French speaking Louisianans Cherokee and Choctaw Indians freed slaves and even some pirates And he had to defeat the most powerful military force in the world in the confusing terrain of the Louisiana

bayous In short Jackson needed a miracle The local Ursuline nuns set to work praying for his outnumbered troops And so the Americans driven by patriotism and protected by prayer began the battle that would shape our young nation s destiny As they did in their two previous bestsellers Kilmeade and Yaeger make history come alive with a riveting true story that will keep you turning the pages You ll finish with a new understanding of one of our greatest generals and a renewed

appreciation for the brave men who fought so that America could one day stretch from sea to shining sea **The Haitian Revolution** Toussaint L'Ouverture,2019-11-12 Toussaint L Ouverture was the leader of the Haitian Revolution in the late eighteenth century in which slaves rebelled against their masters and established the first black republic In this collection of his writings and speeches former Haitian politician Jean Bertrand Aristide demonstrates L Ouverture s profound contribution to the struggle for equality **Blades of Freedom (Nathan Hale's Hazardous Tales #10)** Nathan Hale,2020-10-27 The

10th installment in the bestselling Nathan Hale s Hazardous Tales series tells the story of the Haitian Revolution and the Louisiana Purchase The Louisiana Purchase 1803 is today seen as one of history s greatest bargains But why did Napoleon Bonaparte sell this seemingly prosperous territory At the time France controlled Haiti and there slaves were used to harvest sugar But in 1791 Toussaint Louverture led the largest slave uprising in human history the Haitian Revolution 1791 1804 Napoleon had originally wanted to use Louisiana for trade but with Haiti out of his control Napoleon s dream of making a French empire in North America seemed doomed So when Thomas Jefferson and James Madison tried to buy New Orleans Napoleon sold them the whole Louisiana Territory Filled with wild and true facts and Hale s signature humor the latest installment in the bestselling series takes readers on another action packed adventure through history Negotiating the Louisiana Purchase Frank W. Brecher,2006-03-02 The political maneuverings that took place between the United States and France during their negotiations regarding the Louisiana territory are detailed here Through primary sources such as letters and memoranda this work examines the role which Robert Livingston and other politicians of the day played in bringing the Louisiana issue to a successful conclusion for the United States Provided by publisher **Napoleon in Egypt** Paul

Strathern,2009-09-15 In 1798 Napoleon Bonaparte only twenty eight set sail for Egypt with 335 ships 40 000 soldiers and a collection of scholars artists and scientists to establish an eastern empire He saw himself as a liberator freeing the Egyptians from oppression But Napoleon wasn t the first nor the last who tragically misunderstood Muslim culture Marching across seemingly endless deserts in the shadow of the pyramids pushed to the limits of human endurance his men would be plagued by mirages suicides and the constant threat of ambush A crusade begun in honor would degenerate into chaos And yet his grand failure also yielded a treasure trove of knowledge that paved the way for modern Egyptology and it tempered the complex leader who believed himself destined to conquer the world *State Papers and Correspondence Bearing Upon the Purchase of the Territory of Louisiana* United States. Department of State,1903 **Jefferson Davis, Napoleonic France, and the Nature of Confederate Ideology, 1815-1870** Jeffrey Zvengrowski,2020-01-06 In this highly original study of

Confederate ideology and politics Jeffrey Zengrowski suggests that Confederate president Jefferson Davis and his supporters saw Bonapartist France as a model for the Confederate States of America They viewed themselves as struggling not so much for the preservation of slavery but for antebellum Democratic ideals of equality and white supremacy The faction dominated the Confederate government and deemed Republicans a coalition controlled by pro British abolitionists championing inequality among whites Like Napoleon I and Napoleon III pro Davis Confederates desired to build an industrial nation state capable of waging Napoleonic style warfare with large conscripted armies States rights they believed should not preclude the national government from exercising power Anglophile anti Davis Confederates in contrast advocated inequality among whites favored radical states rights and supported slavery in the abstract theories that were dismissive of white supremacy Having opposed pro Davis Democrats before the war they preferred decentralized guerrilla warfare to Napoleonic campaigns and hoped for support from Britain The Confederacy they avowed would willingly become a de facto British agricultural colony upon achieving independence Pro Davis Confederates wanted the Confederacy to become an ally of France and protector of sympathetic northern states Zengrowski traces the origins of the pro Davis Confederate ideology to Jeffersonian Democrats and their faction of War Hawks who lost power on the national level in the 1820s but regained it during Davis term as secretary of war Davis used this position to cultivate friendly relations with France and later warned northerners that the South would secede if Republicans captured the White House When Lincoln won the 1860 election Davis endorsed secession The ideological heirs of the pro British faction soon came to loathe Davis for antagonizing Britain and for offering to accept gradual emancipation in exchange for direct assistance from French soldiers in Mexico Zengrowski s important new interpretation of Confederate ideology situates the Civil War in a global context of imperial competition It also shows how anti Davis ex Confederates came to dominate the postwar South and obscure the true nature of Confederate ideology Furthermore it updates the biographies of familiar characters John C Calhoun who befriended Bonapartist officers Davis who was as much a Francophile as his namesake Thomas Jefferson and Robert E Lee who as West Point s superintendent mentored a grand nephew of Napoleon I

[Napoleon For Dummies](#) J. David Markham,2011-05-04 Explains his influence on the military law politics and religion Get the real story of Napoleon Bonaparte Not sure what s true about Napoleon This easy to follow guide gets past the stereotypes and introduces you to this extraordinary man s beginnings accomplishments and famous romances It traces Napoleon s rise from Corsican military cadet to Emperor of the French chronicles his military campaigns explains the mistakes that led to his removal from power and explores his lasting impact on Europe and the world Discover How Napoleon built and lost an empire The forces that influenced him Why he created the Napoleonic Code The inside story on Josephine How he helped shape modern day Europe *France and the American Civil War* Stève Sainlaude,2019-02-05 France s involvement in the American Civil War was critical to its unfolding but the details of the European power s role remain little understood Here St ve Sainlaude offers the first comprehensive history of French

diplomatic engagement with the Union and the Confederate States of America during the conflict Drawing on archival sources that have been neglected by scholars up to this point Sainlaude overturns many commonly held assumptions about French relations with the Union and the Confederacy As Sainlaude demonstrates no major European power had a deeper stake in the outcome of the conflict than France Reaching beyond the standard narratives of this history Sainlaude delves deeply into questions of geopolitical strategy and diplomacy during this critical period in world affairs The resulting study will help shift the way Americans look at the Civil War and extend their understanding of the conflict in global context

Jefferson Himself Thomas Jefferson,1970 **Historic Buildings of the French Quarter** Lloyd Vogt,2002 Over 100 illustrations describe the building styles of each historical era and highlight some 60 buildings of particular importance

The Louisiana Purchase Thomas Fleming,2003-10-07 From The Louisiana Purchase Like many other major events in world history the Louisiana Purchase is a fascinating mix of destiny and individual energy and creativity Thomas Jefferson would have been less than human had he not claimed a major share of the credit In a private letter the president reviving a favorite metaphor said he very early saw Louisiana was a speck that could turn into a tornado He added that the public never knew how near this catastrophe was But he decided to calm the hotheads of the west and endure Napoleon s aggression betting that a war with England would force Bonaparte to sell This policy saved us from the storm Omitted almost entirely from this account is the melodrama of the purchase so crowded with what ifs that might have changed the outcome and the history of the world The reports of the Lewis and Clark expedition electrified the nation with their descriptions of a region of broad rivers and rich soil of immense herds of buffalo and other game of grassy prairies seemingly as illimitable as the ocean From the Louisiana Purchase would come in future decades the states of Arkansas Missouri Iowa Nebraska South Dakota and large portions of what is now North Dakota Montana Wyoming Minnesota Colorado and Louisiana For the immediate future the purchase by doubling the size of the United States transformed it from a minor to a major world power The emboldened Americans soon absorbed West and East Florida and fought mighty England to a bloody stalemate in the War of 1812 Looking westward the orators of the 1840s who preached the Manifest Destiny of the United States to preside from sea to shining sea based their oratorical logic on the Louisiana Purchase TURNING POINTS features preeminent writers offering fresh personal perspectives on the defining events of our time

This Captivating World of Kindle Books: A Comprehensive Guide Revealing the Pros of Kindle Books: A World of Ease and Versatility Kindle books, with their inherent portability and ease of availability, have liberated readers from the limitations of hardcopy books.
